Die Kindheit der siebenjährigen Raami endet jäh, als die Roten Khmer in Kambodscha die Macht übernehmen und sämtliche Bewohner aus der Hauptstadt vertreiben. Die behütete Welt der Adelsfamilie bricht zusammen. Das Mädchen und ihre Angehörigen erleben die Grausamkeit der neuen Machthaber, aber auch die unermessliche Großzügigkeit der Menschen draußen auf dem weiten Land. Aus der Perspektive eines fantasiebegabten Mädchens, das unbeirrbar und mutig an seinen Träumen festhält, erzählt Vaddey Ratner eine unfassbare Lebensgeschichte, die auch die ihre ist.

This book provides an authoritative account of the first significant overseas diplomatic missions and forays made by Indian civil servants. It recounts the key events in the formative decades of Indian foreign policy and looks at the prominent figures who were at the centre of this decisive period of change. The book explores the history and evolution of the civil and foreign services in India during the last leg of British rule and the following era of post-independence Nehruvian politics. Rich in archival material, it looks at official files, correspondences and diaries documenting the terms served by the pioneers of Indian diplomacy, Girja Shankar Bajpai, K.P.S. Menon and Subimal Dutt, in Africa, China, the USSR and other countries and their relationship with the Indian political leadership. The book also analyses and pieces together the activities,

strategies, worldviews and contributions of the first administrators and diplomats who shaped India's approach to foreign policy and its relationship with other political powers. An essential read for researchers and academics, this book will be a useful resource for students of international relations, foreign policy, political science and modern Indian history, especially those interested in the history of Indian foreign affairs. It will also be of great use to general readers who are interested in the history of politics and diplomacy in India and South Asia.

popular media as well as in academic literature. Drawing from the latest developments in South Asian literary studies, this book examines the uses of postcolonial theory in understanding the structural transformations enabled by post-9/11 discourses of Orientalism and terrorism; the internal contradictions between South Asian approaches to postcolonialism (Subaltern Studies) and its European adaptations; and the resistance produced by the indigenization of local literary traditions in the work of select South Asian literary figures. The three sub-sections—"discourses," "disjunctures," and "indigenisms"—provide the conceptual space necessary for a thematic guidance of the respective arguments presented in this book. This book will be useful to scholars specializing in South Asian studies, Indian English Literature, Postcolonial Studies, Sociology, and Political Science.

Biography of Bhaurao Patil, 1887-1959, an educationist of Maharashtra, India.

This book is devoted to the study of the bilingual "parallel poems" of Ludwig Strauss (Aachen 1892 ? Jerusalem 1953) created between 1934 and 1952 in Palestine/Israel and which exist in two variants, a Hebrew and a German version, one of which is the original and the other a self-translation. The aim of this study is to compare the versions and their interpretation based on Strauss's theoretical essays on poetry and translation, his political writings and

works of literary criticism. Special attention is paid to Strauss's concept (linked with the idea of messianic redemption) of poetry as a "fore-image" of a future true community of men and as "the earthly expression of the Absolute" directed at interpreting divine revelation and its "translation" into human language. In examining Strauss's experiments with self-translation, by which he aimed at establishing a dialogue between languages, and between people and nations, this study considers the two processes of translation: from divine speech into human language and from one human language into another.

Both were gifts-the rarest of the rare- offered by India to mankind. For these gifts, humanity will remain in perpetual debt which cannot be redeemed merely by paying homage by different means but by allowing these luminaries to affect us, catalyze us, help us remove all callousness, and sensitize us towards a new spiritual level of consciousness. The great Masters brought before humanity, for the first time, the most efficacious and practical methods of understanding ultimate verities and application of such verities/truths in their practical day-to-day life. The contribution of both the masters in the field of personal development and especially in the case of education of children is ideal for all nations. Both Swami Vivekananda and Paramahansa Yogananda were great masters of humanity. No, ordinary man,

surely, is worthy of this spiritual title. But now and then there appears on earth one of the noble lineages of God-realized souls to carry out the plans of Divinity and establish righteousness on earth. Vivekananda's work prepared the ground in America and planted the seeds of Eastern spiritual values. These seeds were to be nurtured by another spiritual giant from India, Paramahansa Yogananda (1893-1952).

