

Clep Human Growth And Development Study Guide

"You can't go very far these days without a college degree." Is this how you feel? Do you face limited employment opportunities - have your special dreams been dashed - because you lack the college diploma that can pave the way to a successful career? Do you believe a degree could or would have made the difference in your life? Do you think that achieving a college degree is impossible for someone your age, with your income, and with your family or work responsibilities? If you answered yes to any of these questions, Getting a College Degree Fast can help you reach your goals by outlining the steps you can take right now to obtain a quality degree at any school. By showing you how to take advantage of available accredited short cuts and testing programs - with credits accepted at many of the finest schools in the country - Dr. Joanne Aber will be your guide to "testing connections" to unlimited possibilities.

The College Level Examination Program (CLEP) enables students to demonstrate college-level achievement and earn college credit in various subject areas based on knowledge acquired through self-study, high school and adult courses, or through professional means. The CLEP Human Growth and Development Passbook(R) prepares you by sharpening knowledge of the skills and concepts necessary to succeed on the upcoming exam and the college courses that follow. It provides a series of informational texts as well as hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: behavioral and cognitive development; biological development; family and society; personality and emotions; and more.

Peterson's Master the Humanities CLEP Test thoroughly prepares you for the CLEP Humanities exam that assesses your general knowledge of literature, music, art, and architecture. You will start your preparation with a 50-question pre-test, which is followed by answer explanations for each question. Then there are review sections for each subject, accompanied by glossaries of relevant terminology and pictures of famous structures and paintings. This is followed by practice questions to help you retain the information you have reviewed. Your preparation is completed by taking a 50-question post-test, which also comes with detailed answer explanations.

CLEP Human Growth & Development, 10th Ed., Book + Online Research & Education Assoc.

Testing out of college courses using programs like the College Level Examination Program (CLEP) can provide students with college credit for subjects that they have not studied on a college campus but have mastered by other means (independent study, on-the-job training, and previous coursework) and it will save time and money. But how will a student know if this approach is right for them? This guide is intended to answer that question for students who are interested in taking CLEP's Human Growth and Development exam. It provides general information on the CLEP program along with suggestions on how to preparing for the exam. There is a subject breakdown of Human Growth and Development, the topics that will be covered and a list of online resources which can be used to study or review these topics. There are two practice tests; each is structured like the official exam with 90 multiple choice questions. Each practice test comes with an answer key and an explanation section on the reason why each answer is the right one.
