From the Sunday Times bestselling author of Her Frozen Heart. Everyone has heard of the Beaufort twins, but few have ever seen them... On the eve of their 21st birthday, at one of the most lavish parties society has ever seen, Octavia and Flora Beaufort are launched into the world. For Octavia, it is one of the most thrilling nights of her life, an evening glittering with the promise of her future. But Flora shrinks from the limelight, fearful of what lies beyond the walls of her over-protective aunt's house. As Octavia is swept into a whirlwind of lavish spending and fashionable society, she grasps eagerly at whatever she wants: clothes, houses, men... even a department store. But Flora yearns for security - and when she is rescued from harm by a kind stranger, she seems to have found the love and protection she craves. Prey to all kinds of dangers, the twins soon realise that without each other, they run the risk of losing everything. But is it already too late...?

Following the beloved #1 New York Times bestseller The Friday Night Knitting Club is this charming story of sisterhood. At the Manhattan knitting store founded by Georgia Walker, the members of the Friday Night Knitting Club—including Georgia's college-age daughter, Dakota—rely on each other for help, even as they struggle with new challenges: for Catherine, finding love after divorce; for Darwin, the hope for a family; for Lucie, being both a single mom and a caregiver for her elderly mother; and for seventy-something Anita, a proposal of marriage from her sweetheart, Marty, that provokes the objections of her grown children. As the club's projects—an afghan, baby booties, a wedding coat—are pieced together, so is their understanding of the patterns underlying the stresses and joys of being a mother, wife, daughter, and friend. Because it isn't the difficulty of the garment that makes you a great knitter: it's the care and attention you bring to the craft, as well as how you adapt to surprises...

Elijah Lane left Whiskey River under a cloud of suspicion about a car theft he didn't commit. After a stint in the army and years learning the wine industry, he's back, ready to develop an elite boutique winery. With backing from a Hollywood A-lister, Eli intends to prove that this boy from the wrong side of town has made it big. There's no one he wants to prove it to more than Rachel Wilson, the high school sweetheart who didn't believe in his innocence and married someone else practically the minute he left Whiskey River. Busy running her specialty baking company, widowed Rachel has no interest in romance—even when her first love comes back to town. Though she feels guilty that she didn't stand behind the boy her mother persuaded her was certain to become a Barrels ne'er-do-well like the father who abandoned them, she has neither the time nor the energy to explore second chances. Moved by the star-crossed couple's repressed passion, which is hotter than cinnamon candy and sweeter than sugar icing, a benevolent Christmas ghost, who lives for happy endings, might just be cooking up a delicious new chance for Rachel and Eli.

The Circus by Kay Jaybee is voyeuristic erotica where the line is blurred between spectator and performer in a theatre of pleasure and pain!

If you ask most men, they'll tell you my name is Jason. If you ask most women, they'll tell you my name is Maximum, 'cause I'm maximum in bed... Yeah. I like a little action in the sheets, but it doesn't change the fact that I have responsibilities. I'm a single dad. My little girl's sweet mother didn't live to see her grow up, so now it's all on me to do by right by our daughter. Maybe because of that, I've never let myself get too close to any woman. They've mostly been one-night stands, a week at most. But I just moved into this new town, and my neighbor, Lucy, she calls to me in a way no one has since my wife was alive. Damn. I don't know what to do. I want her bad. Real bad. I'm damn Maximum, right? I can handle her. But maybe that's not enough. Maybe I'm not meant to be with a woman long-term anymore. How can I be sure, especially when I have my daughter to consider?

Annabet and her younger brother Anders grew up in idyllic surrounds on the lower north shore of Sydney in the 1950s. They lived in the original boatshed on Balmoral Beach and had an Australian mother and an imposing Swedish Naval captain for a father. However, nothing was as it seemed and Annabet and Anders were exposed to harsh, often irrational and frequently violent discipline from both parents, which left them emotionally unbalanced and starved of affection. In a time where domestic violence was never discussed within the family let alone outside it, Annabet and Anders struggled to

keep their spirits and souls afloat. But at least they had each other. Anders became an internationally recognised chef and restaurateur, who left his legacy on the Australian food scene. He also was a talented potter holding numerous exhibitions of his works. Annabet became a children's clothing designer and manufacturer whose clothing line was stocked in various boutiques Australia wide and David Jones department store. Despite their outward success neither could escape the legacy of their violent and disturbing upbringing. Anders never overcame a secret he kept tragically to himself and Annabet was perpetually wracked with self-doubt due to her mother's continual criticism. This beautifully written story not only traces the history of growing up on the north shore but the gradual evolution of the food and fashion scene in Sydney in the 70s and 80s. It encompasses many areas of day to day struggles within families that were not discussed then and which are, sadly, still occurring today.

