For additional information, or to make your request, contact your Account Specialist or visit <http://go.jblearning.com/JBCM>.

The responsibilities associated with emergency services dispatching dictate that the initial employment period be utilized to the fullest in order to provide valid job-related training and objective evaluations based on professional expectations and articulated standards demanded of the dispatcher position. This guide has been developed with this concept in mind. It has been designed to ensure valid comprehensive training as well as objective evaluation of new dispatchers. During the preparation of this guide, it was, of course, recognized that many dispatchers perform public safety duties including fire and medical services. This guide focuses
