In this six-session video Bible study (DVD/digital downloads sold separately), bestselling author Max Lucado looks at the miracles of Jesus as recorded in the Gospel of John. As John states, he recorded many of these signs for an express purpose: "These are written that you may believe that Jesus is the Messiah, the Son of God, and that by believing you may have life in his name" (John 20:31). John chose the stories and events from Jesus' life that he believed would give his readers strength, empower them, lift them up, and speak life into their situations. By the time John penned the words of his Gospel, he was an old man . . . his hair silver and skin wrinkled. He was pastoring a collection of Christ followers in the distant city of Ephesus. But he still loved to tell the story—some six decades earlier and a thousand miles removed—of when Jesus first called him to lay down his net . . . and he obeyed. The others are gone now. Peter, Andrew, James. They've long since followed their calls and fulfilled their missions. Only John remains, and he knows that his days are coming to an end. It is with this purpose that he takes up his pen . . . to help his readers believe and have life. John's record of Jesus' miracles reassure us that we are never stuck or without hope. We are never forgotten. All the forces of heaven have been marshalled to come to our aid. A rescue mission is underway! The Father, the Son and the Holy Spirit. A multitude of angels and the power of Scripture. The strength of prayer and the wisdom of saints. All this, and more, are continually working together to get us out and see us through. This is the message of the miracles . . . that with God you are never alone. Designed for use with the *You Are Never Alone* Video Study available on DVD or streaming video, sold separately.

You believe Jesus is God. But do you also think of him as a real person? For thirty-three years Jesus felt everything that we have ever felt: weakness, weariness, rejections. His feelings got hurt. His feet grew tired. His head ached. To think of Jesus in such terms almost seems irreverent. It is much easier to keep the humanity out of the incarnation.

Clean up the manure from around the manger. Pretend he never snored or hit his thumb with a hammer. There is something about keeping Jesus divine that keeps him distant, packaged, and predictable. But we have to remember that the people who saw Jesus first . . . saw him first as a person. As Max Lucado reveals in this video Bible study, because Jesus became human, it is now possible for us to see God and hear his voice. If we want to know what matters to God, all we need to do is look in the Bible to see what matters to Jesus. If we want to know what God is doing in our world, we need only ponder the words of Jesus. By learning more about the person Jesus was and is, we come to understand more clearly the people we were created to be. Jesus inspires us to spend time at the foot of the cross and search the heart of the one who would rather die for us than live without us. The *Jesus Study Guide* includes video teaching notes, discussion questions, Bible exploration, and weekly personal study and reflection materials. Sessions

Helen and Annie become locked in a ferocious battle of wills, but Annie is determined to bring a sense of discipline into Helen's life. Il Gattopardo, first published in 1958, had a rapid and amazing rise to fame and popularity both within and outside Italy and its controversial interpretation of the Risorgimento has proved to be of enduring interest and relevance. It is studied widely in the UK both at GCE Advanced Level and at University. The language of the novel is extraordinarily rich and complex: on the one hand, the source of the book's perennial fascination, but on the other, a potentially frustrating barrier for the student. This Guide provides students and general readers with essential background historical information, explanations of the many literary and historical allusions in the text and an extensive glossary.

But miracles don't have to be something mysterious and out of reach. They don't have to be the exception. Just as they were common in the early church, they can become common for you. They have a growing desperation for more of His intervention in their lives. This book was designed to answer that cry for more. The Holy Spirit is the Miracle Worker—but most miracles involve human participation in some way. Dr. Kynan reveals that our growing intimacy with God's Spirit will lead us to see and participate in His miracles—living in His power and setting our expectations increasingly higher for His miraculous works in our lives. This practical study guide, suitable for individual or group study, is filled with ideas for personal application and spiritual activation prayers for tapping into the miraculous. The word Disciple in Greek is transliterated mathetes (literally, the learning one) and is derived from the verb manthano which means "to learn". It means "one who learns instruction from another?", or a disciple is likened to an apprentice who learns from his master tradesman. Thus, a disciple is a person that not only gains knowledge from the teacher but also acts upon it. A disciple therefore follows and a disciple learns from the Teacher. The disciple never replaces the one true Teacher, or takes the role of the teacher. Jesus remains our Teacher and our Lord. This study guide explores what it really means to be a disciple, within the context of the Great Commission of Matthew 28.

Become a Conduit of God's Power "I encourage you to read Joshua's book, not only to learn about the glory but also to be changed by the glory." —Bill Johnson "This book is boot camp for the next and greatest move of God's Spirit in history." —Sid Roth All Christians are intended to live, move, and operate in the supernatural realm. But many people aren't sure how to enter into this realm—or how to go deeper in the Spirit. Joshua Mills explains that, much more than sensing what God is doing, we can participate in the supernatural on a daily basis through divine portals, or gates. In this study guide companion to his book Power Portals, Joshua clearly shows believers how they can become conduits of God's power. Within a power portal, we may experience a sudden realization of God's presence, an abundance of healing, spontaneous joy, signs and wonders, angelic activity, an increase in spiritual dreams and visions, or extravagant provision. Some portals can be activated in our own bodies through the heart, mouth, eyes and ears, mind, innermost being, hands, and feet. There are also direct heavenly portals and geographical portals, special places where we can experience the release of God's power. The Power Portals Study Guide, which can be used by either individuals or groups, contains some brand-new material to further your understanding of these gateways to the Spirit realm. The guide is also filled with key points from the book, thought questions, review questions, and supernatural activations. Get ready to awaken your connection to the Spirit realm. Get ready to encounter Power Portals! "Joshua Mills...has taken deep spiritual revelation and translated it into language that any reader can understand and apply to daily life." —Becky Thompson "Joshua Mills...gives you teachings you can trust and revelations that get you results." —Tony Kemp #PowerPortalsBook