Rediscover this sizzling romance from fan-favorite author Sarah Mayberry Somebody get some ice... it's steamy in here! Spending a month as personal chef for an overindulged— and mouthwatering—man? Sophie Gallagher is so up for the challenge. She's immune to charm...or so she thinks. Because when big-screen star Lucas Grant turns up the temptation, she discovers—up close and personal—he's earned the name hottest man alive. Sophie is fun, vivacious and couldn't be further from Lucas's bimbo bombshell type. Much to his surprise, she's captivated him. But as sizzling as they are between the sheets, once his hiatus is over, the credits will roll on this fling. Saying goodbye, however, isn't as easy as he'd thought. Will this production be *The End of the Affair...* or *Love Actually*? Originally published in 2008

Imagine if you could identify your business's most profitable customers, craft a better marketing strategy to communicate with them, and inspire them to buy more? Well now you can. And the best part is that you can do it using the data you already have. Today, everything we do creates data, and the volumes are enormous. Virtually every time someone views something online, enters search on Google, or even surfs the web on a smart phone, another chunk gets added – in real time - to the multibillion gigabyte (and growing) trove of data that can help us better understand and predict consumer behavior. We no longer need expertise in math or statistics or even expensive modeling software to get the most out of all these revealing consumer insights. A revolution in data analysis is underway, and the methods and tools for aggregating and analyzing this “data deluge” are suddenly far simpler, less expensive, and more precise than they were. In this book – the first of its kind – Dimitri Maex, Managing Director of global advertising agency OgilvyOne New York and the engine behind the agency's global analytics practice, reveals how to turn your data - those sexy little numbers that can mean more profit for your business – into actionable strategies that drive real growth and revenues. And he can show you how to do it at virtually no cost. In his clear, easy-to-understand style, he explains how to: --Identify which customers are most valuable, which have the most potential to be valuable, which are most likely to buy more in the future, and which are not worth targeting. -- Allocate your marketing assets in the best possible way and pinpoint the outlays that will generate the highest possible returns. --Figure out precisely which communication or media brought a customer to your company's web site and what that customer will do once she arrives. --Predict which products or services customers will want in the future. --Learn which customers are preparing to defect to the competition and how to stop them. -- Determine which customers buy your product because it is perfect for their needs, which ones purchase because they liked your ad, which ones chose you because of an appealing price, and which ones came to you through word-of-mouth...or some combination of all these factors. -- Drill your geographic targeting down to the regional, zip code, and even neighborhood level. --Optimize your web presence to get the maximum return from search. A must read for marketers striving to get the biggest ROI on their advertising dollars, small business owners eager to grow faster, researchers needing a consumer in mind for whom to create new products or services, those in finance responsible for growing the bottom line, and even creatives looking for feedback to help them improve their output, *Sexy Little Numbers* is THE essential tool not just for math nerds and number crunchers, but for anyone wishing to use the data at their fingertips to grow their business and increase their profits dramatically.

From complete innocence to revenge and debauchery. Sexually explosive. Seriously humorous. Humorlessly serious. From shy naivety to kick-ass female empowerment. Based on the story of a true 1st Placed USA team. “Gullible's Travels: Raw & Uncut” follows the naughty and humorous antics of two friends on a USA ladies sports team and their 1st Place stretch both domestically and internationally. Go USA! Find out what countries were destroyed in their path, on and off the field. In her late 20s, Ryleigh now chews men up and spits them out, but they still come racing to be served up as an entree in her boudoir. Her free-spirited and wildly sexploitive partner in crime Streak has taught her well. This is a long way from her innocent, straight-laced upbringing and abusive relationship she breaks free of. Is it because the only man she truly loves and feels passion for, betrays her? Does she discover the conspiracy against them too late? Will she continue to take revenge on all of the rest of the male population who wrongs her?

