In an era when segregation thrived and Jim Crow reigned supreme, adventurer Matthew A. Henson defied racial stereotypes. During his teenage years, Henson sailed on vessels that journeyed across the globe, and it is those experiences that caught the attention of famed arctic explorer Matthew Peary. Operating as Peary's "first man" on six expeditions that spanned over a quarter of century, Henson was an essential member of all of Peary's most famous expeditions. His unparalleled skills as a craftsman and his mastery of the dialects of native Northern peoples, Henson was indispensable to the success of these missions. Of all voyages which Henson and Peary undertook, none is more groundbreaking than their 1909 journey to Greenland, and onto the previously impenetrable North Pole. Together with a small team of four native Inuits, Henson and Peary became the first team to ever reach the geographic North Pole, forever cementing their place as two of the greatest Arctic explorers of all time. In 1937, the Explorer's Club honored that achievement, inducting Henson as their first ever African-American member. In 1912, Henson chronicled his recollections of this historic journey in a memoir originally entitled *A Negro Explorer at the North Pole*. Now reissued as *First to the North Pole*, this edition of Henson's memoir features a new foreword by Explorer Club president Ted Janulis, emphasizing the importance of Henson's historic achievements. The Carolina crew is back in this hometown series of hot romantic comedies. Continue the adventure here... The Game - Book 4 (Emerson and Gavin) The Way You Are - Book 5 (Liv and Brett) The Runaround - Book 6 (Ari and Jax) THE GAME They say opposites attract. Someone needs to tell that to Emerson Scott. GAVIN: All I ever wanted was to play ball. When an act of sheer stupidity took that dream away, I thought I'd never bounce back. But now I have the opportunity to coach an up-and-coming phenom, and I'm giving it all I've got. The fact that I've been lusting after his smoking-hot sister only sweetens the deal. Emerson may be buttoned up like a school librarian, but I play my best when I'm under pressure ... and I always bring the heat. EMERSON: Never lose focus. Never lose control. Those are the first two rules in my carefully calculated plan for success. Finding myself thrown into the role of guardian for my little brother was not part of that plan. But I can adjust for Jay's sake; I'm not about to let one change make me lose sight of my goals. Too bad Jay's hot young baseball coach doesn't seem to give a fig about my plans. He has one of his own—and it includes me. Gavin Monroe may play like a pro, but that boy will never win this game. THE WAY YOU ARE "They say nice guys always finish last. I say the only place that should apply is in the bedroom—it's just good manners, after all." – Brett MacKinnon, nice guy and frequent resident of the friend zone LIV: There are really only three things I need in life: sex, baseball, and winning. My hot boyfriend and season tickets take care of the first two, while I always do my best to cover the last. So developing an unexpected crush on a new friend is more than a little inconvenient. I don't have anything but friendship to offer Brett, but with the way he looks at me, he has me wishing I did. BRETT: I've been put in

the friend zone so often, they've got a sandwich named after me. You'd think I'd be used to it by now. But when it comes to the delectable Liv, I'm determined to ditch the friend zone and show her I'm boyfriend material. Too bad the position's already been filled by a ball-playing caveman who could flatten me with his pinky. What will it take to show Liv that nice guys can be more than just friends, and that love is the one game truly worth winning? THE RUNAROUND Men are good for two things: orgasms and reaching the wine glasses on the top shelf. ARI: I've always said boyfriends are like martinis; they're lots of fun at first, but the longer you indulge the bigger headache they'll give you. With career goals to crush and more than a few balls in the air, there's no place in my life for the messy complications of love. Jax Crosby thinks he can tempt me to lose control and he's using his daughter to reel me in. He'd be dangerously easy to fall for, but there are more important things in life than love, aren't there? JAX: I like to stay two steps ahead; that way, I'm never surprised. But even I didn't see this one coming. Congratulations to me—I'm a freakin' dad. Now I've got a teenage daughter who hates me, an ex who wants to cut things off my body I'm not ready to part with, and an attraction to a curvy songbird that couldn't have come at a worse time. But I've never met a situation I couldn't handle, and I've never let a female get the best of me. So why do I have the feeling Ariana Amante might be one more thing I never saw coming? Books not included in this set include: The Fix - Book 1 (Laney and Nate) The Spark - Book 2 (Fiona and Mark) The Lucky One - Book 3 (Bailey and Jake)

Orson Scott Card's classic and worldwide bestselling Ender Quintet series won the Hugo and Nebula awards! Included in this ebook bundle: Ender's Game, Ender in Exile, and Speaker for the Dead Andrew "Ender" Wiggin thinks he is playing computer simulated war games, at Earth's elite military academy, the Battle School; he is, in fact, engaged in something far more desperate. Ender may be the military genius Earth desperately needs in a war against an inscrutable alien that seeks to destroy all human life. The only way to find out is to throw Ender into ever harsher training, to chip away and find the diamond inside, or destroy him utterly. Ender Wiggin is six years old when it begins. He will grow up fast. Ender's Game is an international bestseller, read and loved by generations. It has been named one of the top ten science fiction novels of all time. Ender's story continues in Speaker for the Dead, Orson Scott Card's award-winning sequel. Ender Wiggin has run far and fast, using the effects of near-light-speed travel to out-live his past and become nearly anonymous. He is now the Speaker for the Dead, the author of The Hive Queen and The Hegemon, and he has come to the planet Lusitania to tell the truth about a man's life at his graveside. But Lusitania is a very special place, the first planet humans have found that harbors an intelligent life-form, though it is very strange indeed. And Ender has more reason than any other man to seek communication, and peace between humanity and the pequininos. Ender in Exile is

