Robert A. Slade, after collecting old fishing tackle since 1958 and contributing articles on old fishing lures for a collector magazine for several years started researching and writing books in the 1990's. He published the HISTORY & COLLECTIBLE FISHING TACKLE OF WISCONSIN in 1999 which sold 4,500 copies. Bob realized that even though there have been many books published on the subject of old fishing lures that few books covered any detailed history on the old lure makers. His latest book writing project was nine years in the making and covers over 100 years of lure making history starting in 1875 and covers over 2,500 lures makers throughout all of North America. THE ENCYCLOPEDIA OF OLD FISHING LURES MADE IN NORTH AMERICA is the first publication with extensive history and patent information on old lure makers and the first to include extensive coverage on Canadian lure makers. The author traveled to 11 states and 3 Canadian Provinces visiting collectors homes, newspaper archives, museums and other sources and has taken over 10,000 pictures in preparing the historical stories for these books. The set of books arranges for the individual and company lures makers to appear in alphabetical order. People purchasing these books can buy any one single book, a whole set, or even a book a month if they desire as the books will be printed and shipped on demand. Each book has over 400 pages of text, pictures and collector values with each book containing a table of contents and index as well as a master index for the complete set of books.

In *Confessions of a Bad Mother*, Stephanie described how she brought up her children 'wrong'. Now she unlocks her singular inability (but one which secretly we all share) to grow up: forty-five last birthday but she doesn't feel any older, but of course she does – as in deaf, stiffer, and less able to read the dosage instructions on a bottle of Calpol. But the supposedly normal challenges of human existence feel frequently as though they are beyond her. Life is constantly confusing, frustrating and, at times, overwhelming. At forty-five – but only on paper - she's still a child in a suit, bluffing her way with one eye looking over her shoulder, expecting any minute to be found out and taken back to the nursery. Of course, that isn't such a bad place to be. Sometimes she even wants to go back there, but is cruelly aware that she no longer fits the chairs. Also featuring *Things to Cook in Stilettos When You're Drunk*, *Why I am a Time Lord*, *A Hundred Ways to Wreck an Evening*, *Ten Things They Don't Tell You in Biology* and *The Grown-Ups'* phrase book, Stephanie Calman's candid, touching and hysterically funny new book gives hope to bad mothers and failed grown-ups everywhere: read it and know that you are not alone.

from their children. But Terese remembered her mother telling her to run to the boss whenever she heard him whistling. The boss hid her throughout the farm on many occasions after she came running to him. She remembered when she and her baby brother, Wladek, were taken away from their mother, and also when she was separated from him never to see his face again. Every day, Terese would cry for her mother. And every day, she'd see monsters instead. When the Allies liberated Poland, Terese was not expected to survive, but the scent of an orange marked a turning point in her journey one that led her and her parents to a new life in Australia.

Das Fremde in seinen facettenreichen Erscheinungsformen als historisch, genealogisch, intra- und interkulturell, als nah und fern Fremdes, als Fremdes im Vertrauten und Vertrautes im Fremden, als Fremdes in Gestalt von diversen Problematiken (sog. Dritte Welt-Problematik, Minoritäten- bzw.

Ausländerproblematiken, Adoleszenzproblematik, Multikulturalitäts- und Hybriditätsproblematik) war bislang lediglich desultorisch Gegenstand der Forschung zur deutschsprachigen Kinder- und Jugendliteratur, gleichermaßen wie die diversen Reaktionen auf das Fremdkulturelle: Entdeckung, Aneignung, Ausgrenzung, Akzeptanz. Es mangelt nach wie vor an historisch-systematischen Untersuchungen, die den Zeitraum vom letzten Drittel des 18. Jahrhunderts bis zur Gegenwart erfassen. Zumindest für den Zeitraum von 1945 bis zur Gegenwart versucht die vorliegende Studie das bestehende Desiderat zu beseitigen.

From Ariel to the current craze for Sirens, mermaids have captivated our imaginations. But what's true and what's fairy tale? For centuries, mermaids have appeared in the folklore of cultures from around the world, including the Near East, Europe, Asia, and Africa. And Disney made everyone want to dive under the sea with Ariel when the movie *The Little Mermaid* hit theaters in 1989. But what are mermaid stories based on? Many myths say these creatures are half human and half fish, while others claim they are simply manatees mistaken for something more magical. Some grant wishes and fall in love, yet others have lured sailors to their doom. Although we can't say for sure where the tales of these elusive figures first originated, author Sarah Laskow separates the fact from the fiction. This full-color, fully illustrated book tells you all you need to know about the myths, science, and history that surround mermaids.

An epic family drama, shot through with dark humour, *The Last Days of a Reluctant Tyrant* tells the tragic story of a family disintegrating, having lost its moral values. Arina is an ambitious woman. As a servant girl she marries into the degenerative family she works for; her ruthless energy saves it from bankruptcy and she expands the family estate into an 'empire'. As matriarch she rules with an iron hand, her avarice insatiable, until she questions what it is all for. She slackens her hold and loses her power to the hypocrisy and relentless grasping of her 'chosen son'. Inspired by *The Golovlyov Family* by Mikhail Saltykov-Shchedrin, *The Last Days of a Reluctant Tyrant* is a haunting new work from leading Irish dramatist Tom Murphy, who has worked closely with the Abbey Theatre throughout his career. The play premiered at the Abbey Theatre, Ireland, on 3 June 2009.