American in Translation: A Novel in Three Novellas is a woman's journey from the Vietnam era to the present. Each novella represents a pivotal time in the life of Inmaculada, a young Spanish woman who has recently immigrated to the United States. *American in Translation* is Concha Alborgs first novel written in English. In preparation for this book, the author taped conversations with her father, who fought on the liberal side during the Spanish Civil War; collected magazine and newspaper articles from the Vietnam era; and gathered many personal letters, journals, and travel notes of the thirteen months when her own husband, a Marine Corps captain, was in Vietnam. *American in Translation* is written with the author's characteristic irony and self-deprecating humor that contrast with the seriousness of its themes. Marine

Corps Wife is told from Inmas point of view during the year when her husband is fighting in Vietnam while she is in a small Midwestern college town with their newborn daughter. The tension between Inmas own pacifism, the ensuing war protests at home, and her family responsibilities become a balancing act for the young wife. Much has been written about the Vietnam conflict from the point of view of the soldiers, but little from the female perspective of the wife who, like Inma, is left behind, trying to keep her family together. War figures as a motif in this novella because the grandfathers also fought in WWII and the Spanish Civil War respectively. Spanish Daughter, told in a different voice, begins with the death of Inmas mother, which reveals tensions and betrayals within her own family. Inmas inner struggle is accentuated when she discovers her fathers affair with a favorite aunt, and she reads his letters, included in this novella. In contrast with the more liberated 1970s of American culture, Spain was suffering from growing pains after decades of a repressive government. Ironically, the personal and the political become one since Franco is dying at the same time, and in the same hospital, as Inmas mother. Inmas true liberation comes in the third novella, American Woman, told through her journals while traveling in Europe and the States and in direct conversations with her therapist, who is helping Inma find the strength to divorce her husband. Finally, Inma emerges as a fully realized woman: at the personal level through a sexual and emotional awakening and at the professional level through her work and her writing. The Translation of the title becomes emblematic of her transformation and the complexities of American life.

It's the best arrangement possible: a friends-with-benefits relationship with the man she's had a crush on for over a decade. Morgan Landry's commitment to her career, coupled with her goal of NEVER being like her mother is what has her going back to Bryan Curtis for more and more...and well, even more. The biggest challenge is keeping it from their coupled-up friends, including her overprotective brother, who are all on the road to marriage, the one destination Morgan has no intention of reaching. When the arrangement sprouts some complications and Morgan starts failing tests and running away from her job, she does her best to deny the true beat in her heart. Chief Petty Officer Bryan Curtis is married to the navy. He's seen too many marriages fail because of the demands of the military to crave that kind of commitment. Because he likes women, his shallow reputation of pursuing blondes has earned him the title of man-whore, a moniker he's never minded until he crosses the line with Morgan. His loyalty to Morgan's older brother – Bryan's best friend – continues to eat away at him, but not enough for him to walk away from the women he's craved for over a decade. Bryan keeps the secret to keep her in his bed, but when his heart gets involved, he has to own up to his feelings and hope it doesn't ruin his friendship with his best friend or have Morgan jumping ship.

A consumer's reference to green living counsels readers on how to identify truly eco-friendly products and includes reviews and advice for everything from home furnishings and appliances to toys and clothing. Original.

