

## **Karen Huffman Psychology In Action 8th Edition**

In this revision, Karen Huffman has built on what this text does well: pedagogy, guiding the student, facilitating the art & science of teaching & learning, technology, active learning, gender and culture. In addition, this revision focuses on updating the neuroscience and biology (ie the science) since these are the areas that are most rapidly changing the face of psychology.

Work more effectively and gauge your progress along the way! This Study Guide that accompanies Huffman's Psychology in Action, 7th Edition, is carefully designed to help you, the student, learn the most important material in your textbook (in the shortest possible time), to improve your performance on quizzes and exams, and ultimately to help you achieve the highest grade possible in your first introduction to psychology course. The guide is coordinated with the text, and is divided into seven major sections: Chapter Outlines, Learning Objectives, Key Terms, Active Learning Exercises, Chapter Overview, Self-Tests, and Answers. A new edition of the enormously popular introduction that makes learning psychology an active, hands-on experience! Psychology in Action, 7th Edition helps readers examine their own personal studying and learning styles and apply what they are learning to their everyday lives, while offering ongoing

study tips and psychological techniques for mastering the material. Most importantly, readers are provided with numerous opportunities to immediately assess their understanding. This text has become the acknowledged leader of active learning and student success.

Provides coverage of gender and cultural diversity. This book includes support material including crossword puzzles, matching exercises, and fill in the blank exercises following each modular. It features spiral bound workbook format. Keeping up-to-date with the rapidly changing field of psychology can be overwhelming. In the new eighth edition, Huffman engages readers by showing how the latest concepts and theories are applied in their everyday lives. She follows a modular approach to the study of psychology, providing ongoing study tips and psychological techniques for mastering the material. This approach motivates the reader while quickly expanding their understanding of the subject. Psychology in Action, Loose-Leaf Print Companion John Wiley & Sons Psychology in Action, 12e is a comprehensive introductory Psychology product that fosters active learning and provides a wealth of tools that empower students to master and make connections between the key concepts. Students will leave the classroom with a solid foundation in basic psychology that will serve them in their daily lives no matter what their chosen field of study and career path.
