This is a brand new book that provides comprehensive yet concise coverage of all the topics and disciplines covered in the new AQA 8552 Design and Technology (9-1) specification, written and presented in a way that is accessible to teenagers and easy to teach from. It will be invaluable both as a course text and as a revision guide for students nearing the end of their course. It is divided into neat sections covering every element of the specification. Sections 5A to 5F of the textbook cover each of the six specialist technical areas. These sections would complement practical classroom experience. Solutions to all questions and exercises are provided in a free teacher pack available on our website. To accompany this textbook, PG Online also publishes a series of 12 downloadable teaching units. Each topic in a unit consists of a PowerPoint presentation, teacher's notes, worksheets, homework sheets and a final assessment test with practice questions. Each topic within a unit is expected to be taught over several lessons in a week. Units are sold as a lifetime site licence and may be loaded onto the school's private network or VLE.

Exam Board: AQA Level & Subject: GCSE Biology First teaching: September 2016 First exams: June 2018 AQA approved GCSE Science is changing and AQA GCSE (9-1) Biology from Collins has been developed to embed the skills your students need to

succeed in all three assessment objectives, while providing a clear and supportive route through the new, more challenging GCSE content. \* Each spread starts with language and ideas at a lower level and increases in complexity, engaging students of all ability levels \* Key concept spreads highlight knowledge that students must grasp before they can move on \* Dedicated pages on analysing, interpreting and evaluating all the required practicals, so students are fully prepared for the indirect assessment. \* Maths activities at the appropriate level are embedded throughout, along with Maths skills pages that focus on developing the skills needed for each topic \* Prepare students for the demands of the new specification with differentiated questions, worked examples and lots of opportunities to practice \* Co-teach both Foundation and Higher tier with a single book (the Higher-only content is clearly flagged).

Now updated for 2020 to more closely reflect the latest AQA exam question format and wording. A student-friendly and engaging resource for the 2016 AQA GCSE Geography specification. This Student Book motivates students with accessible content and up-to-date case studies, while retaining a rigorous approach, and has been approved by AQA.

This Norman England c1066-c1100 Revision Guide Kindle edition is part of the popular Oxford AQA GCSE History series. Written by our original author team to match the new AQA specification, this guide covers exactly what your students require to succeed in the Paper 2 Norman British Depth Study exams. - Recap key events with clear visual diagrams and brief points - Apply knowledge with targeted revision activities that tests basic comprehension, then apply understanding towards exam-style questions - Review and track revision with progress checklists, suggested activity answers and Exam Practice sections - Step-by-step exam guidance based on the popular 'How to' student book feature - Examiner Tip features most up-to-date expert advice and identifies common exam mistakes - Boost student confidence on all AQA GCSE Norman question types with revision activities such as Interpretation Analysis and Historic Environment - Perfect for use alongside the Student Book and Kerboodle, or as a stand-alone resource for independent revision. This revision guide helps your students Recap, Apply, and Review their way towards exam success.

The GCSE 9-1 Geography AQA Revision Guide is the most student-friendly revision resource for the 2016 AQA GCSE Geography (9-1) specification - written specially to target the demands of revising for linear exams for the first time. Accessible, clear and thorough, this revision guide engages all your students. Each Student Book topic is condensed into interesting, relevant single-page examples. Clearly-written objectives open each page, setting out for students what they need to revise, using high-quality photos, maps and diagrams to aid retention of key geographical processes and information. Motivating revision activities and a focus on all aspects of the exam reinforce the guide's rigour. The guide also features revision checklists and a full glossary of terms.

Building on the Oxford AQA GCSE Religious Studies Student Books, this Revision Guide offers a structured approach to revising for the new 9-1 exams. 1. RECAP: key content from the Student Book is condensed and re-presented in simple visual styles to make content memorable and help retention. 2. APPLY: students actively apply the content they have just revised to build the knowledge and evaluative skills needed for the exams. 3. REVIEW: regular opportunities to practice exam questions and review answers direct students to pinpoint any areas of weakness in knowledge or exam skills, identifying where they'll need to concentrate their efforts for further revision. This Revision Guide is ideal for students combining Christianity and Hinduism. With all the essential content condensed and made memorable, and plenty of exam practice, tips and annotated sample answers, students can confidently prepare for their new exams.