Oceania has a rich and growing literary tradition. The imaginative literature that emerged in the 1960s often reflected the forms and structures of European literature, though the ideas expressed were typically anticolonial. After three decades, the literature of Oceania has become much more complex, in terms of style as well as content; and authors write in a multiplicity of styles and voices. While the written literature of Oceania is continuously gaining more critical attention, questions about the imposition of European literary standards and values as a further extension of colonialism in the Pacific have become a central issue. This book is a detailed survey of the expanding amount of critical and interpretive material written about the imaginative literature of authors from Oceania. It focuses on commentary and

scholarship concerned with the poetry, fiction, and drama written in English by indigenous peoples of the Pacific Islands, New Zealand, and Australia. The criticisms have appeared in academic books and journals since the mid-1960s. They have developed to the point at which critical issues, related to decolonization and the expression of ideas without having to first satisfy foreign expectations, often determine the direction of such discussions. Entries are grouped in topical chapters, and each entry includes an extensive annotation. An introductory essay summarizes the evolution of Pacific literature. This informative, fun-to-read guide takes the reader on a tour of the fifty trees of Banyan Drive in Hilo, Hawaii. Each tree is accompanied by a story of the amazing person who planted it. Princesses, movie stars, famous athletes, explorers, presidents and more - they lived in an era when Hilo, and the world, was on the brink of monumental change. The book includes a map and short history of the Waiakea Peninsula, including Liliu`okalani Gardens, Coconut Island (Moku`ola), Reed's Bay, the Hilo Breakwater and Kanakea, the Ice Pond.

According to the CDC "about one in six, or about 15%, of children aged 3 through 17 years have one or more developmental disabilities," such as ADHD, autism spectrum disorders, cerebral palsy, intellectual disability, and learning disability.

Intellectual disorders are characterized by significant limitations in both intellectual functioning and in adaptive behavior, which covers many everyday

social and practical skills, impacting learning, reasoning, problem solving, and other cognitive processes. These disabilities originate before the age of 18 and continue across the life span.

Developmental disorders are chronic disabilities that can be cognitive or physical or both. The disabilities appear before the age of 22 and are likely to progress across the lifespan. Some developmental disorders are largely physical issues, such as cerebral palsy or epilepsy. Some individuals may have a disorder that includes a physical and intellectual disability; for example, Down syndrome or fetal alcohol syndrome. Intellectual and developmental disorders are significant and growing issues that are studied across a number of disciplines. The SAGE Encyclopedia of Intellectual and Developmental Disorders is aimed at students interested in psychology, counseling, education, social work, psychiatry, health sciences, and more. This encyclopedia will provide an in-depth look at a wide range of disorders, alongside interventions, the latest research translated for an undergraduate audience, historical context, and assessment tools for higher-level students. We will take a truly interdisciplinary approach by also covering sociocultural viewpoints, policy implications, educational applications, ethical issues, and more. »Die Wurzeln des Lebens« ist ein großer epischer Roman, der unseren Platz in der Welt neu vermisst - ausgezeichnet mit dem Pulitzer Preis 2019 für Literatur In Richard Powers Erzählwelt ist alles miteinander verknüpft. Die Menschen sind miteinander verwurzelt wie ein Wald. Sie bilden eine Familie aus Freunden, die sich zum Schutz der Bäume zusammenfinden: der Sohn von Siedlern, die unter dem letzten der ausgestorbenen Kastanienbäume Amerikas lebten; eine junge Frau, deren Vater aus China eine Maulbeere mitbrachte; ein Soldat, der im freien Fall von einem Feigenbaum aufgefangen wurde; und die unvergessliche Patricia Westerfjord, die als Botanikerin die Kommunikation der Bäume entdeckte. Sie alle tun sich zusammen, um die ältesten Mammutbäume zu retten – und geraten in eine Spirale von Politik und Gewalt, die nicht nur ihr Leben, sondern auch unsere Welt bedroht. »Wäre Powers ein amerikanischer Autor des 19. Jahrhunderts, welcher wäre er? Wahrscheinlich Herman Melville mit ›Moby Dick‹. Seine Leinwand ist so groß.« Margaret Atwood

