A Modern Guide to Integrated Marketing Communications Integrated Advertising, Promotion, and Marketing Communications speaks to an evolved definition of integrated marketing and teaches students (of marketing or otherwise) how to effectively communicate in the business world. This text covers advertising and promotions, but also the role of social media, blogs, mobile messaging, and other marketing tactics. As marketing has evolved to include more stealth approaches, so has the text. To help students retain ideas, each chapter includes tools that allow them to apply concepts to real-life situations. The new Seventh Edition includes end-of-chapter blog exercises; links to articles, videos and social media; and new interviews with advertising professionals. Plus, with MyMarketingLab, students have access to interactive tools to help guide them through the entire promotional process. Also available with MyMarketingLab MyMarketingLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

The integrated marketing communications perspective, (the theme of the text), catapults the reader into the business practices of the 21st century.

ADVERTISING AND INTEGRATED BRAND PROMOTION, FOURTH EDITION is highly visual and provides an integrated learning experience for the student. The new edition continues the tradition of delivering a solid understanding of advertising strategy, through a clearly written text as well as through the most contemporary ads. The table of contents follows the same process

as an advertising agency. Like other aspects of business, good advertising is the result of hard work and careful planning. The new edition of Advertising and Integrated Brand Promotion illustrates how to best accomplish this.

Finely focused on the "how to" and "why" throughout, this strategy guide provides specific tactical guidelines for planning, building, measuring, and managing brand equity. This approach considers why brands are important, what they represent to consumers, and what should be done by firms to manage them properly.

This book is an up-to-date resource that shows students how to achieve their marketing objectives through a campaign that coordinates marketing, advertising, and promotion. It provides essential information about planning, implementing, and assessing a comprehensive marketing plan to help students appreciate integrated marketing communications as a business strategy. The author describes the processes and considerations needed to appeal to consumers, identifying how geographic segmentation, timing, competitive environments, and cost contribute to planning. He considers the integration of digital technology, such as social media platforms and mobile apps, and how these can be used for advertising, sales promotion, and public relations. The book's concise, easy to read explanation of marketing components and their interconnected relationships is solidified by a series of visual summaries as well as examples and useful demonstrations. Students are given the opportunity to prepare their own integrated marketing communication plan based on consumer, product, and market research along with original creative materials and media spreadsheets. Students of marketing communication, advertising and promotion, and digital marketing will love this book's abbreviated, but thorough format. An interactive companion website rounds out a stellar set of features that encourage quick understanding, participation, and utilization of IMC concepts.
