With knowledge, spirit, good humor, and passion, THE AUTOBIOGRAPHY OF MARTIN LUTHER KING, JR. brings to life a remarkable man whose thoughts and actions speak to our most burning contemporary issues and still inspire the desires, hopes, and dreams of us all. Written in his own words, this history-making autobiography is Martin Luther King: the mild-mannered, inquisitive child and student who chafed under and eventually rebelled against segregation; the dedicated young minister who continually questioned the depths of his faith and the limits of his wisdom; the loving husband and father who sought to balance his family's needs with those of a growing, nationwide movement; and the reflective, world-famous leader who was fired by a vision of equality for people everywhere. Relevant and insightful, THE AUTOBIOGRAPHY OF MARTIN LUTHER KING, JR. offers King's seldom disclosed views on some of the world's greatest and most controversial figures: John F. Kennedy, Malcolm X, Lyndon B. Johnson, Mahatma Gandhi, and Richard Nixon. It also paints a rich and moving portrait of a people, a time, and a nation in the face of powerful change. Finally, it shows how everyday Americans from all walks of life confronted themselves, each other, and the burden of the past-and how their fears and courage helped shape our future.

Fühlt sich dein Leben auch manchmal so an, als müsstest du ganz allein einen Dschungel durchqueren - mit nichts als einem iPhone in der Tasche? Die neue Unabhängigkeit nach Schule, Uni, Ausbildung bietet unzählige Möglichkeiten - und trotzdem hat man keine Ahnung, wie man die tausend Fragen, die einem im Kopf herumschwirren, beantworten soll. Und was eigentlich die eigenen Träume sind, für die es sich zu kämpfen lohnt. John und Sam Eldredge haben sich gemeinsam aufgemacht, einen Weg durch das Dickicht der Zweifel und Unsicherheiten zu bahnen, die Mann auf dem Weg ins Erwachsenenleben so hat. Es gibt ein Leben, das du lieben kannst. Aber es erfordert Mut, Ausdauer und ein wenig Klugheit, um dahin zu kommen. Es erfordert ein echtes Kämpferherz. John Eldredge

Two-time National Book Award nominee Melissa Fay Greene puts a human face on the African AIDS crisis with this powerful story of one woman working to save her country's children. After losing her husband and daughter, Haregewoin Teferra, an Ethiopian woman of modest means, opened her home to some of the thousands of children in Addis Ababa who have been left as orphans. There Is No Me Without You is the story of how Haregewoin transformed her home into an orphanage and day-care center and began facilitating adoptions to homes all over the world, written by a star of literary nonfiction who is herself an adoptive parent. At heart, it is a book about children and parents, wherever they may be, however they may find each other.

She has no choice but to seek shelter in his arms... Ice-cold breed warrior Nathan is on a mission for the Order to expose the members of a secret cabal called Opus Nostrum, comprised of both human and Breed members. But Nathan's allegiance to the Order is challenged when his pursuit leads him to Martin Gates, the wealthy patriarch of a high society Breed family, and the father of ethereal Jordana Gates, a woman far out of Nathan's league and one he craves like no other. A few weeks before the couple shared an unexpected, stolen kiss... a kiss that Nathan is unable to forget. And soon Nathan and Jordana are swept into a passion that will force him to choose between duty towards his Order brethren, and desire for the one woman he cannot resist. Praise for the Midnight Breed series: 'An adrenalin-fuelled, sizzlingly sexy, darkly intense... addictively readable series.' Chicago Tribune. 'A gut-wrenching new paranormal series by hot talent Adrian... terrific supernatural entertainment.' Romantic Times