Tonight shows, and tramp in New York's Central Park, Erik Hazelhoff's compelling autobiography offers a dramatic insight into his truly extraordinary life. Born in Java in 1917, Dutchman Erik hitch-hiked and rode the freights across the USA in the 1930's, then wrote his first best seller, 'Rendezvous in San Francisco'. As a law student at Leiden University when World War 2 broke out, he escaped to England but returned as an undercover agent for MI6, the British Secret Service. He later received the Dutch equivalent of the Medal of Honor, and served as aide to Queen Wilhelmina of the Netherlands upon her return from England. Erik's postwar life was no less turbulent and spanned the globe. From sales clerk and actor in Hollywood to Director of Radio Free Europe, to oil prospector in Israel, he finally came to rest on the Big Island of Hawaii. In the words of acclaimed author Len Deighton, "Erik has lived a hundred lives." Aboriginal approaches to the naming of places across Australia differ radically from the official introduced Anglo-Australian system. However, many of these earlier names have been incorporated into contemporary nomenclature, with considerable reinterpretations of their function and form. Recently, state jurisdictions have encouraged the adoption of a greater number of Indigenous names, sometimes alongside the accepted Anglo-Australian terms, around Sydney Harbour, for example. In some cases, the use of an introduced name, such as Gove, has been contested by local Indigenous people. The 19 studies brought together in this book present an overview of current issues involving Indigenous placenames across the whole of Australia, drawing on the disciplines of geography, linguistics, history, and anthropology. They include meticulous studies of historical records, and perspectives stemming from contemporary Indigenous communities. The book includes a wealth of documentary information on some 400 specific placenames, including those of Sydney Harbour, the Blue Mountains, Canberra, western Victoria, the Lake Eyre district, the Victoria River District, and southwestern Cape York Peninsula.

focusing in particular on neglected socially marginal groups and geographic areas which have hitherto tended to be unrepresented in studies of this cataclysmic event in British imperial and Indian historiography. Documents of the Indian Uprising (Volume 7) is a source book that provides samples from rare documents unearthed in the course of extensive research conducted during the Mutiny at the Margins project. Both a research tool and a teaching resource, it employs images and texts to offer a unique range of primary sources relating to the 1857 uprising, its aftermath and legacies. Emphasising subaltern and marginal perspectives, it is designed to complement the previous six volumes of the series.

Die Pilgerreise wird auch weiterhin zu den Klassikern der christlichen Literatur zählen. Das Werk beschreibt auf allegorische Weise, den Weg eines Menschen, der zum christlichen Glauben kommt und zu der himmlischen Stadt pilgert. Der Weg dorthin ist nicht leicht und es gibt einige Gefahren und Hindernisse zu überwinden. Der Christ begegnet auf dem Weg unterschiedlichen Personen, die für die Herausforderungen des christlichen Lebens stehen. Mit Gottes Unterstützung kann er seinen Weg immer wieder fortsetzen. Der zweite Teil des Buches beschreibt den Weg einer Pilgerin.

With over four million copies in print, Paramahansa Yogananda's autobiography has served as a gateway into yoga and alternative spirituality for North American practitioners since 1946. Balancing traditional yoga, metaphysical spirituality, and a flair for the stage, Yogananda inspired countless people to practice Yogoda, his own brand of yoga. His method combined the spiritual and superhuman aspirations of Indian traditions with the health-oriented sensibilities of Western practice. Because the Yogoda program does not rely on recognizable postures and poses, it

has remained under the radar of yoga scholarship. Biography of a Yogi examines Yogananda's career and Yogoda in the wider context of the development of yoga in the twentieth century. Focusing on Yogis during this early period of transnational popularization, Foxen highlights the continuities in the concept of the Yogi as superhuman and traces the transformation of yoga from a holistic and spiritual practice to its present-day postural practice.
