

## Made With Love How Babies Are Made

The struggles of women to gain an education are well-known, but the three generations of women in *The Followers* are determined in more ways in their desire to learn. Initially members of a devout fundamentalist Presbyterian community in the mid-nineteenth century, we follow their lives and loves as they travel across three continents to achieve their various goals. Margaret, strong but gentle, the second wife of a farmer in Nova Scotia, gives birth to her fourth daughter, Catharine, who is different from her siblings even as a youngster. While her mother is unable to read and write, Catharine makes decisions that often do not meet with the family's approval. Her own daughter, Maggie, has very different goals, which also run contrary to the family's expectations. We come to admire these women as we follow their journeys through life and are drawn to hope as much as they do that their ambitions will be achieved.

*Babies Are Made With Love* is the world's most universal story told in its most universal language: emojis. Created for parents who want to be completely open and honest with their children about where babies come from, *Babies Are Made With Love* is a sweet, genuine and humorous approach to sex-ed. (Picture the *Birds and the Bees* with full-frontal emoji nudity). This book is an endearing mix of dirty and adorable, helping kids understand that babies are born from an act that encompasses both love and pleasure. If you're looking for storks and fairytales, this might not be for you. This is a whole-hearted embrace of baby making, free of shame and full of laughs.

What does it mean to be a disciple? The call of discipleship is more than programs and Bible study. In *King Jesus and the*

## Read Book Made With Love How Babies Are Made

Beauty of Obedience-Based Discipleship, David Young presents a bold call for obedience-based discipleship and argues that it alone is the proper response to the kingship of Jesus. Many have wrongly associated obedience with bad theology, believing that Jesus' demand for obedience is a form of works righteousness or legalism. Others simply don't like obedience and resist the demands Jesus makes in calling us to follow him. But if we surrender to the kingship of Jesus, we will find the life we were designed to live. We are accustomed to calling Jesus "Savior." And we should. But until recently, many in the Western church have not learned to call Jesus "King." The kingship of Jesus has implications for how we live. We can either rebel against him, raising puppet kings and constructing our own kingdoms, or we can submit to him in obedience-based discipleship. Could it be that you are still sitting on the throne of your life, treating King Jesus as a mere advisor? What would change in your life if you started treating Jesus as nothing short of your King? Young unpacks five principles for those who wish to follow Jesus as King. Surrender to the authority of King Jesus Embrace the mission of King Jesus Live immersed in King Jesus Obey the teachings of King Jesus Behold the presence of King Jesus Following these five steps awakens us to a life truly worth living, a life of power, peace, beauty, and love. This is eternal life, that we would know and follow Jesus as King of the Universe, and king over our lives. After all, you don't merely believe in kings. You obey them.

Psychologist Kai Ferguson has had his eye on Kori Williamson for a long time. His assistant is everything he's ever wanted in a partner—smart, caring, witty, and a bit of a masochist. More than a little, actually, but that's the problem. Kori won't admit her own desires. She's afraid of him and what he has to offer. Luckily for her, helping patients face their fears is one of his specialties. Kori knows she wants Kai.

Her boss is the most amazing man she's ever met. She's also smart enough to stay away from him. Having been down this road before, she knows it only leads to heartache. She's just found a place where she can belong. Another failed relationship is the last thing she needs. It's better to guard her heart and let Kai think she's frightened of his dark, dominant nature. When Kai is recruited for an operation with McKay-Taggart, everything is turned upside down. Kai's brother, international superstar Jared Johns, is in town and Kai must juggle his family issues along with a desperate hunt for a serial killer. The investigation throws Kori and Kai together, and they quickly discover the chemistry between them is undeniable. But even if their newfound love can survive his secrets and her lies, it may not be enough to save them both from a killer's twisted obsession. A Masters and Mercenaries Novel by Lexi Blake

Embroidery has never looked this good or been so colorful--65 projects to stitch your way to a more colorful home. With inspiration and encouragement from designer and colorist Kristin Nicholas, would-be and experienced stitchers alike will find dozens of embroidery projects that add exuberance to every room in the house. Nicholas's collection opens with pillow covers in dancing colors on unexpected patterns and fabrics, such as stripes and plaids, velvets and corduroys. For kitchens, she offers a joyfully polka-dotted tea cozy or jewel-bright, purchased napkins and tablecloth creatively stitched with floral motifs. Personalized wedding gifts include a luxurious, monogrammed cashmere throw and his-and-hers hot water bottle covers; or for the perfect baby gift, a cozy matching blanket and teddy bear set. Many projects feature fabrics from flea markets and thrift shops, with complete how-to on hand-felting and hand-dyeing sweaters and blankets for the very softest, most colorful look. With her ribbon-stitched craft boxes (perfect for

scrapbookers), embroidered stationery, and even a pair of espadrilles, the author explores an exciting world of embroidering on unexpected surfaces and materials.

