It's the kind of house widowed real estate agent Genevieve Gale once dreamed about for herself. Instead she handpicked it for the Roarks, a married couple. But by the time handsome millionaire Marshall Roark moved in, he was a widower. And when he sought comfort in Genevieve's arms, she offered him everything she had, expecting nothing in return. Even after discovering she was expecting his child. Marshall immediately proposed marriage—out of obligation, she was sure. And though she didn't want him to "have to" marry her, she did long to say yes. To the man she now loved. And to turn the house she'd coveted into the home she longed for.

Self-proclaimed nobody CG Silverman sees her move to an upscale new school as her chance to be somebody different. Her devil-may-care attitude attracts the in-clique, and before CG realizes it, a routine game of truth or dare launches her to iconic status. While this rebel image helps secure CG's newfound popularity, it also propels her through a maze of unprecedented chaos, with each new lie and every dare opening doors that, in most cases, were better off left shut. CG is on a collision course with disaster. Will she be able to keep up the façade? Or will the whole world find out she's a fraud?

Voted most likely to marry... Will they finally have the chance? Dr. Dexter Chamblisse always has a plan. He just hadn't planned on an ER reunion with his high school

sweetheart, Maura! She may work in his hospital, but Dex has tried to keep his distance. He can't bear to be reminded of the tragic accident that tore them apart. But it's getting harder to ignore the sparks still flying between them... Could this be their second-chance Christmas? From Harlequin Medical: Life and love in the world of modern medicine.

"Chemistry so electric it flies off the page."—RT Book Reviews 4 stars for *Caught Up in a Cowboy* What will this cowboy risk for love? Colt James is back home on the family ranch, and he's done taking risks. A car accident ruined his shot at a professional hockey career and messed up his love life, and he's not taking a chance on anything that seems too good to be true. Especially not on Chloe Bishop, his nephew's irresistibly charming teacher and the one woman he can't stop thinking about. Chloe Bishop liked her life the way it was—orderly, structured and safe. Life goes from managed to messy when Colt talks her into helping him coach a hockey team of rowdy eight-year-olds. Being this close to the cowboy she's crushing on is dangerous territory. But when a real enemy threatens Chloe, Colt will do anything to protect her. Even if it means risking himself—and his heart. *Cowboys of Creedence* series: *Caught Up in a Cowboy* (Book 1) *You Had Me at Cowboy* (Book 2) *It Started With a Cowboy* (Book 3) Praise for *Caught Up in a Cowboy*: "Funny, complicated, and irresistible. S.H.I.P.S. (Successful and Healthy Interactions through Prayer and Supplication) How many times have you heard women complaining about their crazy friendships and relationships with other women? Well, I know I am definitely one of the women who complain about my friendships and relationships with other women. I have to admit that my interactions with other women have not been the best, but not all of them were bad. The reason for the book S.H.I.P.S. (Successful and Healthy Interactions through Prayer and Supplication) is to help other women build healthy relationships and friendships with other women. This book talks about many different types of women I have

encountered in my life. I talk about many types, from the selfish all the way to the comforting. This book includes short stories and ends with Bible scriptures you can reference when dealing with certain types of women—or even reference for yourself—in the word of God. The purpose of this book is for women to become the Christian women that God called them to be. Join me in my S.H.I.P.S. movement.

Britain: a few years from now... A new populist political party has won the recent general election. Duncan Jones, freelance political journalist and blogger, loses his weekly column at a national newspaper and turns to investigative reporting. The chance remark of a friend leads him to suspect that the Russians are directing the new British government's policies and decisions. As he visits Moscow and Ukraine to discover more, scandal follows intrigue, dark forces attempt to silence him by whatever means possible and he turns to an unlikely ally for help. *A Friend in Deed* is a fast-paced political thriller set in an all-too-believable near future. It is a timely reminder of how the power of the internet can be harnessed to undermine the political and personal freedoms we take for granted. It is also the story of how one man confronts the traumas in his past and works out how to resolve them.

