For more than 40 years, Computerworld has been the leading source of technology news and information for IT influencers worldwide. Computerworld's award-winning Web site (Computerworld.com), twice-monthly publication, focused conference series and custom research form the hub of the world's largest global IT media network.

Who is the girl upstairs? Beautiful and innocent, snatched from her apartment by a man with no name. Who is the girl upstairs? Her father and fiancé know. They're willing to do anything to bring her home. Who is the girl upstairs? Trapped in a nightmare, a world beyond her control, where the only hope for survival is to surrender herself -- body and soul. THE GIRL UPSTAIRS is the new thriller by L.C. Holt that plumbs the depths of human depravity in search of love in the dark.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

A practical roadmap for developing successful e-business strategic plans *E-Business Expectations* provides a critical review of the process of evolving a product or service from prototype to practical technology. Written by renowned expert on technology issues, this book provides business executives and managers with tools they can use to position their product or service to best satisfy their customer's needs. It guides readers from unrealistic to realistic expectations of what a firm's technology can bring to its e-business strategy. This book provides managers with a solid foundation for creating realistic technological expectations for their e-business in terms of repeatability, scalability, operating environment, resource requirements, and compatibility issues. Bryan P. Bergeron (Brookline, MA) has over thirty years' experience designing and working with computers and electronics. He teaches technology and business at Harvard Medical School and MIT and is Editor in Chief of *e.MD*, Technical Editor of *Postgraduate Medicine*, among others. Dr. Bergeron is President of *Archetype Technologies, Inc.*, a technology consulting firm.

Covers receipts and expenditures of appropriations and other funds.
