A comprehensive illustrated guide to horse clothing.

This book represents the first attempt in modern times to provide the horse owner with a comprehensive guide to how the body systems of the horse work in health combined with an exhaustive guide to their ailments. It is written in language which can be understood by the layman and with the scientific accuracy necessary for students. Enabling the reader to find out fast the symptoms and causes of problems, action to be taken, and the likely prognosis. The use of colour for the first time in an equine veterinary book of this scope leads to a saving on text and an expansion of understanding.

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Medical theory and practice of the 1700s developed rapidly, as is evidenced by the extensive collection, which includes descriptions of diseases, their conditions, and treatments. Books on science and technology, agriculture, military technology, natural philosophy, even cookbooks, are all contained here. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification: ++++ National Library of Medicine N001574 Collective titlepage in red and black. The second part, 'The farrier's new guide, containing an .. account of all the diseases incident to horses', London, W. Taylor, 1722, has its own titlepage and pagination; register is continuous from that of the first part. London: printed by S. Palmer, for William Taylor, 1722.

[16],109, [1];[2],260p., plates; 8°

A complete illustrated guide to horsemanship, with a visual directory of specialist saddlery and equipment, step-by-step instruction on learning to ride, expert tips on improving and advancing your technique, and a survey the range of riding pursuits and team sports.

Now in its seventh edition, *The Complete Encyclopedia of Horse Racing* is an authoritative and comprehensive illustrated work of reference. The book tells the story of the "sport of kings" from its earliest inceptions to the present day. It provides essential information on all the top jockeys and the leading owners and trainers and the famous horses. Every personality (human and equine), event and issue of importance in the history of both flat racing and steeplechasing will be referred to somewhere in the book. In addition, the off-track world of racing will be explored through the chapters dealing with gambling, scandals and disasters, social and cultural aspects, media coverage and the business of the racing. Written by two acknowledged authorities on the racing scene, this book is the definitive work on "the horses", with every page a visually exciting and information-packed celebration of

the sport. Revised and updated to include the latest crop of superstars, including US Triple Crown winner American Pharoah and Melbourne Cup-winning jockey Michelle Payne, this book continues to be as invaluable to the fan who follows racing on television as it will be for the serious student, administrator and the media.

Recently updated and extended, The Horse Illustrated Guide to English Riding covers the fundamentals; from loping and galloping to troubleshooting and showing. Complete with step-by-step instructions, countless tips, full-color photos, and an easy-to-use glossary, this book takes the guesswork out of English riding.

Covers the fundamentals of Western riding, from loping and galloping to trail riding and showing.

The most comprehensive single volume dedicated to horses, Original Horse Bible, 2nd Edition is a celebration of the long relationship that humans and horses enjoy, written by two highly regarded horsewomen, the late Moira C. Allen and Sharon Biggs. Covering an array of topics that span the world of horses, from evolution and domestication to horseback riding, training, competing, and more, this complete guide is a must-have for any avid horse-lover! With detailed profiles of 175 horse breeds, over 100 training and behavior tips, more than 50 riding, grooming, and health takeaways, and so much more, the Original Horse Bible belongs on the shelves of anyone who admires these magnificent creatures. This second edition includes new sections on advances in imaging technology and medications, as well as updated information on saddles, bits, poisonous plants, deworming practices, and natural horsemanship.

Horse racing is second only to baseball, in terms of the number of people it attracts, of all spectator sports in this country. With this book in hand, readers will become experts on the "sport of kings", from its beginnings over 6,000 years ago to the widespread support and attention the sport receives today. This book comprehensively studies and records in detail all vital information about today's top jockeys, leading owners and trainers and world-famous horses. The authors explore mainstream events in the history of flat racing and steeple chasing, and at the same time expose the dark side of the off track world, as they uncover scenes of rampant illegal gambling, scandals and disasters. Exciting photographs communicate the energy of the horses and the passion of their riders and owners.

The Horse Illustrated Guide to Western Riding | 5 Press

Provides a history of the horseshoe as well as describing each step in shoeing the horse, from the creation of the horseshoe to handling the horse and checking the fit

An advanced rider, whether professional horseman, Olympic athlete, or just a horse lover who has learned the fundamentals and go on to ride his or her own horse, in the author's view, "is someone who grasps the idea of good horsemanship and puts a great deal of time and effort into developing his or her seat and position." Advanced English Riding is designed to help riders develop those skills and to help them move on to the next level of riding. Author Sharon Biggs, whose credits also include The Original Horse Bible, shares her considerable experience in English riding in this Horse Illustrated Guide that goes beyond the fundamentals to refine the riding skills of hunter/jumper riders and dressage riders, from improving seat and position to advanced schooling techniques and participating successfully and joyfully in competitions. This book offers step-by-step instructions and great advice for all English riders looking to develop, improve, or refine their skills in the various aspects of this popular riding discipline. This extensive guide is divided into 15 chapters and covers the following topics: honing the seat and position, the half halt, riding within the gaits (transitions, stride adjustment, collection, extensions, etc.), riding figures, lateral work, cavalletti and group poles (for hunters, jumpers, and dressage), gridwork (incorporating placing poles and cavalletti), cross-country jumping, hunter courses, show jumping courses, advanced competition in dressage, eventing, hunters, and show jumping, and more

Recently updated and extended, The Horse Illustrated Guide to Western Riding covers the fundamentals; from loping and galloping to trail riding and showing. Complete with step-by-step instructions, countless tips, full-color photos, and an easy-to-use glossary, this book takes the guesswork out of western riding.
