

Keel And Rudder Design Eric W Sponberg

Henderson gives a complete history of bluewater solo sailing. He describes the gear, boats, rigs, and techniques that have worked, with emphasis on recent technology developments. He also tells the stories of those crazy, fascinating sailors who have shown us the way.

This is an indispensable resource for anyone considering the purchase of a new boat, or the maintenance and repair of an old one. It lists over 500 builders, by state and province, and alphabetically lists 200 designers. Covers the US and Canada, published in 1994.

"Volume 1 -- on-the-water manual remains unchanged for rapid reference underway. It survived the test of time in endless sailing worlds on one, two, and three hulls"--Back cover note.

Mix these in random proportions: a cold-blooded killer on the run; a wedding reception; a late-night phone call; and an eight-thousand-mile, storm-fraught ocean voyage. Cry with Brandy in her loneliness and struggle with Mark Braverman to survive in the face of overwhelming adversities. Tender romance and bone-chilling adventure combine in a memorable adventure on the high seas.

LIFE Magazine is the treasured photographic magazine that
