"Suffused with her inimitable word play and stunning intelligence, and embodying a balance of mysticism and critical theory, Daly's clarion call to uncover the quintessence of the universe is quite an intriguing tune." -On the Issues

A collection of nine madcap stories following the wayfaring translator and amateur sleuth Cassandra Reilly around the globe in search of her next great mystery Lesbian translator and part-time detective Cassandra Reilly has two thrilling investigations under her belt: the case of a missing person in Barcelona and that of a dead spa-owner in Transylvania. In this humorous and engrossing collection, Cassandra is hard at work in some of the world's most picturesque locales, including Maui, the English moors, and the Icelandic coast. Among the vast assortment of misdeeds she's called upon to investigate—most of which take place within the literary world—Cassandra finds ample opportunity to exercise her trademark wit and eye for irony. From "Murder at the International Feminist Book Fair," in which the exploits of a mudslinging women's magazine lead to a death on the floor of the convention, to "An Expatriate Death," about a local Mexican writer who appropriates Cassandra's identity for a character in his novel—and then promptly kills off the character—*The Death of a Much-Travelled Woman* is another showcase of the intrepid translator's zest not only for globetrotting, but for wandering smack into the middle of the most unusual crimes. *The Death of a Much-Travelled Woman* is the third book in the Cassandra Reilly Mystery series, which begins with *Gaudí Afternoon and Trouble in Transylvania*, and concludes with *The Case of the Orphaned Bassoonists*.

The English literary canon is haunted by the figure of the lost woman writer. In our own age, she has been a powerful stimulus for the rediscovery of works written by women. But as Jennifer Summit argues, "the lost woman writer" also served as an evocative symbol during the very formation of an English literary tradition from the fourteenth through the sixteenth centuries. *Lost Property* traces the representation of women writers from Margery Kempe and Christine de Pizan to Elizabeth I and Mary Queen of Scots, exploring how the woman writer became a focal point for emerging theories of literature and authorship in English precisely because of her perceived alienation from tradition. Through original archival research and readings of key literary texts, Summit writes a new history of the woman writer that reflects the impact of such developments as the introduction of printing, the Reformation, and the rise of the English court as a literary center. A major rethinking of the place of women writers in the histories of books, authorship, and canon-formation, *Lost Property* demonstrates that, rather than being an unimaginable anomaly, the idea of the woman writer played a key role in the invention of English literature.

The #1 New York Times bestselling author of *Women Food and God* maps a path to meeting one of our greatest challenges-how we deal with money. When Geneen Roth and her husband lost their life savings in the Bernard Madoff debacle, Roth joined the millions of Americans dealing with financial turbulence, uncertainty, and abrupt reversals in their expectations. The resulting shock was the catalyst for her to explore how women's habits and behaviors around money-as with food-can lead to exactly the situations they most want to avoid. Roth identified her own unconscious choices: binge shopping followed by periods of budgetary self-deprivation, "treating" herself in ways that ultimately failed to sustain, and using money as a substitute for love, among others. As she examined the deep sources of these habits, she faced the hard truth about where her "self-protective" financial decisions had led. With irreverent humor and hard-won wisdom, she offers provocative and radical strategies for transforming how we feel and behave about the resources that should, and can, sustain and support our lives.

