spending? Budget planning is the key tool to taking control over your financial situation. This daunting task can be easily accomplished by taking just a few minutes out of your day to check out what you have spent your money on. With this financial budget planner, you can easily track not only your monthly spending, but the exact details of each transaction you make every single day, and your income as well. Next to your budget and income, you can also track your bills, in detail; which bills have and have not been paid, when the bills are due, the exact amount and any notes you wish to make, like, don't forget to cancel this subscription next month! In the age of credit cards and automatic payments, this is a quick and simple solution that can save you your hard-earned cash for when you really need it or just to have some spending money on your next vacation. Flip through the Financial Budget Planner: A complete calendar overview for each month A straightforward, monthly summary of your expenses, income and bills Track your bills to avoid late fees and unwanted subscription renewals A detailed transaction overview for each day and week of the month Lots of space for notes A weekly expenses overview so you can check your progress before the end of the month
