job opportunities. Be prepared for any job interview. Learn how to negotiate your job offers to receive top dollar. With cartoons, quotations, and sarcasm, Corporate Climbing entertains as it dispenses sound advice. Read it straight through, or use it as a reference book. It's designed to help you climb the corporate ladder. It can also help you to cope and to survive on those days when escaping seems a better idea than climbing. In the corporate world, the most competent worker does not always get the greatest reward. Corporate Climbing helps you with the other P's after productivity - power, polish, politics, and planning. If you think it is not fair that the other P's can be so important, you are probably still living by the rules of the education culture. You are not there anymore. You immigrated to a new world. To succeed, you must know the language, customs, costumes, and taboos. Must you embrace them? Must you play the games? Not always, but you cannot act like they don't exist and expect to succeed. Corporate Climbing is the ultimate travel guide for that alien place known as Corporate America. At graduation, it should be handed out with the diploma. PARRISH NELSON HIRASAKI has succeeded as an engineer, executive, and entrepreneur. In the first years of her career, she played a key role in the Apollo 13 rescue, and in the most recent, she was Operations Lead of the Space Shuttle Damage Assessment Team. During the three decades in between, she held many management positions for Fortune 500 companies including U.S. General Manager and Director of Sales for North America. She founded a successful industrial distribution company and retired from it to become a business speaker, columnist, and stand-up comedienne. Corporate Climbing is this phenomenal woman's excellent down-to-earth advice to those wishing to advance in corporate America. She entertains and amuses as she pares the business world down to the things that matter

as much, and often more, than doing a good job.

Because many recruiters, hiring managers and HR managers spread myths, misconceptions and sometimes, downright lies, "Job Hunting Secrets" was written to tell job seekers the truth about successfully landing work in the 21st century. "JHS" is the first job hunting book written by a former job seeker. As a five-time job search veteran, I've walked in your shoes. Here's what others say about my writing, These suggestions are solid advice for jobseekers - and for all of us. Lynn Prinz, Assistant Director, Indiana University Southeast - Career Development Center Simple and Powerful - well spoken, Clark. Jason Singer, Experis Executive Recruiter Well said. Excellent advice from start to finish. Bryan Holup MBA, MLHR, Sr. Human Resources Manager Even though the content is presented very simply, the book is extremely thorough. It not only addresses the self-defeating mentalities job seekers can trip over, and how to shift to a mindset of success, it covers things you don't know that you don't know, right down to the small details that can hurt your job search success. You can tell the author has walked a mile, or five, in a job seeker's shoes because this book truly thinks of everything, right down to questions you should ask, how to write and quantify achievement stories, resume samples, handling tricky questions, why you should leave your address off your resume, avoiding rejection by applicant tracking systems, and much more. I thought I'd heard it all but picked up interesting tips for my own career clients. Kristin A. Sherry, Career Coach

Job hunting is a job in itself. But too many books are aimed at helping career no-hopers get into a job – any job. This book is aimed at helping ambitious high fliers to, well, fly even higher. It will make sure you get the right job and maintain upward momentum in your career. The book helps you to understand the product – ie, you – that is on offer. What are your strengths and weaknesses, achievements and the kind of career that you should be chasing? It then helps you to scope the job market (investigating jobs, using the grapevine, building a profile with headhunters). It lays out the practical rules for shining at interviews (learning the secrets of the “three Cs” – competence, chemistry and capacity for growth) and sealing the deal (ensuring you pick the right job offer for you and negotiating a package).

Job Search Sucks! If you are looking for work, will be looking for work, or have given up on the whole job hunting experience, you will know how true that is. But, if you want work, you gotta do the job search thing, so why not get a laugh or two and some great advice along the way? Read it all? Heard it all? Don't be so sure. Being fired is a horrible experience. A layoff may sound less brutal, but in reality it's just a firing in camouflage; you are still being given the boot, only with benefits (sometimes). Just as crappy is having to reenter the workforce after an accident or illness has shattered your confidence, maybe even stolen your ability to do a job you loved and were good at. Or you have just graduated and have no clue what you really want to do with your life or who is going to hire you without experience. Whatever your story, the fact is, some horrific, brutal, or crappy event has forced you to look for work. You just might find a new idea or two in this frank and funny look at what we all know to be true Job Search Sucks!

Before you start your Internet job-hunt, there are some things