Touching, funny, and bittersweet, this is a story that will make you laugh, cry, and call your best friend to tell her you love her. 30-year-old Dee Harper and her husband, Luke, are blissfully happy. Everyday she makes her loyal parents Val & Don incredibly proud. Jen has been her best friend and 'adopted sister' since their days of teenage crushes, bad 90's make-up and huge hair. They are just like any other group of family and friends, living life, getting by with equal measures of love and laughter. Until one day everything changes. Dee is gone, killed by a reckless driver, leaving the people she loved to deal with their grief in different ways. A marriage is rocked as a parent becomes consumed with seeking justice. A husband struggles to accept the loss of his wife and their future. And a friend discovers that there were shocking secrets that went unshared. But all of them have to learn that the only way forward is to let go of the past. What readers are saying about A LIFE WITHOUT YOU: 'Another great story from Shari Low; again showing her in understanding of human emotions, and human frailty. I definitely recommend it!' 'Such superb writing that you are completely drawn in and captivated by each character ... you will not be able to stop reading from the moment you start' 'Brilliant from start to finish'

Rowan wanted it all: a man, a marriage and her own company! But her transatlantic romance with Bostonian businessman Arden Harveson had been doomed from the start. Compromise hadn't been in either of their vocabularies and they had parted bitterly. Now Rowan was back in the States, and, while a year's distance hadn't cooled their ardor, it hadn't cooled their heads, either. To Rowan it seemed that wanting Arden was light-years away from having him! "Richmond has a magic way...." —Affaire de Coeur

William James Sidis (1898-1944) was born to a psychologist with some unorthodox ideas about child rearing, attended Harvard at an absurdly young age, burned out at 14, and spent most of the rest of his life working menial jobs and living in poverty. Dubbed a "failed prodigy" by the popular press, he lived out his years as an eccentric and a recluse. The truth is a lot more complex than this, and the "failure" a matter of perspective, as shown in this remarkable biography. Wallace's book, the only biography of this most enigmatic of prodigies, gives us a balanced look at Sidis' up-bringing and a somewhat revisionist look at his later life. Sidis apparently was hard at work on manuscripts of various sorts even during his later years; this book is to my knowledge the only one that gives an account of that later work, which dealt with American Indians. New manuscripts by Sidis

have surfaced since the writing of this book, including a book on traffic accident patterns.

This collection bundles two of beloved author Jolina Petersheim's novels into one e-book for a great value! *The Outcast* (2014 "Christian Retailing's Best" award finalist!) Raised in an Old Order Mennonite community, Rachel Stoltzfus is a strong-willed single woman, content living apart from mainstream society until whispers stir the moment her belly swells with new life. Refusing to repent and name the partner in her sin, Rachel feels the wrath of the religious sect as she is shunned by those she loves most. She is eventually coerced into leaving by her brother-in-law, the bishop. But secrets run deep in this cloistered community, and the bishop is hiding some of his own, threatening his conscience and his very soul. When the life of Rachel's baby is at stake, however, choices must be made that will bring the darkness to light, forever changing the lives of those who call Copper Creek home. *The Midwife* Since the day Rhoda Mummau was baptized into the Old Order Mennonite Church and became the head midwife of Hopen Haus, she's been torn between the needs of the unwed mothers under her care and her desire to conceal the secrets of her past. Contact with the outside world could provide medical advantages, but remaining secluded in the community gives her the anonymity she craves. Graduate student Beth Winslow is on a path she never would have chosen. Heartbroken after surrendering a baby to adoption, she devotes herself to her studies until she becomes pregnant again, this time as a surrogate. But when early tests indicate possible abnormalities, Beth is unprepared for the parents' decision to end the pregnancy—and for the fierce love she feels for this unborn child. Desperate, she flees the city and seeks refuge at Hopen House. Past and present collide when a young woman named Amelia arrives to the sweeping countryside bearing secrets of her own. As Amelia's due date draws near, Rhoda must face her past and those she thought she had left behind in order for the healing power of love and forgiveness to set them all free.

