Omartian offers guidance on how to pray for oneself and for others. In this book of faith and courage, she teaches women how to become closer to God through prayer.

Bestselling author Stormie Omartian leads young girls through the basics of prayer, including what prayer is, how to pray, what to pray for, and much more. Over the course of her impactful writing career, Stormie Omartian has inspired millions of women to pray powerfully over their marriages, their families, and their lives. Now Stormie wants to train up the next generation of prayer warriors, teaching tween girls how to talk to God. In *The Power of a Praying® Girl*, tweens will learn more than just how to communicate with God. They will discover the Lord's great love for them, their true spiritual identity, who Jesus is, and how they can invite Him into their hearts. Each chapter includes some simple questions to help girls grow deeper in their faith. Join Stormie in helping tween girls unlock the lifechanging power of prayer.

Describes the Pink Gang, an Indian women's grassroots vigilante group, 20,000-members strong, who fight for women's rights throughout the country and highlights the stories of the women they have helped and the tactics they used. 10,000 first printing.

The signature book in an exciting new line of products designed for girls ages 11-16 Using contemporary language, illustrations, design, and graphics, this book confronts the problems of identity, security, and self-esteem that plague young teenage women today. Through a skillful examination of the Scriptures it reveals the power for daily living that God has promised to believers and shows readers that the world has nothing compared to what God offers. Topics include Self-Esteem, Power of the World, Power of the Underworld, the Holy Spirit, and Truth 'Girl Power': *Girls Reinventing Girlhood* examines the identity practices of girls who have grown up in the context of 'girl power' culture. The book asks whether - and which - girls have benefited from this feminist-inspired movement. Can girls truly become anything they want, as suggested by those who claim that the traditional mandate of femininity - compliance to male interests - is a thing of the past? To address such questions, the authors distinguish between 'girlhood' as a cultural ideal, and girls as the embodied agents through which girlhood becomes a social accomplishment. The book identifies significant issues for parents and teachers of girls, and offers suggestions for 'critical social literacy' as a classroom practice that recognizes the ways popular culture mediates young people's understanding of gender. 'Girl Power' will be of interest to researchers of contemporary gender identities, as well as educational professionals and adult girl advocates. It is relevant for students in gender studies and teacher-education courses, as well as graduate student researchers.

In the early nineties, riot grrrl exploded onto the underground music scene, inspiring girls to pick up an instrument, create fanzines, and become politically active. Rejecting both traditional gender roles and their parents' brand of feminism, riot grrrls celebrated and deconstructed

femininity. The media went into a titillated frenzy covering followers who wrote "slut" on their bodies, wore frilly dresses with combat boots, and talked openly about sexual politics. The movement's message of "revolution girl-style now" soon filtered into the mainstream as "girl power," popularized by the Spice Girls and transformed into merchandising gold as shrunken T-shirts, lip glosses, and posable dolls. Though many criticized girl power as at best frivolous and at worst soulless and hypersexualized, Marisa Meltzer argues that it paved the way for today's generation of confident girls who are playing instruments and joining bands in record numbers. *Girl Power* examines the role of women in rock since the riot grrrl revolution, weaving Meltzer's personal anecdotes with interviews with key players such as Tobi Vail from Bikini Kill and Amy Ray of the Indigo Girls. Chronicling the legacy of artists such as Bratmobile, Sleater-Kinney, Alanis Morissette, Britney Spears, and, yes, the Spice Girls, *Girl Power* points the way for the future of women in rock.

