Pedro Perfecto, arquitecto pertenece a una colección de álbumes ilustrados centrada en la tendencia «S.T.E.M» (Ciencias, Tecnología, Ingeniería y Matemáticas) para niños. Con su espíritu creativo, perseverante y curioso, Pedro inspirará sin duda a los jóvenes lectores para que sigan sus propias pasiones. El joven Pedro Perfecto es arquitecto desde que tenía dos años: construyó una gran torre con pegamento y los pañales que se encontró tirados. Algunos niños construyen castillos de arena. Otros hacen pasteles de barro. Y otros levantan grandes torres de bloques. Pero ninguno construye mejor que Pedro Perfecto, que esculpió ¡una réplica a escala real de la Gran Esfinge en su jardín! Es una pena que poca gente aprecie el talento de Pedro -en especial su maestra de segundo, la señorita Lila Greer. Todo apunta a que Pedro tendrá que cambiar la escuadra por una caja de lápices de colores... hasta que una fatídica excursión mostrará lo práctico que puede llegar a ser un maestro constructor.

In a three-story house with a shop down below, lived the worlds finest hat maker, Madame Chapeau. Like the Lady herself, all her hats were refined. Brilliantly singular. One of a kind. So begins the tale of a lonely hat maker who matches customers to the perfect hat but lacks her own perfect match in life. Once a year, on her birthday, Madame Chapeau ventures out in her favorite bonnet to dinner. This time, a crow snatches her hat and flies away. Mon dieu! As she chases the crow through the streets of Paris, a baker, a policeman, a cowboy, and others offer her their own hats to wear. None of them are quite right,

though, until one special little girl offers her a hat "knitted with love and [her] best birthday wish." From the bestselling team behind *Iggy Peck, Architect* and *Rosie Revere, Engineer* comes this delightful and very stylish story about love, community, and friendship, with some fancy hats thrown in for good measure. Praise for *Happy Birthday, Madame Chapeau* "Beaty carries the bounces and lilts to the very last page. Roberts' colorful, exaggerated hats (many of which are modeled on real designs) whimsically adorn the multicultural Parisian public."