the story of Ender's first voyage from Earth, and his first arrival on a former Formic colony world. In the confined world of the colony ship, Ender's diplomatic and tactical genius are put to the test against an enemy he cannot kill. This novel falls immediately after Ender's Game in chronological sequence, but was written long after Children of the Mind, and the books of the Shadow series. You can read it at any point after Ender's Game At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Hot and Steamy with a Side of Sweet From the remote oil fields of Northern Canada to the striking Rocky Mountains, this

complete series of happily ever after novels will leave you breathless. There are four complete books in this series. **DRIVEN BY FIRE**, a scorned in love romance Piper's life has become a cliché. She stands at a literal crossroads—behind her is the driveway back to her cheating boyfriend, her cramped trailer home and a dismal future. In front of her is the highway leading to the Northwest Territories in one direction and a one-street oil town in the other. When a truck driver offers her a ride into town, she wonders if seeking out a better life was worth the risk. **JUST A FLING**, a one-night stand romance All Danielle wanted was one night with the cowboy. One night of fun to distract her from the quiet life she leads in a remote oil town. How she ended up eating breakfast with the cowboy and making plans to spend the day together was beyond her. That went against all the rules of a one-night stand. **OUT OF BOUNDS**, a second chance romance Bobby wishes she could look at Luca and see that things are different from when they were on Canada's Olympic Ski Team. That he isn't the same person who spent every waking hour with her, training, studying and being a teenager in love. She wishes she could introduce herself to him and start from the beginning; pretend as if they don't have a shared tragic history that tore them apart in a way that can never be fixed. **FOCUSED ON YOU**, a slow burn romance Jules is determined to make Badger, the new owner of the Wild Side Art Gallery, like her. Everyone likes her. Badger seems to have missed the memo on her widespread appeal. He painted the chalk outline of her body in red flags the first time they met, calling their friendship dead before he gave it a chance. Jules resolves to make him re-evaluate their relationship and plies him with reasons to relax around her. The more he accepts, the more curious she becomes about this man who's made her small Rocky Mountain town his home. And she's not the only curious one. Badger's determined to fake being her friend until he knows exactly what she's playing at. Until it's him playing games and it's more than friendship on the line. Logan Barberi, which led them both to prison sentences. The story begins as Sophie and Grant are starting parole and attempting to rebuild their lives and their dignity. Sophie Taylor is a former psychologist who's an intelligent, spunky, strawberry-blond beauty. She has a tendency to open her heart to wounded people, including the "bad-boy" boyfriends littering her past. Grant Madsen is a former Navy lieutenant who's hard-working and kind, with dark Italian features and stunning crystal-blue eyes. He has a penchant for brooding and self-sacrifice. Their paths collide outside their parole officer's door, and both have no idea about the explosive hidden connection waiting for them like a ticking bomb down the road. Re-Release in 2017! We have re-edited *With Good Behavior (Conduct #1)*, book one of a complete romantic suspense trilogy. *Bad Behavior*: Grant Madsen's got issues. He's still battling his Mafia family and doing everything possible to keep his loved ones safe. With the cruising season coming to an end, he has to find another job soon or he'll rejoin his father in prison. And he's trying to convince his rebellious teenage nephew to stay away from their criminal relatives (you can imagine how that's going). But worst of all, Grant's parole officer has mandated that he attend therapy. The only saving grace is that they're couples sessions with his girlfriend, Sophie Taylor, a fellow parolee who's struggling with a few issues of her own. Sophie desperately hopes her past with Grant's brother won't destroy her future with him. There's a sleazy professor at work who revels in sexually harassing women in the psychology department. And her father still hates Grant. Their psychologist has his work cut out for him. When Grant's ruthless father hints at a plot to get out of prison, Grant must use everything he's learned in therapy and beyond to try to stop him. It's a race against time -- and a race to rescue Sophie from the Mafia's clutches once again. But this time McSailor and Bonnie refuse to play victims. This time the cuffs are coming off. On *Best Behavior: Planning a wedding* is never easy--especially when the Russian Mafia wants you dead. On *Best Behavior--the third and final book in The Conduct Series--*finds our favorite couple moving forward, despite the odds. Following a pardon by the Governor of Illinois, ex-cons Sophie Taylor and Grant Madsen are finally free to pursue their love and the life that lies ahead for them. Grant now fights the forces that have hurt his loved ones by working undercover for the FBI, and he has infiltrated the Russian Mafia in Chicago. Sophie dives into swimming with Grant's nephew, Ben, and into her career as a psychology professor. Thankfully, now it's Ben's turn to heal through therapy sessions with Dr. Hunter Hayes. With so many things going right for Grant and Sophie, it's too bad the Russians aren't their only threat. When Grant's father, Enzo Barberi, discovers his own son thwarted his plan to break out of prison, his overdeveloped sense of vengeance flares to life. As Sophie scrambles to save her fiancée, it's impossible to say who will kill Grant first--the Russians or his Italian family. Can love triumph over evil? Are hard work and a pledge to be on best behavior ever enough?
