Historians and theologians have long recognized that at the heart of the sixteenth-century Protestant Reformation were five declarations, often referred to as the 'solas': sola scriptura, solus Christus, sola gratia, sola fide, and soli Deo gloria. These five statements summarize much of what the Reformation was about, and they distinguish Protestantism from other expressions of the Christian faith. Protestants place ultimate and final authority in the Scriptures, acknowledge the work of Christ alone as sufficient for redemption, recognize that salvation is by grace alone through faith alone, and seek to do all things for God's glory. In *God's Glory Alone—The Majestic Heart of Christian Faith and Life*, renowned scholar David VanDrunen looks at the historical and biblical roots of the idea that all glory belongs to God alone. He examines the development of this theme in the Reformation, in subsequent Reformed theology and confessions, and in contemporary theologians who continue to be inspired by the conviction that all glory belongs to God. Then he turns to the biblical story of God's glory, beginning with the pillar of cloud and fire revealed to Israel, continuing through the incarnation, death, and exaltation of the Lord Jesus Christ, and culminating in Christ's Second Coming and the glorification of his people. In light of these wonderful biblical themes he concludes by addressing several of today's great cultural challenges and temptations—such as distraction and narcissism—and reflecting on how commitment to God's glory alone fortifies us to live godly lives in this present evil age.

*The Pilgrimage to Heaven: How to Have Eternal Life and Enter Heaven* focuses attention on two contrasting paths people may take through their lives: the way of indulging personal desires and the way of following Jesus Christ. Author John C. T. Kim provides honest and unsparing glimpses of his journey into the hell of his own creation and the rescue he received through the promise of new life through the gospel of Jesus Christ. His story invites greater appreciation of

travails such journeys entail, while providing authentication for the witness he makes to the work of the Lord. Four main sections share personal stories and Christian witness under the headings of “The Way of Man,” “The Life in the World,” “The Way of God,” and “The Life in Christ Jesus.” Explanations of key biblical terms, explorations of current cultural practices, and consideration of the Bible’s message combine to draw out the spiritual challenges of sinful living and to lift up the spiritual blessings of righteousness. If you have found yourself wondering how you fell into captivity to the forces of evil, how you slid into poverty of spirit, and how you wandered into a wilderness of doubt, *The Pilgrimage to Heaven* offers straightforward and informed guidance for turning your life around, taking a step off of the road gone wrong, and making your pilgrimage toward heaven as a committed disciple of Jesus Christ.

**DO NOT BE FOOLED!** The Church, the body of Christ, has stood both spiritually and biblically through a long history of effective ministry. Empowered and gifted by the Holy Spirit and the Word of God the local church is still standing! We find the church challenged today by a radically changing time; the Greek “anion” refers to “a period of time.” The Apostle Paul warned of the “Perilous times” to come in the last days: the great rejection of God and the sacrificial offering [blood] that God requires – for a [bloodless] substitute, that humanity is willing to give. (see Genesis 4:3-7; Hebrews 11:4) “Grace and truth came [or subsists] through Jesus Christ” (John 1:17b ASV, and Darby in brackets). The Greek word for “came” is “ginomai” which means “has come”—signifying that that which before had never actually been in being in the world now begins to be so. In other words, grace actually commenced to be, yet not in God’s mind, of course, but in revelation and actual existence down here on the earth (see Darby’s footnote discussion on “subsists” in John 1:17). Mankind could not fully understand what divine grace is till it was revealed in Jesus Christ; nor could believing mankind fully apprehend the depth of that grace till it be found in Christ Jesus. Even today this so great salvation continually amazes those of us who have been touched by God’s grace. In August 1937 brother Watchman Nee gave a series of ten messages in Singapore on the Biblical theme of Amazing Grace. They were greatly appreciated at that time by those who heard. Now they have been translated into English for the benefit of the English-speaking world. May God use these messages to strengthen our faith.

Excerpt from *The Saints' Everlasting Rest, or a Treatise of the Blessed State of the Saints, in Their Enjoyment of God in Glory* IT was not only our interest in God, and actual fruition of him, which was lost in Adam's fall but all spiritual knowledge of him, and true disposition toward such felicity. Man hath now a heart too suitable to his estate a low state, and a low spirit. As the poor man that would not believe that any one man had such a sum as a hundred pounds, it was so far above what he possessed; so man will hardly now believe, that there is such a happiness as once he had, much less as Christ hath now procured. The apostle bestows most of this epistle in proving to the Jews that the end of all ceremonies and shadows is to direct them to Jesus Christ, the substance and that the rest of Sabbaths, and Canaan, should teach them to look for a future rest. My text is his conclusion after divers arguments to that end; a conclusion so useful to a believer, as containing the ground of all his comforts, the end of all

What more welcome news to men under public calamities! Hearers, I pray God your entertainment of it be but half answerable to the excellence of the subject; and then you will have cause to bless God, while you live, that ever you heard it, as I have that ever I studied it. Meet Saint John, a little fellow with a huge heart, who did ALL FOR THE GLORY OF GOD and learned to love Him enormously! Being different from others is never easy. Saint John the Dwarf, of all people, could tell you that! Forever standing on chairs to reach things, unable to play games with other children because of his size, and being teased by the village bullies were all hard things to bear, and could have made John bitter and full of self-pity. But John discovered a secret - a great BIG secret - which changed his life and turned him into a giant of a saint. Join Little John on his adventures - from his home to a desert cave, to the altar and beyond - and let him teach you his secret of holiness too! With charming full-color illustrations and easy-to-read text, this first book in Susan Peek's new series for children (companion to her series for teens, "God's Forgotten Friends: Lives of Little-known Saints") is sure to capture the hearts of Catholic children everywhere.