Sutton I'm a center forward with the Boston Bay Vikings and consider myself to be a private and compassionate man. Although I enjoy a beer with friends and the occasional hookup, I like to be alone. My past isn't one of love or kindness; in fact, it's best left buried. I know I should avoid Hailee, but the harder I try, the more I find myself drawn to her. Hailee I'm a nervous wreck after being kidnapped, shot, and buried alive. Sutton has stood by my side and protected me from the press, which is only interested in getting my story—an exclusive—from me. My father enjoys being in the spotlight and is flying in from New York to make sure I do what I'm told. Before he arrives however, Sutton kidnaps me from the hospital, and this time, I'm a willing participant.

A witty, sophisticated guide to the new principles of modern social behavior, by a psychologist and popular alternative-etiquette-and-ethics guru This is no rule book about forks and calling cards. As a child, Robin Abrahams was bitterly disappointed when her parents forced her to have a lemonade stand rather than a booth for dispensing advice. In *Miss Conduct's Mind over Manners*, Abrahams, now a psychologist and the popular "Miss Conduct" columnist for *The Boston Globe Sunday Magazine*, tackles the perplexing social dilemmas of our time: - Is it polite to say "Bless you" to a sneezing atheist? - Should a foreign person's name be pronounced in his native accent? - Does knitting at a meeting display a lack of attention or superior multitasking? - Can a restaurant these days still be so fancy that you cannot request a doggie bag with dignity? - What's a nice vegetarian to do if Gypsies give her bread smeared with lard? Bringing to bear the insights of psychology, Abrahams outlines eight steps to more graceful living that can be applied to uncertain situations—and for handling the inevitable mistakes—involving food, religion, children, pets, health, sex, money, and more. With humor, compassion, and gusto, *Miss Conduct's Mind over Manners* delivers thoughtful and thought-provoking advice for everyone navigating the complex world of modern human interaction.

Stan, handsome, six feet two inches tall, with dark-brown hair and piercing blue eyes, and neighbor Pete, six feet, 180 pounds, met in scouting at twelve and became brothers in spirit. Their intertwined lives and adventures carry them through college and beyond. Their high school friend Butch leads them astray, but they are redeemed when they meet again at Quantico's CIA training and SEAL training facilities. They are paired in CIA mission assignments. They are EMT noncombatants in Iraq and Iran. Their last assignment is in Afghanistan at which time they are separated. Butch is assigned to Damascus and Stan in Kabul. They are in reality espionage agents (spies). Stan sacrifices everything to fulfill his most dangerous secret assignment to infiltrate the highest level of opposition. In the process, physical requirement to ingratiate himself turns into emotional commitment, and he is caught in the trap of his own making. The subject of his surveillance is Prince Mohammed, whose illegitimate brother, Sayed, frees him from Taliban imprisonment. And there begins the beginning of the end.

In the newest novel from internationally-bestselling author Ronald H. Balson, Liam and Catherine come to the aid of an old friend and are drawn into a property dispute in Tuscany that unearths long-buried secrets. An old friend calls Catherine Lockhart and Liam Taggart to his famous Italian restaurant to enlist their help. His aunt is being evicted from her home in the Tuscan hills by a powerful corporation claiming they own the deeds, even though she can produce her own set of deeds to her land. Catherine and Liam's only clue is a bound handwritten manuscript, entirely in German, and hidden in its pages is a story long-forgotten... Ada Baumgarten was born in Berlin in 1918, at the end of the war. The daughter of an accomplished first-chair violinist in the prestigious Berlin Philharmonic, and herself a violin prodigy, Ada's life was full of the rich culture of Berlin's interwar society. She formed a deep attachment to her childhood friend Kurt, but they were torn apart by the growing unrest as her Jewish family came under suspicion. As the tides of history turned, it was her extraordinary talent that would carry her through an unraveling society turned to war, and make her a target even as it saved her, allowing her to move to Bologna—though Italy was not the haven her family had hoped, and further heartache awaited. What became of Ada? How is she connected to the conflicting land deeds of a small Italian villa? As they dig through the layers of lies, corruption, and human evil, Catherine and Liam uncover an unfinished story of heart, redemption, and hope—the ending of which is yet to be written. Don't miss Liam and Catherine's latest adventures in *The Girl from Berlin!*