We all need more pleasure in our lives, and these twenty tales reveal the explicit exploits of those who devote themselves to enjoying sex to the full. Surrender to the ultimate in pleasure. Finger Music by Kay Jaybee The early arrival of one part of the jazz trio due to play at the restaurant where Sally works, transfixes her. The dance of his fingertips over the fret of his instrument wreaks havoc with the waitress's imagination, as she mentally replaces her body with the expertly plucked double bass. When the musician asks Sally if she would like to try and play, she soon learns how it feels to create beautiful finger music ... Watch Me, Watch You by Lynn Lake Catherine is into voyeurism. She watches a neighbour pleasure himself, while pleasuring herself; shows off her form to a dirty window-washer staring in from the outside; encourages her boyfriend to jack by the public pool, and her husband to fuck their babysitter on-camera – while she watches. Catherine just can't keep her eyes to herself. Read My Lips by Elizabeth Cage Becky doesn't want a boyfriend and she's not sure she wants sex after her last guy cheated on her – big time. So when her good mate Maz sets her up with the enigmatic Kyle, she is initially annoyed. But it turns out that Kyle has a special talent , which Becky soon discovers when they agree to an unusual businesslike arrangement. She gets the chance to explore and enact her most thrilling and edgiest fantasies. Has she got the nerve to follow it through? When it comes to intense, mind-blowing satisfaction, it seems no words are needed ... A Woman of Pleasure by Izzy French Natalie is a thoroughly modern girl who takes her thrills wherever she can, and arranges them illicitly at work. Her email is hot! And her IT-phobic boss is blind to her sexy goings on. But following a particularly passionate night spent with a couple, Liza and John, back at their place, Natalie is called to the brand new IT manager's office in the morning. He's read her messages and he's not a happy man. He gives Natalie a choice – and she needs to decide how she is going to take her punishment. Will it be the hard way? New Heights by Jenna Bright It's not that Pollie doesn't enjoy sex – she just thinks she's missing out on the really good stuff. Somewhere out there are new pinnacles of pleasure, new heights that take sex from something fun to something sublime – and she's determined to find them. Fortunately for her, she has her best friends, Lee and Rob, on hand, willing to do whatever it takes to help her find perfect pleasure. About to Come by Maxine Marsh Judith has been dating Wes for a long six months and they still haven't screwed. It's all a part of Wes's philosophy – waiting makes it better, and if she really wants him, she'll wait. But the day has finally arrived, and Judith's about to find out just how hungry the wait has made her... Hiking by Penelope Friday Kate isn't sure she's going to enjoy hiking with her boyfriend Alex, but she's willing to give it a go – if she does it in her own way. When she admits to Alex that she has “forgotten” her knickers, their hike through secluded hillside takes an erotic turn. But it turns out the hillside isn't as secluded as the passionate couple originally thought ... The Crinoline by Brian M. Powell The woman suggested, as a game, that all men at the party describe their most secret sexual fantasy. Everyone agreed my fantasy was impossible and it was voted the worst fantasy. Only the woman who had suggested the game was interested in it. But when she called and ordered me to meet her at Forest Hall I did not know what to expect. I discovered she had arranged an extreme scene that allowed me to act out my fantasy with her as its object. It gave us the most intense erotic experience of our lives. The Mirror by J R Roberts Sam is in the enviable position of having a lover who knows exactly what turns her on. But Scott is a tease and uses his skills and the fact that he knows how much she desires him to persuade her to be a naughty girl. Reflections in the mirror allow Sam a view usually denied to women and brings a new and exciting dimension to their lovemaking. Penthouse Sweet by Kate Dominic A married woman enjoys California heat by sunbathing naked on her penthouse balcony, then indulging in an anniversary gift arranged by her husband -- sharing her freshly-shaved, sun-warmed pussy with another woman for the first time. The Heat in Greece by Bel Anderson 'Don't open your eyes,' he says softly, his Greek accent sending shivers down my spine and his hand warm but persistent in the small of my back. 'Trust me. Do not be afraid.' How could a girl resist? Sun, sea, sand and ... a virile young Adonis who is feeling just as maddeningly sexy as I am on this scorching Greek afternoon. Recklessly, I put my trust in this husky-voiced stranger and let him lead me blindly away from the beach and into the most deliciously sensual and orgasmic experience of my life. An experience that turns out to be all my fantasies rolled into one ... By Design by Elise Hepner The last thing Elena, a bored, hotel desk clerk, expects on a slow day at work is a salacious note commanding her to meet a