Written by bestselling author melody carlson. Meet Morgan, Amy, Carlie, and Emily. They all live in the trailer park at 622 Harbor View in tiny Boscoe Bay, Oregon. Proximity made them friends, but a desire to make the world a better place—and a willingness to work at it—keeps them together. In the first book of this new series, *Project: Girl Power*, bullies knock Emily from her bike on her way home from school, so the girls start walking together because there's safety in numbers. With help from other people in the park, they set out to beautify Harbor View. In book two, *Project: Mystery Bus*, the girls begin summer by working to clean and restore their bus to use as a clubhouse. And thus begins the Rainbow Club. In book three, *Project: Rescue Chelsea*, Carlie makes a new friend. Chelsea Landers lives in a mansion and isn't always very kind. Carlie would like a best friend, but will Chelsea fit in with her other friends? In book four, *Project: Take Charge*, the girls decide to take action when they find out their town's only city park has been vandalized and may soon be turned into a parking lot. MELODY CARLSON In sixth grade, Melody Carlson helped start a school newspaper called *The BuccaNews* (her school's mascot was a Buccaneer—argh!). As editor of this paper, she wrote most of the material herself, creating goofy phony bylines to hide the fact that the school newspaper was mostly a one-"man" show. She lives in Sisters, OR. Visit her at www.MelodyCarlson.com

Frauen können alles erreichen! Vulkane erforschen, mit Gorillas leben, ins All fliegen – mit ihren einzigartigen Fähigkeiten, ihrem Mut und ihrem Wissensdrang sind die 50 außergewöhnlichen Frauen, die Rachel Ignatofsky in spannenden Porträts vorstellt, eine Inspiration für alle Frauen und Mädchen. Der wundervoll illustrierte New York Times-Bestseller feiert die Erfolge von Frauen wie Jane Goodall oder Marie Curie, die – allen Widrigkeiten zum Trotz – den Weg geebnet haben für die nächste Generation von Ingenieurinnen, Biologinnen, Mathematikerinnen, Ärztinnen und vielen mehr – und zeigt so, dass jeder seine Träume verwirklichen kann, solange man an sich selbst glaubt.

The monumental bestseller *Quiet* has been recast in a new edition that empowers introverted kids and teens Susan Cain sparked a worldwide conversation when she published *Quiet: The Power of Introverts in a World That Can't Stop Talking*. With her inspiring book, she permanently changed the way we see introverts and the way introverts see themselves. The original book focused on the workplace, and Susan realized that a version for and about kids was also badly needed. This book is all about kids' world—school, extracurriculars, family life, and friendship. You'll read about actual kids who have tackled the challenges of not being extroverted and who have made a mark in their own quiet way. You'll hear Susan Cain's own story, and you'll be able to make use of the tips at the end of each chapter. There's even a guide at the end of the book for parents and teachers. This insightful, accessible, and empowering book, illustrated with amusing comic-style art, will be eye-opening to extroverts and introverts alike.

Spinning out of the hit series *HARLEY QUINN*, this six-issue miniseries tells the story-within-the-story of the unlikely super-duo's adventures

in outer space! Hey, remember the panel gutter between panels 3 and 4 of page 20 of HARLEY QUINN #12? What? You don't? It's only, like, the most memorable panel gutter of the twenty-first century! We'll jog your memory--our heroes, Harley Quinn and Power Girl, were tossed through a teleportation ring, dropping them into galaxies unknown. It's a cosmic adventure beyond your wildest imaginings: Power Girl and Harley Quinn, stranded in a forgotten dimension, on the homeworld of the amorous warlord Vartox! They'll sacrifice anything they have to in order to get home--except their dignity. Kidding! That'll be the first thing to go. HARLEY QUINN writers Amanda Conner and Jimmy Palmiotti are joined by artist Stephane Roux (BIRDS OF PREY) and writer Justin Gray (ALL-STAR WESTERN) for an unforgettable tale of friendship, romance and butt-kicking! Collects HARLEY QUINN AND POWER GIRL #1-6.

Suggests ways for girls to develop self-esteem and become assertive in the face of pressures from advertisers, family, and peers to have a "perfect" body.

