From the author of "Apprentice Warrior" comes a story of the odds a special breed of men faced when air battle first came of age. In this story David Harrison surmounts these odds to meet the two great tests of battle: leaving home to search for his warrior self and his struggle to return home after he finds it.

The papers deal with scientific, mathematical, theological, and philosophical questions, including discussions of such topics as the proper foundation of metaphysics, the form of inference, the nature of love and marriage, and the role of the university in the modern world.

Teaching Religious Education Creatively offers a brand new approach for the primary classroom and is crammed full of innovative ideas for bringing the teaching of RE to life. It helps teachers understand what constitutes a healthy curriculum that will encourage children to appreciate and understand different belief systems. Perhaps most importantly, it also challenges teachers to understand RE as a transformatory subject that offers children the tools to be discerning, to work out their own beliefs and answer puzzling questions. Underpinned by the latest research and theory and with contemporary, cutting-edge practice at the forefront, expert authors emphasise creative thinking strategies and teaching creatively. Key topics explored include: What is creative teaching and learning? Why is it important to teach creatively and teach for creativity? What is Religious Education? Why is it important for children to learn 'about' and 'from'