An inspiration to Martin Luther King Jr., James Farmer, and other leaders of the civil rights movement, Howard Thurman was a crucial figure in the advancement of African Americans in the 20th century. Until now, however, he has not received the full biographical treatment he deserves. In *Against the Hounds of Hell*, Thurman scholar Peter Eisenstadt offers a fascinating exploration of the life of this great religious thinker and activist. The first significant African American pacifist, Thurman was the first African American to meet Mahatma Gandhi. An early and outspoken feminist, environmentalist, and advocate for social and economic justice, he was one of the first and most insistent mid-20th century proponents of racial integration. At the same

time, he was a key figure in the emergence of mysticism and "spirituality" as an alternative to formal religion. Against the Hounds of Hell will at last establish this multifaceted historical personage as a leading figure of 20th century American politics, religion, and culture.

A story about a young girl of 17, her innocence and her leap into maturity by extremely painful circumstances. You will experience, through the eyes of a young wife and mother, the wonder, beauty and culture of a faraway exotic location. The happiness and wonder she experienced while discovering what she believed to be true love, and all the agony of betrayal by the one person she trusted the most. Redemption comes soon enough.... After having her young son taken away as a toddler, devastating pain brings her to a depression so deep that it takes years to recover. Her strength of will is put through a test when the case crosses over the court systems from two countries: the United States and Greece. During this time, she digs deep for strength she never imagined she had to help her during her struggle to be reunited with him. Twelve and a half grueling years later, she is finally able to hug her son who is no longer a little boy but a young man, searching for answers about the mother he was told was dead.

Widely acknowledged as the best hockey book ever written and lauded by Sports Illustrated as one of the Top 10 Sports Books of All Time, The Game is a reflective and thought-provoking look at a life in hockey. Intelligent and insightful, former Montreal Canadiens goalie and former President of the Toronto Maple Leafs, Ken Dryden captures the essence of the sport and what it means to all hockey fans. He gives us vivid and affectionate portraits of the characters — Guy Lafleur, Larry Robinson, Guy Lapointe, Serge Savard, and coach Scotty Bowman among them — that made the Canadiens of the 1970s one of the greatest hockey teams in history. But beyond that, Dryden reflects on life on the road, in the spotlight, and on the ice, offering up a rare inside look at the game of hockey and an incredible personal memoir. This commemorative edition marks the 20th anniversary of The Game's original publication. It includes black and white photography from the Hockey Hall of Fame and a new chapter from the author. Take a journey to the heart and soul of the game with this timeless hockey classic.