### Made with LoveHow Babies are Made

Losing her husband Dennis unexpectedly in 2011, at the young age of 47, Debra was faced with handling grief in the only way she knew how, with strength, grace and much laughter. Debra worked through her tears by posting to her husband each day (for one year) on a social media website after his passing. She credits her “seeing the light of day” by sharing funny stories of their time together and walking through the pain, not alone, but with her ever growing unshakeable faith in God and the resounding love of many who have taken this journey each day with her. Through her stories, her daily blog ([thehappywidow.com](http://thehappywidow.com)) and her posts she has used her distinctively unique humor, desire to honor the love of her life, and her ability to “tell it like it is” to inspire, lift, and encourage others in a way seldom seen. “Losing the one you love suddenly is like being put on a roller coaster ride (and I have always hated those). You rise slowly, fall fast, hold on for dear life, and scream not so nice words that you hope those around you didn’t hear. But when you get off this ride, while you may not want to buy another ticket, you are so proud of yourself for just being able to say you let go, threw your hands in the air the entire time and you indeed lived through it.” You will laugh, you will cry, at time you will pray you never personally know how she truly feels, but after you read this book that was written to her sweet husband Dennis and for her children Timothy and Sarah, you will believe that just maybe there is a way to face death and come out smiling. With a something for every occasion, this go-to resource has the perfect quilt to express any sentiment. Whatever your skill level, you can stitch gift quilts the recipient will appreciate. Find 19 engaging quilts that are easy to piece, satisfying to

## Read Book Made With Love How Babies Are Made

construct, and simply stunning Create a memorable outward sign of caring for any occasion: birth, graduation, housewarming, wedding, anniversary, deployment, illness, and more Choose fabrics to enhance the message of each quilt--use precuts and scraps as well as yardage

Does science prove God's existence or provide more reasons to doubt? Does God truly exist? That is the age-old seemingly unanswerable question. But what if there was an answer? What if the answer has been staring us right in the face for centuries, but we've been too busy missing the forest for the trees? This book invites you to take a step back and look at the broader picture. It offers anecdotes, observations and, most importantly, scientific evidence of the universal, all-encompassing, culture-transcending purpose that connects us all. In that purpose, we find many paths to a knowledge that has eluded humankind for as long as we have had the ability to wonder: proof that God does indeed exist. We find this knowledge in the stars, in the nature of time, in the laws of physics, in our own bodies, and in equations as complex as advanced calculus and unconditional love. It's just a matter of knowing where (and how) to look. In a centuries-old debate that has always placed science in an adversarial role with faith, this book brings the two camps together, using logic and reason to prove the existence of God. For the atheist, these pages eschew scriptural references in favor of evolutionary, philosophical, cultural, and natural evidence. For the believer, this book enhances your faith with affirmative arguments steeped in mathematics, particle physics, and a host of other scientific and real-world observations. And for anyone who has ever looked up at the sky and wondered what might lie beyond, this book provides a clear, compelling, life-affirming answer. "Desire is the starting point of all achievement, not a hope, not a wish, but a keen pulsating desire which transcends everything." "" Napoleon Hill "As a secularist and

humanist who doesn't share the same conclusions, I was surprised with what an enjoyable read this is. This is the strongest summary to date that I've seen for the Theist position." "" Jeremy Runnells, author of the CES Letter "Written through a Euro-centric philosophical and western science lens, one has the opportunity to consider not only the argument for and against the belief in a God, but to contemplate a middle ground where the dualities of such sit squarely within the most important part of the equation- the one who asks the question. This book is a worthwhile read, particularly for those seeking to dive more deeply into the self." "" Jonathan Webb, Dr. of Theology