This story is about a girl who lost a crucial part of her life at a very early age. The problems faced by her have made her story worthy of inspiring others. This story is about the troubling chapters that occur in the journey of life, for reasons that may seem unknown at that certain point of time. This story is about the power that destiny gives

Why don't we feel the moment when we fall in love but always remember when it ends? Akash is young, single and conservative with a preference for girls with brains than in miniskirts. One day, he runs into free-spirited Aleesha at a local discotheque. A mass-media student, Aleesha is a pampered brat, the only child of her parents who dote on her. This brief meeting leads them to exchange their BlackBerry PINs and they begin chatting regularly. As BlackBerry plays cupid, they fall in love. When they hit a rough patch in their life, Aditya, Akash's close pal, guides them through it. But just when they are about to take their relationship to the next level, a sudden misfortune strikes. Can Aditya bring Akash's derailed life back on track? *It Started with a Friend Request* is a true story which will make you believe in love like never before.

In almost 40 per cent of households in North America, dogs are kept as companion animals. Dogs may be man's best friends, but what are humans to dogs? If these animals' loyalty and unconditional love have won our hearts, why do we so often view closely related wild canids, such as foxes, wolves, and coyotes, as pests, predatory killers, and demons? *Re-examining the complexity and contradictions of human attitudes towards these animals, Dog's Best Friend?* looks at how our relationships with canids have shaped and also been transformed by different political and economic contexts. Journeying from ancient Greek and Roman societies to Japan's Edo period to eighteenth-century England, essays explore how dogs are welcomed as family, consumed in Asian food markets, and used in Western laboratories. Contributors provide glimpses of the lives of street dogs and humans in Bali, India, Taiwan, and Turkey and illuminate historical and current interactions in Western societies. The book delves into the fantasies and fears that play out in stereotypes of coyotes and wolves, while also

acknowledging that events such as the Wolf Howl in Canada's Algonquin Park indicate the emergence of new popular perspectives on canids. Questioning where canids belong, how they should be treated, and what rights they should have, *Dog's Best Friend?* reconsiders the concept of justice and whether it can be extended beyond the limit of the human species. Sixteen-year-old Tatum Elsea is settling in for the worst summer on record. After she's unfairly implicated in one of her best friend's ideas gone awry, Tatum's stepmother places her under virtual house arrest. But to Tatum's surprise, her summer doesn't turn out to be all bad. And things really begin to look up when she starts her own graphic design business and meets a cello-playing client, Seamus. If Tatum is reading his emails right, Seamus is funny, smart, and talented—and he seems to think the same about her. Too bad he's spending his summer across the ocean in Ireland...not that Tatum would be allowed to go on a date anyway. But over the course of the summer, Tatum will learn that sometimes going after what you want means breaking the rules. In the process, she'll discover things about her friends, her family, and herself that she never could have guessed. And when Seamus turns out to be closer than she thought, she might just get a perfect kiss in the bargain. A modern play on the Cinderella story arc, Christina June's *It Started with Good-bye* will appeal to fans of Sarah Dessen, Stephanie Perkins, and Jennifer E. Smith.

Moving stories of life in a country enduring an ongoing crisis Seven years after the deadliest earthquake in the history of the Western Hemisphere struck Haiti, the island nation remains in crisis, all but ignored by the international community. At the center of this crisis is Laval—"The City" in Kreyol, as Port-au-Prince is known to Haitians—the cultural, political, and economic capital of Haiti and home to over 2.5 million resilient souls. This immersive and engrossing oral

history collection gives voice to the continuing struggle of Haitian people to live, love and prosper while trying to rebuild their city and country after disasters both natural and man-made. AMONG THE NARRATORS: Juslene, who moved to Port-au-Prince as a child for educational opportunities but was instead forced to work as a restavek—an unpaid servant—and who maintains unwavering hope despite the loss of her family when the city was destroyed. Johnny and Denis, a teacher and his younger brother, who spent years hustling for work and looking out for each other in one of the city's sprawling post-earthquake tent camps. Lamothe, a wry and well-read expert on Haiti's clean water crisis, who is one of the many Port-au-Prince citizens dedicated to rebuilding his city and nation.