We need more than a diluted, decaffeinated faith. We need the real thing. Almost every food and beverage today also has a "lite" version--potato chips, whipped cream, maple syrup, soda, beer... You may even remember an ad campaign for a light beer a few years back, "Tastes great. Less filling." Many of us have taken that same attitude--sometimes even without realizing it--and applied it to our faith. We want blessings, but without obedience. Comfort, but without sacrifice. Happiness, but without repentance. As a result, we have watered down, decaffeinated, and diluted the message of the gospel until it really has no effect on our lives or the lives of others. In *Christianity Lite* Glen Berteau calls us back to the full gospel message: Jesus didn't come to make our normal, selfish, sinful lives a little better. He came to radically transform life as we know it. This narrow way, the way of grace-inspired obedience, is the only way to find the real Jesus, real meaning, real hope, and a life where we'll really live! *Dangerous Missions*, a deserted island, terrorists –and heart-stopping love affairs with strong, sexy women will keep you up nights, turning the pages to find out what happens next. The two full-length romantic suspense novels, *Love Lost & Found*, and its sequel, *Dangerous Love, Lost & Found*, come together in one volume, bursting with action and romance. This rip-roaring saga of two Marine buddies is professionally-edited, and proofread. This collaboration of an experienced romance writer and a retired Marine is accurate to a fault, and weaves in two love stories that will leave you sighing. The second story won First Place in the suspense category in the 2015 Oklahoma Romance Writers of America International Digital Awards contest! Caution: some cursing and explicit love scenes.

Foreword by Don Wardlaw This exceptional book by Charles Cosgrove and Dow Edgerton will be a rich resource for pastors wanting to reach their congregations in a fresh way. Rather than discussing preaching in general or even a specific approach to preaching, it focuses on a new way of engaging the biblical text for preaching. In *Other Words* combines Cosgrove and Edgerton's critical acumen, creative imagination, and pastoral discernment to present contemporizing restatements of Scripture, speaking timeless truths in modern speech. In describing their "incarnational translation," the authors invite readers to imagine what the text might have looked like if produced in the preacher's own culture, time, and place. Drawing on translation theory, genre studies, and recent hermeneutical theory, they offer both a comprehensive theory of incarnational translation and a set of specific guidelines and examples for carrying it out.

A “suspenseful, elegantly written” account of the author’s return to China after thirty years to search for the woman she betrayed to the authorities (Publishers Weekly, starred review). In the early 1970s, at the height of the Cultural Revolution, Jan Wong traveled from Canada to Beijing University—where she would become one of only two Westerners permitted to study. One day a fellow student, Yin Luoyi, asked for her help getting to the United States. Wong, then a starry-eyed Maoist from Montreal, immediately reported her to the authorities, and shortly thereafter Yin disappeared. Thirty-three years later, hoping to make amends, Wong revisits the Chinese capital to search for the person who has haunted her conscience. At the very least, she wants to discover whether Yin survived. But Wong finds the new Beijing bewildering. Phone numbers, addresses, and even names change with startling frequency. In a society determined to bury the past, Yin Luoyi will be hard to find. As Wong traces her way from one former comrade to the next, she unearths not only the fate of the woman she betrayed but the strange and dramatic transformation of contemporary China. In this memoir, she tells how her journey rekindled all of her love for—and disillusionment with—her ancestral land. “Gone is the semirural capital where the author’s ‘revolutionary’ course of study included bouts of hard labor and ‘self criticism’ sessions. In its place are eight-lane expressways lit up ‘like Christmas trees,’ shiny skyscrapers and the largest shopping mall in the world. Wong is a gifted storyteller, and hers is a deeply personal and richly detailed eyewitness account of China’s journey to glossy modernity.” —Publishers Weekly, starred review

Known as the celebrated director of critical and commercial successes such as Psycho (1960) and The Birds (1963), Alfred Hitchcock is famous for his distinctive visual style and signature motifs. While recent books and articles discussing his life and work focus on the production and philosophy of his iconic Hollywood-era films like Notorious (1946) and Vertigo (1958), Hitchcock Lost and Found moves beyond these seminal works to explore forgotten, incomplete, lost, and recovered productions from all stages of his career, including his early years in Britain. Authors Alain Kerzoncuf and Charles Barr highlight Hitchcock's neglected works, including various films and television productions that supplement the critical attention already conferred on his feature films. They also explore the director's career during World War II, when he continued making high-profile features while also committing himself to a number of short war-effort projects on both sides of the Atlantic. Focusing on a range of forgotten but fascinating projects spanning five decades, Hitchcock Lost and Found offers a new, fuller perspective on the filmmaker's career and achievements.

