This all boils down to the same thing, you want something from the Creative Energy and you can't seem to get it. The question is why? What are you not doing? The Law of Attraction has been a wildly popular topic for scores of "self-help" authors, motivational speakers, and New Age thinkers. But it's often been a source of frustration for readers who can't quite seem to make the Law of Attraction work for them. Witches know that we can use the focused energy of our thoughts to bring about the healing of illness, more loving relationships, financial prosperity, and the accomplishment of long-held goals and dreams. But there is much more to it than simply thinking about what you want. The Law of Attraction is actually part of a larger framework for understanding how the Universe works. It's one of a set of laws, and our knowledge of them has been handed down to us over several centuries. This guide is an introduction to the Law of Attraction from a Witch's point of view, but you don't have to be a Witch in order to gain plenty of insights here. The information is intended for Witches and non-Witches alike. In fact, you don't have to be "religious" or "spiritual" at all to work with the Law of Attraction. But you do have to have an open mind, and accept that what you've been taught about the nature of reality is incomplete. This is the crucial starting point. Foundations in Manifestation: The Law of Attraction in Practical Magic If you've been curious, yet skeptical, about magic, this book provides the framework you need for understanding how it works. On the flip side, if you're a practicing Witch with experience in magic, but haven't quite grasped the full picture of the Law of Attraction, this book will clarify it for you. But whether or not you ever intend to try any magic, the concepts and suggested practices presented here can get you a long way toward making your goals a reality. You'll discover: The ancient roots of our current knowledge about the Law of Attraction How new discoveries in quantum physics support our understanding of this Universal law Common misconceptions and FAQs about the Law of Attraction How your own thought patterns hold you back and how to change them A step-by-step breakdown of how the Law of Attraction figures into magical work A few spells aimed directly at making the Law of Attraction work for you The principles inherent to magic and Witchcraft can be very useful for understanding how to create positive change using the Law of Attraction. In her first book, Susan Lee bridges the Law of Attraction with God's plan. Secular teachings of the law of attraction focus only on efforts from within and universe manifestation as the paths to financial freedom and a fulfilled life. God's Law of Attraction demonstrates that Christians too can have life purpose, goals, accomplishment; and yes, financial abundance—without guilt or materialism taking over. In God's Law of Attraction, Susan uses numerous Bible story themes to demonstrate God's genuine interest in providing a rich and fulfilling life for his children. Then, she applies how God's Law of Attraction works in our lives daily—whether we recognize its divine origins or not. Susan's interpretations of the stories result in a series of God-given steps that you can use every day to live your walk with God and enjoy life and its many gifts. Specifically, you will discover how to: Live in true abundance without guilt because God wants you to succeed! Find joy in your relationships again by releasing negative vibrations that have hurt in the past Use the Natural Law God Himself put in place to help us set goals and achieve them Trust in God on a new and exciting level Apply five steps: ask, believe, act, allow and receive to achieve God's best! “Finally a book that recognizes the law of attraction as God's and provides real world guidance, as well as tools, to assist Christians in asking for and recognizing God's blessings.” — Carol Bills “Made me look at the law of attraction differently. I especially appreciated the tips and strategies for how to carry out the 5 steps (Ask, Believe, Act, Allow, Receive) effectively.” — Anonymous

THE Universe is governed by Law - one great Law. Its manifestations are multiform, but viewed from the Ultimate there is but one Law. We are familiar with some of its manifestations, but are almost totally ignorant of certain others. Still we are learning a little more every day - the veil is being gradually lifted. We speak learnedly of the Law of Gravitation, but ignore that equally wonderful manifestation, THE LAW OF ATTRACTION IN THE THOUGHT WORLD. We are familiar with that wonderful manifestation of Law which draws and holds together the atoms of which matter is composed - we recognize the power of the law that attracts bodies to the earth, that holds the circling worlds in their places, but we close our eyes to the mighty law that draws to us the things we desire or fear, that makes or mars our lives. When we come to see that Thought is a force - a manifestation of energy - having a magnet-like power of attraction, we will begin to understand the why and wherefore of many things that have heretofore seemed dark to us. There is no study that will so well repay the student for his time and trouble as the study of the workings of this mighty law of the world of Thought - the Law of Attraction.

This book will help you joyously be. do. or have anything that you desire! Excerpt: THE Universe is governed by Law - one great Law. Its manifestations are multiform, but viewed from the Ultimate there is but one Law. We are familiar with some of its manifestations, but are almost totally ignorant of certain others. Still we are learning a little more every day - the veil is being gradually lifted. We speak learnedly of the Law of Gravitation, but ignore that equally wonderful manifestation, THE LAW OF ATTRACTION IN THE THOUGHT WORLD. We are familiar with that wonderful manifestation of Law which draws and holds together the atoms of which matter is composed - we recognize the power of the law that attracts bodies to the earth, that holds the circling worlds in their places, but we close our eyes to the mighty law that draws to us the things we desire or fear, that makes or mars our lives. When we come to see that Thought is a force - a manifestation of energy - having a magnet-like power of attraction, we will begin to understand the why and wherefore of many things that have heretofore seemed dark to us. There is no study that will so well repay the student for his time and trouble as the study of the workings of this mighty law of the world of Thought - the Law of Attraction. When we think we send out vibrations of a fine ethereal substance, which are as real as the vibrations manifesting light, heat, electricity, magnetism. That these vibrations are not evident to our five senses is no proof that they do not exist. A powerful magnet will send out vibrations and exert a force sufficient to attract to itself a piece of steel weighing a hundred pounds, but we can neither see, taste, smell, hear nor feel the mighty force. These thought vibrations, likewise, cannot be seen, tasted, smelled, heard nor felt in the ordinary way; although it is true there are on record cases of persons peculiarly sensitive to psychic impressions who have perceived powerful thought-waves, and very many of us can testify that we have distinctly felt the thought vibrations of others, both whilst in the presence of the sender and at a distance. Telepathy and its kindred phenomena are not idle dreams.

The Law of Attraction is the most powerful law in the universe. Just like gravity, it is always in effect, always in motion. It is working in your life at this very moment. In the amazing game of life, we select our personality, our difficulties, our techniques, and our rewards. Once you have awakened to your manifestation capabilities, you will start to think that this whole living on earth thing is actually a game ... A game that you control a game which just by doing a few simple task you can control your own destiny and have the life you truly want. This book uncovers a revolutionary discovery hidden in old spiritual scriptures. Whatever you want already exists in the invisible, and you already possess it in the form of energy. Happiness, money, love, and peace. If you know you already have it, and if you believe in this, when you ask for it you will receive it in our physical reality. As above, so below. In our physical world this translated to: Receive, Believe and Ask. The Law of Attraction works for you similarly to the way magnet works. It pulls together things that are on the same frequency with you and it repels things that are on a different frequency with you. The pairs of opposites are competing to win the Game. You either experience abundance or you experience lack; you either possess something or you do not. Are you winning the Game? Check out this book to find out.