In *Beyond the Baby Blues: Anxiety and Depression During and After Pregnancy* Rebecca Fox Starr gives a candid account of her battle with prenatal and postpartum anxiety and depression. Rebecca's story has touched readers deeply and, as her own journey has continued, so has her story, having veered in an unexpected direction: the decision about a future baby. What many people do not realize is that the idea of another pregnancy post-postpartum can be cripplingly frightening to a woman and her loved ones. Rebecca addresses this woefully in her first book, opening up about her sadness that her "shop is closed." Having a baby was an option taken off the table, for a reason completely out of her control. Until it wasn't. In 2017 Rebecca and her husband began exploring the idea of expanding their family, and, therefore consulted experts in the fields of obstetrics and gynecology, psychiatry, perinatal mental health, fertility, adoption, surrogacy, and grief (in coping with the idea that, despite all of the options, the most sound of all could be to not have another child). Books on the topic of pregnancy after postpartum depression are scarce, making it difficult to find support or advice. This book, anchored in Rebecca's story, offers an informative guide to the expert advice and insight,

alongside current research, for women who want to explore pregnancy and other family expansion options after postpartum depression. With heartfelt stories, clinical data, and a consideration of the range of options and the emotions that along with them, Rebecca's book fills a gaping hole in an area that leaves too many women feeling abjectly alone. Ever since I started going "up north" (Cheboygan, Michigan; Black Lake area), I have experienced the tranquility and soothing silence of the winter days and nights up there. Going for walks and taking in the unexplainable beauty of the area in the winter time was something that I always looked forward to. When on these walks, details of the scenery would seem to come alive.....the rustling of the tree branches thick with ice, the glistening of the snow blanketing the ground, the beautiful sound of pure silence and the curiosity of why some leaves were left on the trees when, tradition has it, they are supposed to fall off when winter arrives. What caused these special leaves to hang on so tightly and survive the winter? This is my interpretation of why one of those leaves hung on and enjoyed the magical things that happen "UP NORTH". It's time to change the way we see babies. Drawing on principles developed by the educator Dr Maria Montessori, *The Montessori Baby* shows how to raise your baby from birth to age one with love, respect, insight, and a surprising sense of calm. Cowritten by Simone Davies, author of the bestselling *The Montessori Toddler*, and Junnifa Uzodike, it's a book filled with hundreds of practical ideas for understanding what is actually happening with your baby, and how you can mindfully assist in their learning and development. Including how to: Prepare yourself for parenthood—physically, emotionally, intellectually, and spiritually. Become an active observer to understand what your baby is really telling you. Create Montessori spaces in your home, including "yes" spaces where nothing is off-limits.

## Read Book Made With Love How Babies Are Made

Set up activities that encourage baby's movement and language development at their own pace Raise a secure baby who's ready to explore the world with confidence. Unschooling means so much more than a hands-on, child-directed, and experience-based way of learning. It doesn't describe a specific alternative to schooling. It just gets schooling out of the way so various unique dynamic personal creative ways of growing up, living, participating, and contributing to communities can develop. When I say "unschooling," I really mean living cooperatively with children. What began as a way to approach my children's learning/education has evolved into a whole lifestyle characterized by unlimited creative possibilities for our whole family. In other words, we perceive our life as a creative adventure. We're all in it together. In "The Unschooling Happiness Project," I present my family life as a creative project, share my deeper motivations behind choosing the unschooling lifestyle, and include some practicalities of daily unschooling life.

In this informative and friendly picture book, children can find simple answers to questions about how they came to be born: How did I get into your tummy? How did the egg and sperm turn into me? What did I eat when I was inside Mum? The conversational text, clear explanations and child-friendly artwork aim to make this a helpful book for all curious children and their parents.

A price guide for collectors of Boyd Resin bears and other creatures. The Second Edition is 50% larger than the first. Contains the latest secondary market pricing, including early pieces and variations. Over 2600 entries with full-color photographs. An Officially Licensed Product of The Boyds Collection Ltd.

