With the widespread interest in digital entertainment and the advances in the technologies of computer graphics, multimedia and virtual reality technologies, a new area—“Edutainment”—has been accepted as a union of education and computer entertainment. Edutainment is recognized as an effective way of learning through a medium, such as a computer, software, games or VR applications, that both educates and entertains. The Edutainment conference series was established and followed as a

special event for the new interests in e-learning and digital entertainment. The main purpose of Edutainment conferences is the discussion, presentation, and information exchange of scientific and technological developments in the new community. The Edutainment conference series is a very interesting opportunity for researchers, engineers and graduate students who wish to communicate at these international annual events. The conference series includes plenary invited talks, workshops, tutorials, paper presentation tracks and panel discussions. The Edutainment conference series was initiated in Hangzhou, China in 2006. Following the success of the first event (Edutainment 2006 in Hangzhou, China) and the second one (Edutainment 2007 in Hong Kong, China), Edutainment 2008 was held June 25–27, 2007 in Nanjing, China. This year, we received 219 submissions from 26 different countries and regions, including United Arab Emirates, Canada, Thailand, New Zealand, Austria, Turkey, Germany, Switzerland, Brazil, Cuba, Australia, Hong Kong (China), Pakistan, Mexico, Czech Republic, USA, Malaysia, Italy, Spain, France, UK, The Netherlands, Taiwan (China), Japan, South Korea, and China.

documents results in a string of horrific and gruesome murders. The community learns the hard way that words written on paper can cause blood to freely flow. Paper can cut a community. The sheriff and his investigators work tirelessly trying to unravel the mystery. Is there corruption within the defense industrial base? Are drug dealers infiltrating their community? Why are terrorists coming to their sleepy, safe community? The cops are in constant danger as they try and learn why those documents are causing so much death. No one is safe. There is a motive behind the murders. The cops are not superheroes and must learn the true motive. It's a motive that is more common and much more sinister than most Americans realize.

Tired of the clichés often trotted out about craft, Perri Lewis makes it her task to bring the world of making into the 21st century. In *Material World*, Perri enlists the help of luminaries from the worlds of art, craft, design and fashion to share their knowledge and advice. Among these include Rob Ryan, Emma Bridgewater, Grayson Perry, Philip Treacy, Tatty Devine, Topshop and Tracey Emin. Instead of just giving the reader individual projects, you can learn the techniques for crafts such as paper-cutting, dress-making, printing, encrusting, leather work and tailoring. However, if you prefer more guidance, there are 15 projects to make, including *découpage* shoes, a patchwork Louis chair and a printed scarf. With the compiled words of wisdom of these experts, and Perri's own timeless advice, you'll be up and running with scissors in no time.