Alex Shanahan investigates a fatal plane crash that could ground Majestic Airlines forever in this “edge-of-your seat thriller” (Lisa Gardner). As the new manager of Majestic Airlines’ operations at Boston’s Logan International Airport, Alex Shanahan expected her fair share of turbulence—but not so much, so soon. Logan Airport is in a state of chaos, with divided loyalties tearing it apart. And hanging over everyone’s heads is the mysterious suicide of Alex’s predecessor. NEW YORK TIMES BESTSELLER • A haunting, unforgettable mother-daughter story for a new generation—the debut of a blazing new lyrical voice NAMED ONE OF THE TEN BEST NONFICTION BOOKS OF THE YEAR BY ENTERTAINMENT WEEKLY Domenica Ruta grew up in a working-class, unforgiving town north of Boston, in a trash-filled house on a dead-end road surrounded by a river and a salt marsh. Her mother, Kathi, a notorious local figure, was a drug addict and sometimes dealer whose life swung between welfare and riches, and whose highbrow taste was at odds with her hardscrabble life. And yet she managed, despite the chaos she created, to instill in her daughter a love of stories. Kathi frequently kept Domenica home from school to watch such classics as the Godfather movies and everything by Martin Scorsese and Woody Allen, telling her, “This is more important. I promise. You’ll thank me later.” And despite the fact that there was not a book to be found in her household, Domenica developed a love of reading, which helped her believe that she could transcend this life of undying grudges, self-inflicted misfortune, and the crooked moral code that Kathi and her cohorts lived by. *With or Without You* is the story of Domenica Ruta’s unconventional coming of age—a darkly hilarious chronicle of a misfit ’90s youth and the necessary and painful act of breaking away, and of overcoming her own addictions and demons in the process. In a brilliant stylistic feat, Ruta has written a powerful, inspiring, compulsively readable, and finally redemptive story about loving and leaving. Praise for *With or Without You* “A luminous, layered accomplishment.”—The New York Times Book Review “A singular new coming-of-age memoir traces one girl’s twisting path up from mean streets (and parents) to the reflective life of a writer. . . . The burgeoning canon of literary memoir . . . begets another winner in Domenica Ruta’s searing *With or Without You*. . . . [A] gloriously gutsy memory-work.”—Elle “Stunning . . . comes across as a bleaker, funnier, R-rated version of *The Glass Castle* and marks the arrival of a blazing new voice in literature.”—Entertainment Weekly “Valiant and heartbreaking.”—Bust “Powerful . . . Ruta found an unconventional voice, a scary good mixture of erudition and hardened street smarts. Her writing is also, as they say in Danvers, wicked funny—though in her case wicked is more an adjective than an intensifier. . . . [With or Without You] hums with jangled energy and bristles with sharp edges. . . . Ruta writes with unflinching honesty.”—Slate “Bracingly funny and poignant.”—The Boston Globe “Exceedingly powerful.”—Booklist

Life hit Pat and Tammy McLeod hard when their son Zach collapsed on a high school football field; he had sustained a severe brain injury. Facing the devastating possibility that things would never be the same for their beloved son, they committed to staying strong as a family and finding a way to maintain their footing. But the journey would reshape their faith, their family, and their future in ways they never saw coming. What would it take for them to navigate the endless fallout of their son’s life-transforming injury? How could they reconcile their grief over the life Zach lost, with gratitude for the life that remained? And how does a couple move forward together in their search for hope, rather than letting indefinable loss drive them apart? *Hit Hard* is the true story of the McLeods’ journey through ambiguous loss—both having and not having their son. It’s the story of a family who faced unexpected heartbreak, a story that offers us all glimpses of how we can pick up the pieces, redefine expectations, and trust God for hope in the midst of unresolved pain. Robert Ludlum’s wayward hero, the outrageous General MacKenzie Hawkins, returns with a diabolical scheme to right a very old wrong—and wreak vengeance on the [redacted] who drummed him out of the military. Discovering a long-buried 1878 treaty with an obscure Indian tribe, the Hawk, a.k.a. Chief Thunder Head, hatches a brilliant plot that will ultimately bring him and his reluctant legal eagle, Sam Devereaux, before the Supreme Court. Their goal is to reclaim a choice piece of American real estate: the state of Nebraska, which just so happens to be the headquarters of the U.S. Strategic Air Command. Their outraged opposition will be no less than the CIA, the Pentagon, and the White House. And only one thing is certain: Ludlum will keep us in nonstop suspense—and side-splitting laughter—through the very last page. Praise for Robert Ludlum and *The Road to Omaha* “A very funny book . . . No character is minor: They’re all hilarious.”—Houston Chronicle “Don’t ever begin a Ludlum novel if you have to go to work the next day.”—Chicago Sun-Times BONUS: This edition includes an excerpt from Robert Ludlum’s *The Bourne Identity*.