Der neue Liebes-Roman der Bestseller-Autorin Anna Bell. „Auf dich war ich nicht vorbereitet“ ist lustig, romantisch und nicht kitschig. Also genau das Richtige für alle Fans von Mhairi McFarlane, Petra Hülsmann und Liebes-Komödien im allgemeinen. Haben Sie schon einmal daran gedacht, auf Handy, Facebook, Instagram und Twitter zu verzichten? Also eine Digital Detox, eine digitale Diät, zu machen? Genau dies tut Daisy, die Protagonistin in Anna Bells neuer romantischer Liebe-Komödie – allerdings gegen ihren Willen. Denn die Londonerin Daisy liebt nichts so sehr wie ihre Social-Media-Kanäle und ist in jeder freien Sekunde online. Ihre Facebook-Fassade strahlt in perfektem Glanz. Und auch auf der Arbeit ist sie ununterbrochen online und für jedermann erreichbar – bis sie erschöpfungsbedingt zusammenbricht. Daisys Schwester Rosie beschließt, dass es nun endgültig reicht und verfrachtet Daisy kurzerhand aufs Land. Dort soll sie fernab von WLAN und Handynetze einen Digital-Entzug machen. Obwohl Daisy anfangs einiges versucht, um online zu gehen, gefällt ihr das Landleben immer besser. Und als der schweigsame Nachbar Jack beginnt, ihr kurze

It is well known that body image has been associated to health risks related to eating habits. However, to what extent do identity categories, everyday social interaction and common discourses affect our preoccupations and sufferings related to body image in contemporary society, and our coordinated ways of

confronting them? In *Body Image as an Everyday Problematic*, Diaz seeks to offer a comprehensive perspective on body image as an everyday problematic, grounded on verbal accounts of biographic experience. The main body of the book unfolds through five analyses: (1) a framework for how persons are categorized on the grounds of their beauty, weight, or physical appeal; with reference to heterosexual and friendship relations; (2) how men position themselves with respect to culturally provided images of beautiful women in relation to their heterosexual partners; (3) biographic processes through which people locate problems with the body, confront them and interpret them after some time; (4) the role of mothers in providing help across different kinds of problems; and (5) the experiences and contradictions of caring for relatives or partners who suffer for their body image. Indeed, these five analytical threads together compose a structured and rich understanding of the meaningful social order that lies at the core of our everyday preoccupations with the body. Challenging conventional psychological theories of body image, this enlightening volume will appeal to postgraduate students and postdoctoral researchers interested in fields such as Gender Studies, Clinical Psychology and Sociology. A WASHINGTON POST NOTABLE WORK OF NON-FICTION A SPECTATOR BOOK OF THE YEAR 'Meticulous, clinical and sobering, a shockingly important

and incisive book' David Olusoga Vast and revelatory, Dan Gretton's I You We Them is an unprecedented study of the perpetrators of crimes against humanity: the 'desk killers' who ordered and directed some of the worst atrocities of the modern era. From Albert Speer's complicity in Nazi barbarism to cases of ecocide and the deaths of activists, Gretton shines a light on the figures 'who, by giving orders, use paper or a phone or a computer to kill, instead of a gun.' Over the past twenty years, Gretton has interviewed survivors and perpetrators, and pored over archives and thousands of pages of testimony. His remarkable insight into the psychology of the desk killers is deepened by the intimate journey he travels with his readers.

Imaginary friend Budo narrates this heartwarming story of love, loyalty, and the power of the imagination—the perfect read for anyone who has ever had a friend . . . real or otherwise Budo is lucky as imaginary friends go. He's been alive for more than five years, which is positively ancient in the world of imaginary friends. But Budo feels his age, and thinks constantly of the day when eight-year-old Max Delaney will stop believing in him. When that happens, Budo will disappear. Max

is different from other children. Some people say that he has Asperger's Syndrome, but most just say he's "on the spectrum." None of this matters to Budo, who loves Max and is charged with protecting him from the class bully, from awkward situations in the cafeteria, and even in the bathroom stalls. But he can't protect Max from Mrs. Patterson, the woman who works with Max in the Learning Center and who believes that she alone is qualified to care for this young boy. When Mrs. Patterson does the unthinkable and kidnaps Max, it is up to Budo and a team of imaginary friends to save him—and Budo must ultimately decide which is more important: Max's happiness or Budo's very existence. Narrated by Budo, a character with a unique ability to have a foot in many worlds—imaginary, real, child, and adult—*Memoirs of an Imaginary Friend* touches on the truths of life, love, and friendship as it races to a heartwarming . . . and heartbreaking conclusion.