Persian folklore has been handed down from generation to generation for centuries in an effort to understand the past and pass on valuable lessons. Mehry M. Reid remembers sitting next to her grandmother, as she relayed captivating stories adapted to express her own feelings, hopes, and desires. These stories, which her grandmother first heard from her own mother and grandmother, began Reid’s fascination with the Persian legends and folktales that she has selected and reinterpreted in Persian Legends. As Reid transports readers of all ages on an unforgettable journey through ancient Persia, she highlights an eclectic group of characters comprised of people, animals, and objects that trace historical events, share legends most favored in Persian culture, and offer tales that convey their meanings in simple, often humorous ways. Take a walk with Princess Mina in the rose garden; listen to the king’s storyteller; travel to the mountain of the forty virgins; discover the charm of the red diamond; and go to the crystal cave and drink from the wish fountain. Persian Legends: A Book of 101 Stories shares a memorable collection of legends and tales that provides a glimpse into Persian history, helps others appreciate ancient tales, and most importantly, preserves the legacy of folk literature for future generations.

One Monday morning in April, a middle-aged writer walks into her living room to water the plants and finds a woman standing beside her potted fig tree. Dressed in a navy blue trench coat and white Nikes, the woman introduces herself as "Mary. Mother of God.... You know. Mary." Instead of a golden robe or a crown, she arrives bearing a practical wheeled suitcase. Weary after two thousand years of adoration and petition, Mary is looking for a little R & R. She's asked in for lunch, and decides to stay a week. As the story of their visit unfolds, so does the story of Mary—one of the most complex and powerful female figures of our time—and her changing image in culture, art, history, as well as the thousands of recorded sightings that have placed her everywhere from a privet hedge to the dented bumper of a Camaro. As this Everywoman and Mary become friends, their conversations, both profound and intimate, touch upon Mary's significance and enduring relevance. Told with humor and grace, Our Lady of the Lost and Found is an absorbing tour through Mary's history and a thoughtful meditation on spirituality, our need for faith, and our desire to believe in something larger than ourselves.

The newest book from USA Today Bestselling Author Lorhainne Eckhart takes you into one woman's haunting journey when her husband returns home and everything as she knew it has changed.

Baby, You Are My Religion argues that American butch-femme bar culture of the mid-20th Century should be interpreted as a sacred space for its community. Before Stonewall—when homosexuals were still deemed mentally ill—these bars were the only place where many could have any community at all. Baby, You are My Religion explores this community as a site of a lived corporeal theology and political space. It reveals that religious institutions such as the Metropolitan Community Church were founded in such bars, that traditional and non-traditional religious activities took place there, and that religious ceremonies such as marriage were often conducted within the bars by staff. Baby, You are My Religion examines how these bars became not only ecclesiastical sites but also provided the fertile ground for the birth of the struggle for gay and lesbian civil rights before Stonewall.

"Eighteen months before her beloved father died, Kathryn Schulz met Casey, the woman who would become her wife. *Lost & Found* weaves together their love story with the story of losing Kathryn's father in a brilliant exploration of the way families are lost and found and the way life dispenses wretchedness and suffering, beauty and grandeur all at once. Schulz writes with painful clarity about the vicissitudes of grieving her father, but she also writes about the vital and universal phenomenon of finding. The book is organized into three parts: "Lost," which explores the sometimes frustrating, sometimes comic, sometimes heartbreaking experience of losing things, grounded in Kathryn's account of her father's death; "Found," which examines the experience of discovery, grounded in her story of falling in love; and finally, "And," which contends with the way these events happen in conjunction and imply the inevitable: Life keeps going on, not only around us but beyond us and after us. Kathryn Schulz has the ability to measure the depth and breadth of human experience with unusual exactness and then to articulate the things all of us have felt but have been unable to put into language. *Lost & Found* is a work of philosophical interrogation as well as a story about life, death, and the discovery of one great love just as she is losing another"--
