Just fifteen years ago, “pet sitter” meant the kid down the street who helped feed pets when the neighbors traveled. Today, this fledgling field is fast becoming an established profession. Combining the appeal of working with animals, a viable customer base, and truly low start-up costs, it is for many people the ideal home-based business. And yet its “fun” aspects are often overshadowed by the daunting tasks of registering the business, purchasing insurance, and knowing what first steps to take and how to continue from there. With a simple, step-by-step format, How to Start a Home-Based Pet Sitting Business guides aspiring pet sitters from the dreaming stage to the doing stage more clearly and comprehensively than any such book to date.

From a \$250,000 fête for a seven-year-old Florida girl, complete with helicopter rides, to \$100,000 first birthday parties as reported in the New York Times, this is rapidly becoming the gilded age of children's birthday parties. The cost of these events now averages between \$200 and \$400, fueled by pressure to “keep up with the Joneses.” Couple this surge in interest with the fact that births in the United States have

exceeded 4 million each year since 2000, and you have a waiting and growing market. Planning such events has become a profession in itself. More and more, parents are turning to event consultants to plan their children's celebrations. If you've dreamed of your own home business, planned parties for your own children, and want to put your creative ideas to work, this book is for you. Packed with organizing tips, guidelines, checklists, and more, *How to Start a Home-Based Children's Birthday Party Business* will help you hit the ground running. A large number of people today dream of starting something of their own and wish that they did not have to utilize their capabilities while making money for someone else. If you are one of the above, then this book could be the end of your search. The first few concerns while you start something of your own are the right choice of business and the associated investment requirement. This book places a full stop to your search for lucrative business that you can start from your home with low costs. It lists down more than 30 businesses that can give you good returns and can be operated from the comfort of your home. If you look around yourself, surely you will find a friend or a relative or a friend's friend or your neighbor pursuing their hobby as a business (full time or part time) and most of which will be home based. And are you, on the other hand, still struggling with the choice of business? Has that made you feel left out or indecisive or unconfident? The correct choice of business is an extremely essential step in the process of 'being your own boss'. The book 'Money Making Business Ideas- You Can Start from Home with Low Costs' discusses in detail all the vital steps and concerns of operating a business from home like why your chosen business will work, what is the business model, how will you generate money from it, What can you sell, How will you market your business and what are the raw materials/machinery required. After gathering the above mentioned details of a business, the decision of choosing an appropriate one will no longer be a cumbersome process. This book is designed to help you climb the ladder of success by being your own boss and essentially qualifies as an entrepreneurial tool for anyone who wishes to be self-employed and doesn't have the desired knowledge to go ahead. A growing number of housewives today are willing to work in order to bring in additional money in their households and make a mark for themselves. And working from home is their first preferable choice for earning their identity. A large number of home makers are turning on their entrepreneurial caps and are in a constant search for home based business that can help them fulfill their goals and desires. This book aims at equipping such people with the required knowledge and motivation to start something of their own by sharing the concerns, decisions and choices involved in the process. Once you have made the choice of your business, it helps you to understand the ways in which you can source the capital required and the ways you can operate your small venture. After reading this book, the dilemma surrounding the decision to go solo will be cleared up and you will be all equipped to take on the battle with a shining armor.

This book looks at the basics of starting a home business. Many people think making running a business at home is difficult and do not dare to try. Well, running a business is possible. Why is running a business better than any other J.O.B.? Having a home business is different from all other jobs in that making money is a full-time job. There are several reasons for this, but the top reasons are the following: 1) The internet is worldwide. 2) The internet never sleeps. 3) Running an online business requires no employee (YOU). Imagine having a business that was within walking distance of your home in the world. And it makes no sense for you to work with anyone else having to be there. This means you will make money while you are sleeping and vacation while you are vacationing.
