Set hundreds of years after the events of Ocarina of Time, The Wind Waker finds the hero Link in a sea scattered with 49 islands, which

necessitates frequent sailing and naval combat. Link lives with his grandmother and younger sister Aryll on Outset Island, one of the few inhabited islands in the Great Sea. The people of the Great Sea pass down a legend of a prosperous kingdom with a hidden golden power. An evil man found and stole this power, using it to spread darkness until a young boy dressed in green sealed the evil with the Blade of Evil's Bane. The boy became known as the Hero of Time and passed into legend. One day the sealed evil began to return, but the Hero of Time did not reappear. The inhabitants of the Great Sea are unsure of the kingdom's fate, but it is clear that this legend is the story of Ocarina of Time where the Hero of Time, Link, fought Ganondorf. Can you emerge as the new Hero of Time? Join us for this adventure with Link as we:

The Walkthrough offers a rare peek behind the curtain of the secretive video game industry from an unlikely perspective, that of a career strategy guide writer. For eighteen years, Doug Walsh was one of the most prolific authors of officially licensed video game strategy guides. One part memoir and one part industry tell-all, The Walkthrough takes players on an entertaining march through gaming's recent history, from the dawn of the PlayStation to the Xbox 360 and Nintendo Switch. Follow along as Walsh retraces his career and reveals how the books were made, what it was like writing guides to some of the industry's most celebrated — and derided — titles, and why the biggest publishers of guidebooks are no longer around. Walsh devotes entire chapters to many of gaming's most popular franchises, including Tony Hawk's Pro Skater, Gears of War, and Diablo, among others. From inauspicious beginnings with Daikatana to authoring the books for the entire Bioshock trilogy, with plenty of highs, lows, and Warp Pipes along the way, Walsh delivers a rare treat to twenty-first century gamers. The Walkthrough is sure to satisfy the curiosity of anyone who grew up with the works of BradyGames and Prima Games sprawled across their laps. With over one hundred books to his credit, and countless weeks spent at many of the most famous studios in North America, he is uniquely qualified to give an insider's perspective of a little-known niche within the multi-billion-dollar industry.