I felt I had been placed in the center of something that was alive, pulsating with life. I knew God had placed me there and that he was in control. As I stood there sobbing, I felt something the consistency of liquid being poured over my head again and again. It ran down the entire length of my body. My knees buckled and I fell to the floor from the weight of it. With each pour I felt a love for my father that was so big and powerful that I actually felt my body would burst. This was not a natural love; it was far greater. As this "liquid" was being poured upon me, I became aware of a powerful presence in the room. Then I heard the Lord say to me, "I had to anoint you so that you could feel just a little of the love I have for your father."

This book is one mans attempt to make peace with a world that was on the brink of mutually agreed upon destruction. He chose a bicycle as his medium of expression and named it Friend. His intent was to go from California and head east until going to The Soviet Union. He wanted to meet Soviets and show others that they were alright. He made it as far as East Germany but was not allowed travel any farther east. From there the traveling cyclist heads for the Mediterranean and the Middle East. And then onward around the world. He ran out of money after one year of traveling. He traveled across large continents like Australi and China and circumvented the Philippines, Taiwan, South Korea and Japan. In all he comes away with a world experience and a new way of looking at the planet.

Since this book is written from a family's viewpoint into substance abuse, the reader cannot help~ but feel the pain and see the tears a family lives through when one of their loved ones is chemical dependent. While the main focus is on the drug addict, another touching and helpful feature, is the unmasking of the torments of the addict's parents and siblings.

I Am God (and So Are You, My Friend): A Common Man's Guide to Oneness is a book that presents itself at an extremely urgent time for our race (the human race). As the walls of separation, hatred, and divisiveness become more apparent with each passing day, it becomes obvious that traditional methods for peace have not worked. Oneness is the state of being completely united with one and all. It is our inherent nature that our society has grown away from due to many things, but mainly our ego. The only way back to living in peace is through the unity that oneness represents. This book explains how our society got to this boiling point of separation through our own collective consciousness (yes, our world is in this shape from our own doing). And the only way to reverse that current collective consciousness is through oneness. This book not only proves how we are connected at our very core but it also gives examples of how understanding oneness changes your life immediately, which in turn effects our world collectively.

Women need other women for more than just superficial friendship. There is a deep desire for both conversation and connection that resonates in the soul of women. But with so much impersonal communication over email and cell phones, many women find themselves lacking the nourishment, encouragement and rejuvenation that face-to-face unhurried conversations offer. In *The Friendship Factor*, Brenda Poinsett explores the needs women have to connect conversationally for life enrichment, stress reduction and cooperative efforts such as ministries and missions and puts them into bite-size nuggets that can be shared over lunch by friends.

Only one coffee shop likely can survive, and a competition of one-upmanship ensues in a battle of the brews. The paws really come out when the local rescue shelter has a fundraiser where local businesses foster dogs, and patrons vote with their dollars for their favorite pup. Harper takes in an adorable old bulldog on behalf of Deja Brew, while Jonah fosters a perky three-legged dachshund for Lucky Star. As the excitement builds for who will be crowned King Mutt and king of the coffee hill, Harper and Jonah must decide if their connection was all steam or if they are the perfect blend.

It isn't puppy love. But when one night leads to babies on the way, is a forever family far behind? Animal rescue director Rebekah Taylor isn't a pet person—or the family type. But now she's pregnant and a newbie parent to an adventure-loving stray dog nobody can catch. Kind of like Grant Whitaker, the fancy-free tech consultant who's not your typical daddy-to-be. Except this dude's sticking around. Can Grant persuade Rebekah to trust in him and the future they've started creating together?
