

Level 2 Health And Social Care Diploma Candidate Book 3rd Edition Work Based Learning L2 Health Social Care

This CACHE-endorsed textbook presents all the mandatory elements of the qualification, as well as three popular optional units, in an easy-to-understand format. It also extends learning with specially created features designed to encourage students to explore each topic further. In this book you'll find: - Clearly outlined specific learning outcomes for each unit with 'Check Your Understanding' short questions to test knowledge - 'Key Terms' that highlight and clarify relevant important terms - 'Command Words' included to give guidance on the what the command words in the mark scheme are asking for - 'Case Scenarios' that contextualise knowledge and ask further questions Activities throughout asking students to explain, describe, evaluate and discuss - 'Read About It' suggestions for further topic-related reading The optional units covered in this book are: HSC O3: Creative activities in health and social care HSC O9: Mental health and well-being HSC O10: Nutrition for health and social care

This work covers all four mandatory units and eleven of the optional units, so learners have enough for the ward, certificate, and diploma. Practice assignments and assessment guidance will also help learners to achieve their potential in internally assessed units.

British Vocational Qualifications is an indispensable reference for careers advisors, human resource managers, employers, teachers and students, featuring up-to-date information on over 3,500 vocational qualifications available in the United Kingdom. These include Vocational Qualifications (VQs), National Vocational Qualifications (NVQs), Scottish Vocational Qualifications (SVQs), Related Vocational Qualifications (RVQs) and apprenticeships. The directory also covers the latest developments within the fast-changing field of vocational qualifications, and details of awarding, examining and validating bodies. British Vocational Qualifications is a simple guide for anyone who needs to understand vocational education, whether researching what is available, verifying a qualification for legal purposes, or reviewing where best to study for them.

Providing mapping to the Common Induction Standards, this book features legislation and references to regulations where appropriate so that candidates and assessors have the information on frameworks related to the health and social care sector. It also includes information on the movements and trends in health and social care.
