On 19 May 2014, as seventeen-year-old Reshma Qureshi left home for the examination centre, everything happened in a flash. The men rushed towards her. Grabbed her. Tugged at her hair. Poured acid on her face. Soon she started to burn like a living corpse. The acid ate through her skin and aimed for her bones, but it could not quell the fire in her heart. Rising from tragedy and suffering, Reshma soon made global headlines by becoming the first acid-attack survivor to walk the runway at the New York Fashion Week. Now an international anti-acid-sale activist, vlogger, model, and the face of Make Love Not Scars, Reshma works tirelessly towards empowering other acid-attack survivors like herself and has become a beacon of hope for millions. Inspiring and life-affirming, Being Reshma is the extraordinary story of this young girl from the slums of Mumbai, who overcame insurmountable odds in an unjust world and dared to change it.

Sehnsucht nach Stille - wie Christopher Knight 27 Jahre in der Wildnis lebte. Im Sommer 1986 begibt sich Christopher Knight auf einen Roadtrip von Massachusetts nach Maine und verschwindet in den Wäldern. 27 Jahre lang bleibt er dort, abgeschieden von der Welt, ohne menschlichen Kontakt, bis er wegen Diebstahls gefasst wird: Er hatte Essen geklaut. In einem einfachen Zelt überlebte Knight die härtesten Winter, weil er klug wie ein Eichhörnchen Vorräte gebunkert und alles darauf ausgerichtet hatte, nicht zu erfrieren. In den nahegelegenen Ferienhäusern versorgte er sich mit Lebensmitteln, Kleidung und Büchern und verstörte als unheimliches Phantom die Bewohner von North Pond. Der

Journalist Michael Finkel hat das außergewöhnliche Leben des Chris Knight dokumentiert. Entstanden ist eine fesselnde Story, die den fundamentalen Fragen über ein gutes Leben nachgeht und das tief bewegende Porträt eines Mannes hinterlässt, der sich seinen Traum erfüllte: ein Leben in absoluter Stille.

Is it fair to compare the lifestyle and choices of the current generation with that of the older generation? Should we seek specific, quantified results in our daily life or just aim to seek quality and happiness in all that we do? Can a blind practice, miscued as devotion, overrule discipline? Get insights into all these and more in this delightful account of Mohan Rao's journey of self-discovery and learning. Reflections is an inspiring tale of the evolution of an ordinary man. The book is a purposeful recollection of the various turning points in Rao's life and the people who left a lasting impression on him. Particularly interesting are Rao's travel tales across the world and his brush with bureaucracy. Replete with interesting anecdotes, everlasting memories and powerful words of wisdom, Reflections makes you pause and ponder over the wonder that is life. "...quite reminiscent of the style and pace of the 'Malgudi Days.' Small incidents strung together without a plot into a nice story." -Mohan Sundaram, Vice President- The Association of People with Disability. "Reflections by S Mohan Rao is a book which captures a life lived with integrity, with purpose and with caring. In effect, a life lived well. Through his journey, Mohan also records the learnings from his work and personal experiences. These are useful for many who traverse life's journey as they will also encounter similar challenges, opportunities and dilemmas. My favourite lines from Reflections are "Don't we meet God everywhere, all the time? In the face of an innocent child, in nature, and in our parents' benevolent nature, as they give everything to their loved ones with no expectations?" This positive attitude of looking for the best in our fellow humans and in our surroundings shines through in Mohan's Reflections" -Ashok Soota | Executive Chairman |Happiest Minds Technologies.

"Travel agent has become an integral part of the world's fastest growing travel and tourism industry. A large percentage of all international and domestic travel is arranged by travel agents. The scope and functions of a modern travel agency have increased manifold over the years. The present book The Business of Travel Agency and Tour Operations Management explains the various concepts of travel agency operations in a systematic manner and makes it easier for not only students of tourism management but also working professionals to comprehend the subject. Since customer relation is key to the success of travel agency business, the book explains the need for understanding and retaining the customers as it is easier to retain loyal customers than to make new ones. This book contains some additional features including key terms, comprehensive outline of as many concepts as possible, references and bibliography. HELPING YOU INVEST YOUR MONEY MOST PROFITABLY It's not easy to make the right investment decisions. First of all, there are so many investment avenues, each promising different returns and carrying different risks. To add further complexity, there is the fact that different investments are treated differently by the taxman; some attracting higher taxes, others enjoying tax concessions — and the tax laws keep changing all the time. Moreover, each person has his or her own unique financial needs and risk profile. What is tonic for one may prove to be poison for another. Equally, new avenues and instruments of investment keep arising and old ones setting on the horizons of the wonderland of investment. Some of the existing bright stars may suddenly become black holes. The interest rates have a habit of bobbing up and down. This will surely need a change in your portfolio mix. The bestselling book is packed with a wealth of investment information and guidance about the various investment avenues, their risks and profitability, and their tax implications. Not just that. Based on their 40-plus years of investment advisory expertise, the authors offer those rare insights that will truly help you invest your money most profitably.