Life on the sea is enough for Roselyn, until he gets under her skin. Roselyn Jensen runs her father's crab boat with an iron fist. When another captain asks for her help, she expects the transition to be smooth. However, all her years on the Bearing Sea haven't prepared her for him. Salvatore Russo also comes from a long line of fishermen. Although the most junior of his boat's crew, he yearns to advance. His hope grows when they need a replacement for their deck boss. He needs the newbie to take over his duties. Then she shows up Between his resentment of her and her attraction to him, their worlds spin out of control. What happens when their love of the sea threatens to capsize these two jaded crabbers? Will they give in to their urges or stick to their pledge of staying professional? The "Girl Power Collection" is a celebration of feminism in an unprecedented manner and will serve as an inspiration for millions of readers across the globe. Over the years, men that have made landmark achievements in different facets of life have often been celebrated with very little stories about bad ass women that have excelled in their respective positions. While there are some works that highlight the fantastic achievements of women in powerful positions, there is no particular project exclusively dedicated to celebrating the "girl power." The compilation contains short stories with the theme of Girl Power in whichever way the author defines it for herself and her readers. The 33 romance stories are narrated in a diverse yet entertaining and inspiring way and will be released in regular intervals throughout 2020.

A consideration of menstruation in the lives of teenage girls—and in the lives of teenage boys.

From the precocious charms of Shirley Temple to the box-office behemoth Frozen and its two young female leads, Anna and Elsa, the girl has long been a figure of fascination for cinema. The symbol of (imagined) childhood innocence, the site of intrigue and nostalgia for adults, a metaphor for the precarious nature of subjectivity itself, the girl is caught between infancy and adulthood, between objectification and power. She speaks to many strands of interest for film studies: feminist questions of cinematic representation of female subjects; historical accounts of shifting images of girls and childhood in the cinema; and philosophical engagements with the possibilities for the subject in film. This collection considers the specificity of girls' experiences and their cinematic articulation through a multicultural feminist lens which cuts across the divides of popular/art-house, Western/non Western, and north/south. Drawing on examples from North and South America, Asia, Africa, and Europe, the contributors bring a new understanding of the global/local nature of girlhood and its relation to contemporary phenomena such as post-feminism, neoliberalism and queer subcultures.

Containing work by established and emerging scholars, this volume explodes the narrow post-feminist canon and expands existing geographical, ethnic, and historical accounts of cinematic cultures and girlhood.

Gegen den Big-Other-Kapitalismus ist Big Brother harmlos. Die Menschheit steht am Scheideweg, sagt die Harvard-Ökonomin Shoshana Zuboff. Bekommt die Politik die wachsende Macht der High-Tech-Giganten in den Griff? Oder überlassen wir uns der verborgenen Logik des Überwachungskapitalismus? Wie reagieren wir auf die neuen Methoden der Verhaltensauswertung und -manipulation, die unsere Autonomie bedrohen? Akzeptieren wir die neuen Formen sozialer Ungleichheit? Ist Widerstand ohnehin zwecklos? Zuboff bewertet die soziale, politische, ökonomische und technologische Bedeutung der großen Veränderung, die wir erleben. Sie zeichnet ein unmissverständliches Bild der neuen Märkte, auf denen Menschen nur noch Quelle eines kostenlosen Rohstoffs sind - Lieferanten von Verhaltensdaten. Noch haben wir es in der Hand, wie das nächste Kapitel des Kapitalismus aussehen wird. Meistern wir das Digitale oder sind wir seine Sklaven? Es ist unsere Entscheidung! Zuboffs Buch liefert eine neue Erzählung des Kapitalismus. An ihrer Deutung kommen kritische Geister nicht vorbei.

Practical advice for attracting fabulous men! Welcome to Pulling Power! In an ocean of self-help romance guides and as many dating rulebooks as there are singletons, Pulling Power is about 'tools' not 'rules.' Die GabeRomanHeyne Verlag

This book presents a comprehensive history of the seven Apache tribes, tracing them from their genetic origins in Asia and their migration through the continent to the Southwest. The work covers their social history, verbal traditions and mores. The final section delineates the recorded history starting with the Spanish expedition of 1541 through the Civil War.

