Most yachtsmen dream about cruising to an exotic destination; this is the book that will turn dreamers into planners. 24 classic cruises are fully mapped, measured and costed, showing how they are perfectly possible whatever your skill level. From weekend cruises around the British Isles to a voyage to Antarctica, and from Greek island cruises to an escape to the Virgin Islands, this book explores where to go, why, how to get there and what to expect en route. The book breaks down each cruise into important considerations, such as what type of boat is needed, what level of skill or qualifications are required, whether it is a suitable journey to undertake with a young family, what possible dangers might influence any decision (from extreme weather to the threat of piracy), and most obviously, cost. Covering popular, exotic cruising destinations such as Thailand and the Virgin Islands, as well as unexpected, almost secret routes along the US Intracoastal Waterway and French canals, as well as proper adventures (including both Atlantic and Pacific crossings), this inspirational may be the starting point for the voyage of a lifetime.

Gonzo's Little Book of Motivation is the perfect tool to help energize you to achieve your dreams. Each of us has the innate ability and talent to accomplish great things. Unfortunately, too often we give in to our self-doubts or the well-meaning "advice" of people who are close to us. Allowing this approach to govern our thinking puts us in the position of failing to pursue the things we really want out of life. Use this book to put your dreams on a fast-track to success if you truly believe in yourself and what you can accomplish.

A good general cruising guide covering the routes from Europe to Australia and points in between. The 'Indian Ocean Cruising Guide' covers all the usual points of interest for cruising yachtsmen, from history to climate, weather patterns, formalities, route planning and so on. The general sections are followed by a country-by-country round-up in which key ports are described in detail with the aid of harbour plans and photographs. This second edition (2007) has been thoroughly revised and contains a lot of additional information on Malaysia and Thailand, the Seychelles and the Chagos archipelago. The introduction has been expanded and throughout there are new plans and photographs. This guide is an ideal companion to Rod Heikell and Andy O'Grady's 'Ocean Passages and Landfalls' which discusses routes across the Indian Ocean.

CLOUDS OVER PARADISE AN AROUND THE WORLD ADVENTURE By Thayer Keith Miller – N3TM (Ex WA3EFH) A TRUE ADVENTURE STORY---The account of the adventures of a senior officer on the windjammer yacht YANKEE TRADER on its first around-the-world expedition in 1973-1974. Relive the adventure with all the details like you were there. THIS STORY WILL APPEAL TO YOU---If you are interested in amateur radio, ocean sailing, travel and adventure. "I've never heard such a story. It ought to be a best seller!" – Thomas I. Kolstad, Captain U. S. Navy "Very interesting reading!" – CQ Magazine "Definitely, this

story is meant for a television series!” – Tony Lopopolo, Literary Critic Thayer Keith Miller is the best qualified person to tell this story—ship’s officer, ham radio operator, cruise consultant and operator of sailing expeditions in the South Pacific. He shares this knowledge and expertise as he recounts the adventure story in detail based on original logs, diaries, notes and personal recollections. It is perhaps the most detailed story you will ever read and it is very informative in this edited and shortened account. The author was arrested in Hong Kong and imprisoned as a suspected spy. Later, without a passport or money he was shanghaied in Singapore and held as an impressed seaman for three months. He recounts his rescue at sea off the coast of Kenya by an armed boarding party and his repatriation in a top secret operation planned by the U.S. State Department. His friend was later murdered in the Seychelles while making arrangements to reunite the author with his girlfriend. A disturbed passenger and crew members caused trouble—physical and verbal abuse with accusations of sabotage and mutiny. The author describes how the international amateur radio fraternity played a vital role in his escape from circumstances because of his shipboard operation as WA3EFH maritime mobile. A TRUE STORY—BETTER THAN FICTION. READ IT NOW! Many of the events took place in the Seychelles, an island chain sometimes known as the Paradise of the Indian Ocean and original site of the Garden of Eden, hence the title and its implications.
