A powerful vampire lost deep in his bloodlust, Snow is a savage animal, mindless with rage and a thirst for violence, and trapped with no hope of awakening from an endless nightmare... until a song draws him up from the abyss, restoring his sanity but leaving him haunted by the sweet feminine scent of lilies and snow, and fragmented familiar lyrics. When the mysterious and beautiful songstress reappears in Snow's room at Vampirerotique, she awakens a fierce protective streak and stirs dark desires that drive him to claim her as his female, even when he knows his touch will destroy her innocence. A single forbidden taste is all it takes to unleash emotions in Aurora that she shouldn't possess, tearing her between duty and desire, and luring her into surrendering to her wildfire passion and embracing hungers that burn so hotly they threaten to consume them both. One act of kindness can lead to one thousand acts of sin though, each a black mark against the bearer's soul and another grain of sand that slips through an hourglass. The clock is ticking and time is almost up. Can beauty save the beast? London Vampires is the hottest vampire series you'll read this year, so grab your copy now!