This is the story about a native New Jersey girl who, at the age of fifty-six, relocates to a small town in northwest North Dakota. There she finds that she has a lot to learn about her new hometown, as well as a lot to learn about herself. The overview of television criticism, which this book provides, comes appropriately at a moment of change. Television is becoming dramatically different as a result of new and developing technologies such as cable, HDTV, satellite transmission and broadband distributions. By concentrating on the still-dominant notion of television, what the authors call "Classical Network Television," they argue that it is as important to understand this model as it is to understand Classical Hollywood Cinema. The co-authors have a unique approach to the study of television, viewing its history and reception not only through important articles about the medium, but also through analyzing how Hollywood auteur cinema has commented on television over the decades, in films such as Tootsie, Network, The Last Picture Show, A Face in the Crowd, Rollerball, The King of Comedy and others. Not only does this reflect the pervasive use of cinema theory to discuss television, it also helps to emphasize the importance of clarifying the distinctions between the criticisms of the two media. Television at the Movies argues that the study of television is a crucial aspect of understanding our recent and contemporary culture, and it provides an illuminating point of entry for students and researchers in the field.

Wenn Ohnmacht zur Macht wird - die Zukunft gehört den Frauen Es sind scheinbar gewöhnliche Alltagsszenen: ein nigerianisches Mädchen am Pool. Die Tochter einer Londoner Gangsterfamilie. Eine US-amerikanische Politikerin. Doch sie alle verbindet ein Geheimnis: Von heute auf morgen haben Frauen weltweit die Gabe – sie können mit ihren Händen starke elektrische Stromstöße aussenden. Ein Ereignis, das die Machtverhältnisse und das Zusammenleben aller Menschen unaufhaltsam, unwiederbringlich und auf schmerzvolle Weise verändern wird.

All he wants is to be a hero, but he's the hero no one wants! This heartwarming story shows that dads can be superheroes--as long as they have their daughters by their side to do the real rescuing. When trouble is brewing, Wrong Man is there to make it

worse. When someone needs help, Wrong Man does just the opposite of what's needed. And when situations go awry, Wrong Man helps them go awry-er. Luckily, Wrong Man's daughter is there to really save the day. In this comic-book inspired picture book, our hero accidentally melts stinky cheese all over the city, lets sharks loose, and turns one big meteor into many little ones! But all Wrong Man wants to do is help -- and try to help he does, until he finally gets it right. He may be laden with mishaps, but Wrong Man is also full of heart. And in this fun- and adventure-filled book, readers can celebrate love and imagination even as they laugh at the silliness of it all. Praise for *The Adventures of Wrong Man and Power Girl*: "A lighthearted adventure story that charms and entertains." —Kirkus Reviews "Kids will want to pore over this hilarious romp that's expertly executed--simply amazing." —School Library Journal "Morrison's detailed, dynamic illustrations lend themselves well to London's comic scenarios." —Publishers Weekly

Tests. Mobbing. Zahnschmerzen. Coming-out. Pickel. Liebeskummer. Einsamkeit. Stress. Enttäuschende Brüder. Peinliche Eltern. Peinliche Körperteile ... Als wäre das alles nicht schon genug, gibt es an Molly Frosts Schule auch noch eine Kleiderordnung, die den Mädchen das Leben schwer macht. Denn statt Kleidung tragen zu können, in der sie sich wohl-, sicher und selbstbewusst fühlen, werden sie für jede verbotenerweise unbedeckte Körperstelle gemäßigelt und gedemütigt. Molly hat das satt und beginnt in ihrem Baumhaus einen Podcast aufzunehmen. In jeder Folge kommt ein anderes Mädchen zu Wort, das von seinen Erfahrungen berichtet und sich Mollys friedlichem Protest anschließt. Gemeinsam schreiben sie eine Petition, malen Protestplakate und wenden sich an die Schulbehörde. Und am Ende verwandelt sich sogar ein ganzer Schulausflug in einen riesigen Sitzstreik, bei dem alle mitmachen: die Mädchen, die Jungs, die Eltern und einige Lehrer. Denn es ist Zeit, zusammenzuhalten und etwas zu verändern!

Discusses how participation in sports can have a positive affect on a girl's spirit as well as her body.

Cardiac nurse Megan Bailey has it all. Until she doesn't. Thanks to a string of horrible relationships, an unexpected twist in her career, and mounting credit card bills, Megan escapes to Adventura Summer Camp to work as camp chef. Instead of a relaxing summer in the mountains, she faces a persnickety oven, squirrels in the kitchen, and a host of uncertain staff. With the help of her twin brothers and a quiet, blue-eyed camp ranger named Justin, Megan will have to navigate the treacherous waters of a storm she never expected: her parents possible divorce. *I Am Girl Power* is the second book in the quirky new Health and Happiness Society series. Join Megan as she experiences heartbreak, laughter, and the frightening winds of change.