Most Americans assume that shared genes or blood relationships provide the strongest basis for family. What can

## Read Book Made With Love How Babies Are Made

adoption tell us about this widespread belief and American kinship in general? *Blue-Ribbon Babies and Labors of Love* examines the ways class, gender, and race shape public and private adoption in the United States. Christine Ward Gailey analyzes the controversies surrounding international, public, and transracial adoption, and how the political and economic dynamics that shape adoption policies and practices affect the lives of people in the adoption nexus: adopters, adoptees, birth parents, and agents within and across borders. Interviews with white and African-American adopters, adoption social workers, and adoption lawyers, combined with her long-term participant-observation in adoptive communities, inform her analysis of how adopters' beliefs parallel or diverge from the dominant assumptions about kinship and family. Gailey demonstrates that the ways adoptive parents speak about their children vary across hierarchies of race, class, and gender. She shows that adopters' notions about their children's backgrounds and early experiences, as well as their own "family values," influence child rearing practices. Her extensive interviews with 131 adopters reveal profoundly different practices of kinship in the United States today. Moving beyond the ideology of "blood is thicker than water," Gailey presents a new way of viewing kinship and family formation, suitable to times of rapid social and cultural change.

Irv and Mary Reiss (aka Dad and Mom) wrote this book as two letters per day for fifteen months from late 1943 through March 1945. Friends and relatives added more letters to bring the total to nearly 1,000. Virtually all of their letters ended with "I love you very very much" and "I miss you very very much." It's easy to empathize with their frustrations and anxieties about being separated and worried, especially with the birth and nurturing of

## Read Book Made With Love How Babies Are Made

their first child Stephen (aka me) in June 1944. This book title of *From Burma With Love* is an understatement. Irv Reiss served in the US Army from June 27, 1941 until September 17, 1945 for a total of 4 years, 2 months, and 20 days. Foreign service in India and Burma (Myanmar) was 1 year, 1 month, and 23 days. The foreign service in Burma was very intense and is the heart of this book -- hence the name, *From Burma With Love*. Irv was a labor officer along the Ledo Road from August 28, 1944 until December 11, 1944. His job was to hire and feed and pay several thousand native laborers (and a few elephants) to help build that road from Ledo, India to Mongyu, Burma. Read his letter of October 7, 1944. For Kitty, the war opens more doors than ever before... In June Tate's *Every Time You Say Goodbye*, the war provides a means for escape and freedom for one restless young woman. Perfect for fans of Dilly Court and Lynda Page. 'Displays June's customary flair for keeping the reader glued to the page' - *Coventry Evening Telegraph* It's 1943 and Kitty Freeman is hungry for excitement. Married for only 18 months, she's miserable. Brian Freeman wants nothing more than a quiet life, a tidy home and a wife to make his dinner. But when he receives his call-up papers and is sent to France, Kitty feels like a bird set free from its cage. Will she be able to resist the charms of local villain Gerry Stubbs? Does the handsome American lieutenant Jeff Ryder want more than just friendship? One thing's for sure: the war holds more for Kitty than she could ever have imagined... What readers are saying about *Every Time You Say Goodbye*: 'June Tate is a marvellous storyteller and this is one of

her best. Her characters are warm and engaging and her stories are dramatic and well-paced' 'Thoroughly enjoyed this book. Good story with lots of twists to keep you interested' 'Five stars'

For any parent, losing a child to miscarriage, stillbirth, or infant death is devastating. For Patricia McGivern and her husband, Tim, it was no different. They endured fear and physical pain from the miscarriage of their first child. Four years later, Patricia heard a child call to her. Thinking it was her young daughter awakening from her nap, she turned around. But Meghan was not there; she was sound asleep upstairs. The communication continued, and Patricia, seeking guidance from intermediaries, became convinced she was communicating with her miscarried child from beyond. Exploring this connection to her lost son, she was able to communicate with her deceased parents as well. It was a journey that changed Patricia's life as she never could have imagined. With *Angel Babies*, Patricia explores spirit communication with miscarried and other early-loss babies, a phenomenon that's quite universal. Patricia recounts her journey to bridging with her child and how the experiences lead her to become a certified hypnotist. In the course of her research, she met many others who have also communicated with their lost children. Through their inspiring stories, *Angel Babies* offers awareness, hope, and comfort to anyone facing the agony of the loss of a child.