stranger in his room. The anonymous "Frank" describes in detail how he wants to watch Elena get off in front of him. The erotic possibilities are dangerous ? and wicked. Swayed by her recent break-up and her intense need to do something interesting with her life, Elena follows orders. And what she walks into changes her sexually forever. As You Wish by Maggie Morton Bari has given his wife a lovely anniversary gift ? complete sexual power over him for one night. It will be a night full of power and sex, a night where the power she receives over her partner shows Bari's wife everything she's been missing until then, including the right to do as she wishes to her husband, no matter what those wishes involve. But Bari doesn't mind giving up his power, not in the least, and maybe, just maybe, his wife won't mind taking it from him either. Play It Again by Heidi Champa The only way to celebrate your divorce is with a "re-bachelorette" party, or at least that's what her friend Tammy has convinced her. But she really isn't having a good time, surrounded by so many happy brides-to-be reminding her of what she once had. That's until a handsome groomsman offers to reintroduce her to the sweetest of pleasures... Melonhead by Giselle Renarde When you're a guy with brown skin, you don't make it through airport security too easily. Jai's luggage seems to get rifled through forty times per trip and that's why he never brings along any of his sex toys. But Jai is a planner, and he knows a warm cantaloupe is heaven. His hotel room doesn't have a microwave, so he reluctantly takes up the receptionist's offer to heat up the contents of his big paper bag and bring it to his room. When she arrives, she isn't alone. Jai has two female spectators, and they aren't about to leave without a show. Torture by Pleasure by Bella Marks Where is the line between pleasure and suffering? A sub finds out, and crosses the line, as her master delivers a well-deserved punishment. He tortures her with pleasure and teases her to within an inch of her sanity. Using his fingers, his cock and some evil little brushes, he brings her to the edge over and over again. But will she get to come? It's up to him. Getting Ready for Mick by Jodie Johnson-Smith Sent to the country to finish her book, Fiona is soon feeling lonely. The only visitor she has is Penny, the busty campaigner, who is hell-bent on stopping the council from building on the field behind Fiona's cottage. When three guys arrive to start the work, Fiona decides to get to know them better. But although getting ready for Mick is highly pleasurable, all is not as it seems and Fiona knows that the guys will soon be leaving. Meanwhile, Penny has decided on a new campaign ... Oil, Wine, Miles and Dreaming by Ms Peach Waking from a deliciously erotic dream, Amy expects another dull day in her job as a doctor's receptionist. But Michael has other ideas. He's the hunky patient she's lusted after for ever, and when she accepts his offer of a dinner date, she doesn't realise it'll lead to a night of unforgettable pleasure. Glow by Sommer Marsden Adam is Irene's perfect man, offering her everything she could possibly need – except his love. But she keeps making the trip to his home, where a lantern glows in the window, a sign of how much he wants her, because the pleasure he gives her is far too good to ignore. And maybe tonight will be the night he goes that one step further and gives her his heart, too... Someone Borrowed, Something Blue by Elizabeth Coldwell Melanie's husband-to-be has the kinkiest fantasies about watching her with another man. She has fantasies about being dominated by a horny stranger. And with the aid of a willing wedding photographer and a second-hand dress, she's about to make every single one of those fantasies come true.

A contemporary erotic novel with mixed themes including m/f, f/f, BDSM, menage, sex in public and voyeurism. Wealthy businessman and committed voyeur, Mark Parker, has a list of 13 fantasies he is intent on turning into reality. Travelling between his London flat, his plush Oxfordshire mansion, and Discreet, his favourite BDSM club; Mark is helped to realise his imaginatively dark erotic desires by two loyal members of his staff -his personal assistant, Anya Grant, and his housekeeper, Clara Hooper. Upon the backs of his willing slaves, Mark has written out his fantasy list in thick red pen. Only Fantasy 12 awaits the tick of completion against their flesh before Mark's ultimate fantasy - Fantasy 13 - can take place. But have the girls performed well enough to succeed in the final challenge? And what hold does Bridge's gentleman's club, Anya's previous employer and a place she was delighted to escape from, have over Mark? In order to find out, the girls are going to have to face some of the fantasies they thought they had left behind them all over again.

A collection of five erotic stories with mixed themes including lesbian, menage and sex with strangers. The Librarian by Eva Hore A young woman returns early to her shared apartment, to find her scantily clad room mate preparing for a mysterious night-out. Where does a Librarian go after a day in the stacks? Imagination runs riot as an increasingly lecherous scenario unfolds in the young woman's mind. Her room mate's daytime mousy demeanour, tight bun and glasses are soon discarded, to reveal a wanton dominatrix hell bent on tasting the delights of her desires. Wreck-Her by Lynn Lake A business woman is unexpectedly delayed as her company car breaks-down, deep in the sun-parched Manitoba prairie. With no cell phone signal and the soaring heat of the surroundings rising, desperation rapidly begins to set in. Help soon arrives in the form of a tow truck that stops to offer assistance. After thoroughly appraising the situation, the truck driver is soon ready to dispense a unique form of roadside assistance that ultimately proves much to the woman's delight. Mixed Blessings by Phoebe Grafton Two friends are in need of temporary relief from their respective husbands. With one husband too demanding and the other too languid, both wives decide that a weekend exchange is the best tonic. A plan is hatched, and after a night out together is put into effect, as door keys are exchanged for each others home and husband. The weekend that follows indulges each in the marital secrets of the other and in doing so sheds light over the question: is the grass always greener on the other side? Blindspot by Elspeth Potter Becca is both excited and intrigued when Dante brings a new toy to their swingers' event. But what fascinates her more is how he wants to use it. Very soon, she is joined by Marcus who assists both Dante and herself in experiencing a new, exciting and heightened pleasure. As they plunge into their shared lascivious adventure, all inhibitions fall away leading them to a sensory finale of climactic proportions. Maggie by Kay JayBee Curiosity gets the better of Maggie, as she follows John and Peter, two well-to-do gentlemen from the village deep into the woods. Her world is soon turned upside down when she witnesses both men indulging in a covert act of carnal pleasure, an act which in her world carries a penalty of eternal damnation. When the two well-heeled men discover their concealed spectator, they draw Maggie in as willing participant, to their much larger and debauched plan. These stories have also been published in Ultimate Sins ISBN 9781905170999