Written by bestselling author Melody Carlson. Meet Morgan, Amy, Carlie, and Emily. They all live in the trailer park at 622 Harbor View in tiny Boscoe Bay, Oregon. Proximity made them friends, but a desire to make the world a better place—and a willingness to work at it—keeps them together. In the first book of this series, *Project: Girl Power*, bullies knock Emily from her bike on her way home from school, so the girls start walking together because there's safety in numbers. In book two, *Project: Mystery Bus*, the girls begin summer by working to clean and restore their bus to use as a clubhouse. And thus begins the Rainbow Club.

In Life, Get 'Em Girls Always Go After What They Want... You know a Get 'Em Girl when you see one. She's got it together: great job, nice friends, and plenty of style. But when it comes to love, not all Get 'Em Girls have it figured out. While some may think it's a cliché, maybe the way to a lover's heart is still through his stomach. But who has time to be chained to a stove? Just like having an extra job skill can help you get hired, someone willing to invest a little time and energy into a relationship definitely stands out in a crowded dating field. The Get 'Em Girls' Guide to the Power of Cuisine features over 120 easy and delicious recipes that reflect the authors' southern-girl-in-the-big-city upbringings and will complement every stage of a growing relationship: "Grown 'n' Sexy" desserts meant for sharing The first "Morning After" Breakfast The "Bring Him Back" Chicken Soup when he's sick "Meet the Parents" Carrot Cake and much more! Whether planning an intimate dinner for two or a down-home feast reminiscent of Mama's Sunday dinner, The Get 'Em Girls' Guide to the Power of Cuisine is filled with helpful tips, from stocking the pantry, to selecting wine, and even dating advice! Cooking for a lover can be more meaningful (and cheaper) than dining out. But this is about more than just the food: it's about women investing in themselves and in their relationships. For all the women who aren't afraid to go after what they want, The Get 'Em Girls' Guide to the Power of Cuisine is a must-have in their kitchens!

Discusses ways for girls to get the most out of school including being treated fairly, learning as much as possible, and developing self-esteem.

In this searing feminist compilation, Carlip illuminates the worries, hopes, dreams and experiences of girls ages 13 to 19, through their stories, poems, letters, and notes. In this pages of this book, Hillary Carlip -- an American author and visual artist, whose work has been featured alongside Andy Warhol and Damien Hirst -- spotlights the inner workings of the teenage mind, as expressed through personal writings. The girls' voices come from a variety of backgrounds and perspectives -- cowgals, lesbians, teen mothers, sorority sisters and girls in gangs -- and reveal the depth, vulnerability, wisdom, and power of the writers.

Helps adults teach girls that self esteem will help them make the most of their lives ; provides adults with materials that encourage girls to realize their full potential through avoidance of drugs, tobacco and alcohol.

Als Susan Cain ein Teenager war, wurde sie oft gefragt, warum sie so still ist. Daraufhin zwang sie sich jahrelang, im Unterricht das Wort zu ergreifen und auf Partys zu gehen, auch wenn sie ihre freie Zeit lieber mit einer guten Freundin verbracht hätte. Im Laufe der Jahre erkannte Susan, dass ihre Introvertiertheit keine Schwäche, sondern eine Stärke war. Sie nahm sich Zeit zum Nachdenken, war ausgeglichen und eine gute ZuhörerIn. Ihr erstes Buch »Still« wurde ein weltweiter Erfolg und ermutigte viele Introvertierte, zu sich selbst zu stehen. In ihrem zweiten Buch dreht sich alles um die Welt von Kindern und Jugendlichen. Sie „sind oft talentiert, einzigartig und liebevoll. Und trotzdem denken sie, dass

etwas mit ihnen nicht stimmt. Das muss sich ändern“, beschreibt Susan Cain ihr Anliegen, das hinter diesem wichtigen Buch steckt.