Discover dozens of fun-and-fast NEW ways to sew adorable accents, accessories, and gifts for every occasion including weddings, Thanksgiving, Easter,

The authors offer a framework that allows organizations to go beyond quick fixes and fundraising strategies to a broader paradigm that encompasses community and organization building. What if every person involved with an organization was fully engaged and shared a common goal? What if the efforts of a relatively small ring of staff and board members were amplified by everyone touched by the organization, including current and former volunteers, staff, board members, clients, constituents, funders and supporters? That, the authors show, is the way a charismatic organization operates. The book provides numerous examples of how successful organizations have made this shift, as well as action steps that all organizations can take to perform better. "In today's interdependent world, nonprofit organizations have more opportunity than ever before to make a difference in people's lives. Drawing upon their extensive experience in public service, Shirley Sagawa and Deborah Jospin identify the traits that give successful nonprofits the competitive edge they need to maximize their effectiveness and sustainability. *The Charismatic Organization: Eight Ways to Grow a Nonprofit That Builds Buzz, Delights Donors, and Energizes Employees* draws an authoritative blueprint for using social capital to transform good intentions into concrete results."— Former President Bill Clinton

A memoir of a bookworm growing up in Alaska - among people whose resilience, restlessness, and energy find their highest expression in winter ascents of Mount McKinley or first descents of wild rivers.

Unruly, unpredictable, love is a maddening deity. In this insightful and eloquent meditation on that many-splendored thing, Lisa Appignanesi draws on history, philosophy, psychology, literature, popular culture, and her own experience in order to tangle with love's paradoxes through the span of our lives. Beginning with the rose-tinted raptures of first love, she proceeds to love in marriage, the passions of triangulated love, jealousy and adultery, love in the family, and friendship, illuminating the expectations, the joys and difficulties that accompany each stage. We love, love, love you, little deer. Merry Christmas and Happy New Year!! Babies and toddlers will love holding, touching, and reading this merry little board book with soft, cozy reindeer antlers. With Sandra Magsamen's signature message of love, this book shows every little deer how special they are during the holiday season and all through the new year. An adorable reissue of a beloved novelty board book from Sandra Magsamen, the bestselling creator of over 30 baby and toddler books, with sales of over 2.8 million copies worldwide!

Parents worry so much about the best things to feed their babies, and eventually many opt for baby food

sold in supermarkets. This may not be the option because most of them have a high concentration of chemicals and preservatives, making them the least of healthiest choices. The best thing to do is to cut down the dependence on them and go for homemade baby foods. This book is created for parents who have decided to give their babies the best of healthy homemade foods. There are more than 25 recipes in this book, and each one has been tested and proven to be loaded with numerous nutrients. This book will be your kitchen companion as you feed your babies with new and nutritious food. Think of the love you will put into making these meals. Think of the glow you will feel in your heart as you watch your babies grow. Nothing beat those kinds of feeling. So, get this book now and treat your babies to this. You will be thankful that you did.

Traditionally, nêhiyaw (Cree) laws are shared and passed down through oral customs — stories, songs, ceremonies — using lands, waters, animals, land markings and other sacred rites. However, the loss of the languages, customs, and traditions of Indigenous peoples as a direct result of colonization has necessitated this departure from the oral tradition to record the physical laws of the nêhiyaw. McAdam, a co-founder of the international movement Idle No More, shares nêhiyaw laws so that future generations, both nêhiyaw and non-Indigenous people, may understand and live by them

to revitalize Indigenous nationhood.

A collection of poems, quotes and titles to celebrate the younger child on cards, scrapbooks, and creative projects.

Who left a baby on the cowboy's doorstep? The Coltons of Red Ridge continues! A note says the infant left on ranch foreman Anders Colton's porch is a Colton. His baby? The beautiful rookie officer who investigates is set on proving herself as a cop, but when their lives are threatened, Elle Gage moves in to protect the baby. Suddenly the lone wolf is thinking family and must uncover little Bonnie's parentage before it's too late.

This baby's not the only one in need of a cuddle...

Brant Wylder is a bachelor and loving it! He's in Misty Bottoms, Georgia, property-hunting for his vintage car repair shop when he gets the call. His sister's been in an accident, and Brant has to drop everything and take care of his five-month-old nephew. That's the end of the bachelor lifestyle.

