Business Communication: Process and Product takes students through a well-developed, consistently applied process approach to communication and combines it with integrated, hands-on application of current and emerging business technologies. Students learn a process for solving future communication problems, and how to use Internet and electronic media to deliver their message, resulting in a tangible communication strategy they can use throughout their careers. In addition, the text provides ample products of that process in the form of business document examples.

Business Communication: Process and Product introduces a unique teaching/learning package that solves a major problem for instructors and students today. It provides the atmosphere of an exciting real-life business environment for business communication -- without sacrificing sound pedagogy. This means that students experience the enrichment of real people and real business situations while at the same time learning a hands-on process that they can carry with them to apply long after they leave the classroom...Business Communication: Process and Product takes students inside some of the countryUs best-run and most respected organizations, such as Liz Claiborne, Ben & JerryUs, American Airlines, Bank of America, and Walt Disney Imagineering. More importantly, though, it balances this exposure with a well-developed and consistently applied process approach to communication. Students need more than real business settings in which to frame their learning. They need a process that outlines specific steps to follow in solving future communication problems, a tangible strategy they can apply in their careers. In addition to a process, we provide ample products of that process.

With an emphasis on written and oral communication skills in our technologically enhanced workplace, the ninth Canadian edition of Essentials of Business Communication is designed to help students gain confidence in their communication skills, better preparing them for both their academic career and beyond. Our complete learning package is supported by three components: a textbook, an integrated workbook, and MindTap, our online digital platform. Within our complete solution, we provide students with the instruction and guidance to understand how important and necessary strong communication skills are for success in one's career. Using real-life business examples, we bring the instruction to life and allow students to immerse themselves in an experiential learning environment. For instructors, we have a well-developed and curated site of additional resources that are built to support any course using our learning resources.