Celebrating 60 years of the Indian Republic, we bring you Indian Essentials, a light-hearted, tongue-in-cheek ode to India. In this quirky collection, twenty writers and social commentators ponder the mysteries of the Indian psyche and try to make sense of one trait, phenomenon or cultural value that is quintessentially Indian. Order-loving Rachel Randolph and her laid-back mother Becky Johnson might be opposites in some ways, but there's one thing they both want to figure out: why is life so hectic and draining? Through interviews with friends and lots of research, they determine the most common stressors that mess with a woman's mind. Together, they cook up a plan to live a less depleted and more nourished life. The wise and witty co-authors of the heartwarming We Laugh, We Cry, We Cook, Becky and Rachel share their successes and failures as they make peace with their imperfect bodies, create living spaces they love, get wiser in their relationships, tame jam-packed schedules, settle into God's love, and more. In short, they stumble and journey together toward a life that better nourishes them—body, mind, soul, and spirit. With humor, honesty, and faith, this mother-daughter duo offers a breath of fresh air for readers of all generations and life-stages who find themselves drained, discontent, or discouraged—and know there has to be a healthier alternative.

In this extraordinary work of journalism, bestselling and award-winning author Larry Colton journeys into the world of Montana's Crow Indians and follows the struggles of a talented, moody, charismatic young woman named Sharon LaForge, a gifted basketball player and a

descendant of one of George Armstrong Custer's Indian scouts. In Native American tradition, a warrior gained honor and glory by "counting coup" -- touching his enemy in battle and living to tell the tale. Counting Coup tells the story of a modern hero from within this tradition, but it is far more than just a sports story or a portrait of youth. It is a sobering exposé of a part of our society long since cut out of the American dream. Along the banks of the Little Big Horn, Indians and whites live in age-old conflict and young Indians grow up without role models or dreams. Here Sharon carries the hopes and frustrations of her people on her shoulders as she battles her opponents on and off the court. Colton delves into Sharon's life and shows us the realities of the reservation, the shattered families, the bitter tribal politics, and a people's struggle against a belief that all their children -- even the most intelligent and talented -- are destined for heartbreak. Against this backdrop stands Sharon, a fiery, undaunted competitor with the skill to dominate a high school game and earn a college scholarship. Yet getting to college seems beyond Sharon's vision, obscured by the daily challenge of getting through the season -- physically and psychologically. A choice cut of all new and original fiction and the latest addition to Black Lace's immensely popular series of erotica collections. These stories are fun, irreverent and deliciously decadent. Sexy Little Numbers combines humour and attitude with wildly imaginative stories. 21 stories from the established and new names in female sexual fantasy, including Kristina Lloyd, Portia Da Costa, Janine Ashbless, Carrie Williams, Rachel Kramer Bussel, Madelynne Ellis, Justine Elyot and Charlotte Stein. With her head full of unanswered questions, exhausted from her fairytale experience at the hands of Dr Ewen, Lady Tia, and the staff of the adult entertainment service provided by The Retreat, Jess Sanders is desperate to leave Scotland, and return to her usual submissive position at the exclusive Fables Hotel in Oxford. Having been thwarted in his plans to keep Jess at The Retreat permanently, its owner, David Proctor, isn't willing to let Jess go back to her dominatrix, Miss Sarah, and her employer, Mrs Peters, without sending her on one final mission. Only if she succeeds in her task will Proctor remove the collar of servitude he has locked around Jess's neck. With a list of five unknown addresses in her hand, Jess Sanders is placed in a car and driven from The Retreat towards England. With no idea what or who awaits her at the first stop, all Jess can hope for is that her journey will eventually take her back to where she belongs. To the Fables Hotel, where Jess Sanders truly knows her place.