Bridal boutique owner Molly Stiles is all business all the time, until she sees that Brant's in trouble. In this Southern town, nobody ever has to go it alone. Fiction for The Best Laid Wedding Plans "An emotional story about a deep love, forgiveness and letting go."—Keeper Bookshelf for Picture Perfect Wedding

A hilarious and deliciously scathing send-up of motherhood as practiced in the upper echelons of Manhattan society, from the coauthor of *The Right Address* and *Wolves in Chic Clothing*. The mothers on Manhattan's chic Upper East Side are highly educated, extremely wealthy, and very competitive. They throw themselves and all of their energy and resources into full-time child rearing, turning their kids into the unwitting pawns in a game where success is measured in precocious achievements, jam-packed schedules, and elite private-school pedigrees. Hannah Allen has recently moved to the neighborhood with her New York City–bred investment banker husband and their two-year-old daughter, Violet. She's immediately inundated by an outpouring of advice from her not-so-well-intentioned new friends and her overbearing, socially conscious mother-in-law, who coach her on matters ranging from where to buy the must-have \$300 baby dress to how to get into the only pre-pre-preschool that counts. Despite her better instincts and common sense, Hannah soon finds herself caught up in the competitive whirl of high-stakes mothering.

*Getting Past the Tears* is a fictional novel that tells of how lives were affected by the war in Vietnam. It is set in Eastern North Carolina and Southern Virginia during the late 1960s and into the twenty-first century. It is the fifth and final book in the series. *Getting Past the Tears* continues the story where *Gardenia Lane* ends. Kay Peel was happily married to her childhood sweetheart. Their lives were interrupted when her husband was drafted into the army and deployed to Vietnam. When the messengers arrived to notify Kay that her husband

## Read Book Made With Love How Babies Are Made

had been killed in action, she felt cheated out of the life they had planned. She leans on God, her friends, and her late husband's family to help her through her grief and broken heart. She decides to concentrate on her job as a registered nurse and close her heart to love to avoid having her heart broken again. Quint Sterling is a handsome doctor who had served in Vietnam. When he returned home from Vietnam, he found that his wife had not waited for him. He was welcomed home with divorce papers. His heart and dreams were shattered. He swore off women for fear of being hurt again. God has other plans for Kay and Quint. When the pretty young widow and the handsome doctor meet, there is an instant attraction between them. Even though Quint is fifteen years older than Kay, the couple bonds. It is as if their broken hearts reach out to each other. Neither of them is looking for love. They become close friends. Their friendship becomes the most important part of their lives. This is a story of how love can mend broken hearts and restore broken dreams. Through God's love, the couple realizes that what's gone is gone. Their hearts heal by letting go of the past and moving forward in love. True love conquers all. They find that love is more joyful the second time around.

Looking for heart-racing romance and breathless suspense? Want stories filled with life-and-death situations that cause sparks to fly between adventurous, strong women and brave, powerful men? **For the Love of Babies: One Doctor's Stories About Life in the Neonatal ICU** invites readers into the NICU - one area in the hospital that is unfamiliar and frightening to most people - and demystifies the place where extraordinary things transpire.

This book is for anyone who has ever wondered how doctors and nurses work under intense pressure to diagnose and treat the smallest of patients and how parents cope with the enormous emotional stresses facing them. It is a touching and unforgettable glimpse into the triumph, loss, happiness, and pain that make up the daily rhythms of life in the NICU. Wanting to survive, desperate to fly like a free bird, she turned to a young exotic lawyer who was also the current CEO of the White Enterprise for help, to help her fight for her justice and for all the things she had suffered. She was filled with confidence. She clung to a tiny bit of hope left in her after two years of being imprisoned by her past. However, what she didn't know was that the lawyer had already met her and had been looking for her all over the place.

Your date with ski champ Jett Casey is an either/or deal. He'll take you off-piste for the ultimate Montana ski

adventure or he'll put his handyman skills at your disposal for a week. Which one would you choose? Single mom Mardie Griffin has a run-down old house in need of fixing and a memory of Jett Casey as her savior in a time of great need. So when her friends acquire Jett's services at a bachelor auction and send him to fix up her house, she sets aside her mistrust of men and lets him in. Elite athlete Jett Casey has the world at his feet and no desire for stability. But there's one woman he's never forgotten and if he can help make her safe this time, maybe she'll stop haunting him. No strings, no sex, no commitment. Just fix things. Surely it can't be that difficult... First published as *What a Bachelor Needs* Embracing the crossroads that made the region distinctive, this book reveals how American families have always been characterized by greater diversity than idealizations of the traditional family have allowed. He essays show how family life figured prominently in relations to larger struggles for conquest and control.
