The tips at the beginning of the book explain the format of the IELTS reading test and tell you what to expect on your exam day. Practice Reading Test 1 in the publication is in tutorial mode, so it includes tips and suggestions at the beginning of each section to give you strategies to help you answer all of the types of questions on the reading tests. There is a complete answer key with in-depth explanations for each answer, so that you can understand why each answer is the correct one. The explanations give you additional tips to help you improve your test-taking technique.