Fourteen of the very best erotic tales of dominance, submission, bondage, and romantic lust, are delivered with lashings of kink from the pen of Kay Jaybee. From the sexual adventures recalled by a woman as she stares at her favourite shirt, to a deliciously dirty orgy on a bed of cardboard boxes, the after-hours education of a rookie soldier, and the bizarre obsession of an Egyptologist, each story shows why Kay Jaybee has been hailed as 'a master of the craft of erotica' (Oysters and Chocolate). As a girl writes messages of lust on the body of her best friend's lover, and a mistress's employment of ropes and chains on her slave co-insides with the application of emulsion, we discover just how Kay has earned her reputation for producing 'super-heated kinky stories,' (Kd Grace), which are 'a sublime pleasure to read' (Violet Blue).

Elisa Benitez is proud of who she is, from her biting sarcasm, to her love of both pretty boys and pretty girls. If someone doesn't like her, that's their problem, and Elisa couldn't care less. Particularly if that person is Darcy Fitzgerald, a snobby, socially awkward heiress with an attitude problem and more money than she knows what to do with. From the moment they meet, Elisa and Darcy are at each other's throats -- which is a bit unfortunate, since Darcy's best friend is dating Elisa's sister. It quickly becomes clear that fate intends to throw the two of them together, whether they like it or not. As hers and Darcy's lives become more and more entwined, Elisa's once-dull world quickly spirals into chaos in this story of pride, prejudice, and finding love with the people you least expect.

Desire brings walls tumbling down in this suspenseful tale from #1 New York Times bestselling author Nora Roberts. Structural engineer Abra Wilson is the sexiest thing that architect Cody Johnson has ever seen in a hard hat. Working together on the resort he designed brings them far too close for comfort, and Abra has to fight to resist Cody's many charms. But after they join forces—privately and professionally—the pair finds themselves caught in a web of deception that could destroy the entire project...and their lives. A NORA ROBERTS CLASSIC AVAILABLE DIGITALLY FOR THE

FIRST TIME Includes a teaser for Loving Jack.

They say that we come from different planets (men from Mars, women from Venus), that we have different brain chemistries and hormones, and that we listen, speak, and even define our morals differently. How is it then that men and women live together, take the same classes in school, eat the same food, read the same books, and receive grades according to the same criteria? In *The Gendered Society*, Michael S. Kimmel examines our basic beliefs about gender, arguing that men and women are more alike than we have ever imagined. Kimmel begins his discussion by observing that all cultures share the notion that men and women are different, and that the logical extension of this assumption is that gender differences cause the obvious inequalities between the sexes. In fact, he asserts that the reverse is true--gender inequality causes the differences between men and women. Gender is not simply a quality inherent in each individual--it is deeply embedded in society's fundamental institutions: the family, school, and the workplace. The issues surrounding gender are complex, and in order to clarify them, the author has included a review of the existing literature in related disciplines such as biology, anthropology, psychology and sociology. Finally, with an eye towards the future, Kimmel offers readers a glimpse at gender relations in the next millennium. Well-written, well-reasoned and authoritative, *The Gendered Society* provides a thorough overview of the current thinking about gender while persuasively arguing that it is time to reevaluate what we thought we knew about men and women.

During the 1940s and 50s, Canadian families lived in a state of panic, trying to shield their children from being infected by the often deadly and very widespread disease: poliomyelitis. No one knew how it was transmitted; no one knew why a child was infected. Journey with Carol Rankmore as she tells her story from polio survivor to the previously unknown condition now called Post-Polio Syndrome. Her sensitive memories of childhood coupled with wry humour and historical background make this book a must-read memoir that has major implications for ageing polio survivors today. Carol was hospitalized for months at a time for each of six corrective surgeries at the newly-opened Shriners Hospital for Crippled Children in Winnipeg. In these days before Medicare, Carol was fortunate that this state-of-the-art hospital offered free medical support to families in financial need. Carol takes us through a frightening and lonely childhood into an adulthood thought to be 'cured' of the deadly disease and its after-effects. But had the experience coloured her adult life? Her marriage and her career? Or had the after-effects of polio helped her? Her last challenge was the diagnosis of Post-Polio Syndrome. Despite her medical trials, Carol's memoir is one of hope. With frank insights into the challenges of PPS, this book offers the possibility of managing it successfully through careful exercise, a determination to never give up and a positive attitude. *Polio Child* will prove an invaluable resource for those living with—or care-giving for someone with—Post-Polio Syndrome or other disabilities.