Unleashing God's Truth, The Overcomers, was formerly released as two individual books: As I Also Overcame, and He Who Overcomes. Together they portray the personal journey of the author, Dywen Lauren, and how God trains her to be an overcomer, and empowers her to teach others the qualities necessary to gloriously overcome. Whether you are an earnest seeker who wants to find the one true God, or the sincere Christian who wants to live a life of victory while pleasing and honoring God, you will find this book enlightening and full of convicting truths. Christians who are wavering will find powerful reasons to fear the Lord and return to Him—to their first love. “The destiny of the nation lies in the destiny of the Church, and God’s will for the Church is to be an overcomer. I’m sure as you read this book, you’ll find yourself challenged, encouraged, nourished in Christ, and empowered to move on to greater things in your life.” —Dr. Rajan Thiagarajah, Senior Pastor, Mighty Living Waters Life Fellowship, Australia “Dywen brings a timely warning and needed reminder to all Christians and even to Pastors, of the perilous times we are in. The deceptions that are highlighted in this book already exist and the Lord Jesus said that even the “very elect” would be deceived, if it were possible. This book will open the eyes of those who are not watchful.” —Khim Ang, Senior Pastor, River of Life Sanctuary, Malaysia “This book makes you think about the importance of abiding in and living the Truth, to discern deceptions and overcome the works of our flesh in order to live as an overcomer.” —Pastor Larry Leong, Singapore

The story of Job told for the first time with clarity, non-contradiction, understanding and coherence. The true Christian Suffering: What is it,

how and why it must be entered and what is its purpose - all great surprises for every saint of God, small or great. The prevailing "gospel or suffering" is debunked, freeing the Christian truly to STAND confidently, without fear, in Christ for victory after victory and for his/her crown of life. This read will quicken the steps in the way of the Lord, lift the head in expectation, assurance and hope, and cause the heart to rejoice (Paulinian Boast) in the merciful, gracious and unchanging (predictable and reliable) GOOD ALMIGHTY. This work tackles some traditional and absurd teachings on the Book of Job along with that accompanying "Gospel of Suffering," which some have built to support these teachings. It removes the darkness from God's character and sets the disciple of Christ free to stand in the light of a good God who does not tempt (test or try) his saints. It shows that the statement by the young Elihu, that God will not afflict, is not only true in itself, but is the unfailing word of God. All readers, from the young Christian to the elder, will come away with a joyful freshness in the knowledge of the true Sovereignty of God. And burdens carried long now, and unnecessarily, will fall from many. Robert Sydney Reyes was added by the Lord to the Church several decades ago. He is not a scholar nor an expert, nor is he degreed in Theology. He owes no allegiance to any religious organization but accepts, as he should and must, all true children of God as his brethren, as he with them in the divine purpose mature into the stature of the fullness of Christ and await the certain return of our Lord Jesus Christ for all the saints. The classic text of Christian reverence by Richard Baxter is presented to the reader unabridged with all sixteen chapters, and the conclusion. Written by Baxter as he lay suffering from a serious illness, The Saints' Everlasting Rest may be interpreted both as a final correspondence between the author and God, and as a message from Baxter who sought to give a pure example of devotion to all Christians. He endured much persecution in life, and was on multiple occasions incarcerated for his beliefs. As a leading figure in the Puritan movement of the 17th century, Richard Baxter spent his life teaching the Christian faith. A reformer who sought to install rigor and observance of faith in the Church of England, Baxter's sudden and unexpected descent to illness steeled him with the devotion to write this book. He had hitherto spent his life as a preacher with some proclivity to writing: his illness however instilled an urgency which accelerated his written output in service of God. In this book, William D. Holmes talks about how Christians has strayed away from the way God commanded for them to live in the Bible. As the generations change, so has the way people live change. What the Bible teaches regarding holiness should remain the same throughout each generation. Although what has happen is Satan has enlighten some people to try to modernize the teachings of Holiness and the things that the bible say Christians should not do. They will say it is nothing wrong with it. By so doing, they will mislead the people back into the world dressing and acting just like the heathens. It will be that there will be no difference in the church people and the world. The church will turn into a social club. It is the job of Satan to lead as many souls as he can into the fires of hell. It is time to clean house and return back to God, serving him in holiness and righteousness all the days of your life. I will talk about the false prophets and their impact on the church and the coming of the Antichrist and the mark of the beast. I will talk about the end-times with the four horses and two witnesses with their impact on the world—the coming of the Son of Man in his glory, God's wrath upon the earth. First and second resurrections with judgment at the great throne of the almighty and the millennium and a glimpse of heaven and hell. The final defeat of Satan and the demons with the new world order and much more will I go over in the power pack book. I am writing by leading and revelation of the Holy Ghosts. These events were given to me by God. We all should know no man knows the day or hour Jesus will return. Only God the Father knows. The immortal world is hidden from us on this side. But this book only gives you an idea picture of what is to come. May God speak to your heart as you read this book. It is time to live holy for Jesus and be ready for the soon coming king and rapture of the Church.