An early celebrity pitcher, Denton "Cy" Young (1867-1955) established supreme standards on the mound. A small-town Ohio farmer made good, he set Major League pitching records in the late 19th and early 20th centuries that will likely last forever. The winner of 511 games--nearly one hundred more than the second-ranked hurler--Young pitched the first perfect game of the modern era, as well as three no-hitters. His talents helped establish the American League in 1901. Among the Hall of Fame's first inductees, he remained a sought-after interviewee decades after retirement. A year after his death, the Cy Young Award was dedicated as baseball's most prestigious honor for pitchers.

Boston's Cardinal, a portrait of one of the most respected and influential leaders of the Catholic Church, provides a unique view of the Church in the modern world. Ever since the 1960s, when he spoke out courageously for racial justice as a young priest in Mississippi, Bernard Law has witnessed and participated in many of the struggles and events that have shaped American and Church history. An unusual childhood spent mainly in Latin America and the Caribbean prepared him for a vocation that has been marked from the beginning by outreach across racial, religious, and national boundaries. A gifted writer, Law recorded his reflections in the columns, speeches, and homilies that are assembled here. The book thus provides valuable insight into the man whom many consider to be the quintessential post-Vatican II bishop and into the role of the Catholic hierarchy in a time of social, political, and ecclesiastical turbulence. With the growing salience of religion in American public life, these writings on such topics as 'being Catholic and American,' the Gulf War, urban violence, Northern Ireland, relations with Cuba, welfare, and affordable housing will be of interest to all who are concerned with advancing religiously grounded moral viewpoints in a pluralistic society.

Within the pages of American history are the stories of remarkable African American women who have defied the odds, taken a stand for justice, and made incredible strides despite opposition from the culture around them. Now young readers can discover their exciting true stories in this eye-opening collection. From well-known figures like Sojourner Truth, Harriet Tubman, and Rosa Parks to women rarely found in any history book, Women in Black History explores the lives of writers, athletes, singers, activists, and educators who have made an indelible mark on our country and our culture. Perfect for kids, but also for adults who like to read about important figures and unsung heroes, this collection will delight, surprise, and challenge readers.

Four aviation thrillers from an author who "melds the maze of today's airline industry with intrigue and mystery" (John J. Nance, New York Times—bestselling author of Final Approach). The friendly skies are anything but in these expertly crafted novels of suspense set in the cutthroat world of the airline industry, now available in one volume. In Hard Landing—called "an edge-of-your-seat thriller that sweeps you up and carries you along for the ride" by Lisa Gardner—Alex Shanahan takes over Majestic Airlines at Logan International Airport, and discovers that her predecessor's mysterious death may not have been suicide. In Parts Unknown, black market airplane parts put countless lives at risk, including Alex's. In the "action-filled" First Class Killing, Alex goes undercover as a flight attendant to bust up a mile-high prostitution ring (The Boston Globe). And in The Pandora Key, a very cold case heats up, and puts Alex in the crosshairs of the Russian mob, as acclaimed author Lynne Hinton brings "the whole shebang to a taut, satisfying conclusion" (Publishers Weekly).

This is a story of Geri Hogg a danish widow who left her home in Ireland and tried to migrate to Nova Scotia. The second day out her ship, a brig sailing ship, was overwhelmed by a late winter storm. She helped save the boat and left the ship when they made land in Bermuda. There she developed her own business and found a new life with Luke McGinty. The story covers a period of one hundred and fifty years.

A landmark autobiography and the definite account from a member of America's most heralded family. As a young man, Edward M Kennedy played a key role in the presidential campaign of his brother, John F. Kennedy. In 1962, he was elected to the U.S. Senate, where he learned how to become an effective legislator. His life was marked by tragedy and perseverance; he writes movingly of his brothers and his years of struggle in the wake of their deaths; his marriage to Victoria, the woman who changed his life and his role in the major events of our time from civil rights, Vietnam and Watergate to the quest for peace in Northern Ireland.
