This volume offers a unique and detailed examination of all stages of the 2012 presidential campaign, starting with the primaries and ending with post-election insights. Each chapter focuses on the campaign's communication variables, including images, messages, and debates. Special attention is paid to the roles and functions of new technologies.

This book is a practical guide for evangelical cross-cultural church-planters. Roland Muller's first edition quickly sold out as Christians around the world snapped up copies. This book includes the out-of- print books Honor & Shame and Tools for Muslim Evangelism, plus much more. Muller begins by looking at what it takes to be accepted as a 'messenger' with something of value to say. He then moves on to look at the gospel message that we share, and ends up examining the community of believers that we want to gather. This book includes an overview of guilt, fear and shame-based cultures, and also the importance of building a sense of community into a new group of believers. Several chapters have been totally re-edited in this new edition. There are over 300 study questions for thought and discussion

Rätselhaft und spannend bis zur letzten Zeile In Eds Briefkasten liegt – eine Spielkarte. Ein Karoass. Darauf stehen drei Adressen. Die Neugier treibt ihn hin zu diesen Orten, doch was er dort sieht, bestürzt ihn zutiefst: drei unerträglich schwere Schicksale, Menschen, die sich nicht selbst aus ihrem Elend befreien können. Etwas in Ed schreit: »Du musst handeln! Tu endlich was!« Dreimal fasst er sich ein Herz, dreimal verändert er Leben. Da flattert ihm die nächste Karte ins Haus. Wieder und wieder ergreift Ed die Initiative – doch wer ihn auf diese eigenartige Mission geschickt hat, ist ihm völlig schleierhaft. • Voll Weisheit, Leidenschaft und Güte • Ein Panorama menschlicher Schicksale, mitreißend und herzergreifend erzählt • Ausgezeichnet mit dem Deutschen Jugendliteraturpreis 2007

From the bestselling author of Joshua and A Portrait of Jesus comes a moving, eye-opening parable about a messenger sent to reawaken faith, love, and compassion in a world that has strayed from the lessons of the Gospels. In this Image paperback original, Joseph Girzone once again weaves a story that will transform readers' understanding of Jesus' teaching and change the way they put that teaching into action in their own lives. The Messenger is the story of the Kingdom of Light created by God on Earth. This kingdom started as a small community and grew to encompass vast numbers of people of every race and nation, transcending the boundaries of all worldly realms. But with the passage of time, the message of peace and forgiveness, love and joy, preserved in the book, is forgotten, overwhelmed by the selfish interests of its leaders. Watching over his people, God resolves to send a special messenger to renew the spirit of compassion and freedom among the rulers of the world. Francis, who became attached to God as a young boy and never lost the beauty and joy of that friendship, is entrusted with the precious mission. As Francis travels throughout the United States, Girzone brings to life the conflicts, hostility, and pain of our times and points the way toward peace and understanding. With humility and a strong sense of purpose, Francis teaches leaders to break through the crushing letter of the law and restore its spirit, to reunite groups torn apart by prejudice and hatred through love, and to show compassion to the less fortunate by welcoming them back home to the kingdom. Under the guidance of a new ruler well versed in the book, fear and skepticism give way to the sharing of ideas and the bringing together of people of different beliefs. And the miracle that begins in one part of the world soon spreads, touching the hearts and of transfiguring the lives of the people across the globe.

Noch nie wurden in einem Buch – sei es ein Roman oder ein Sachbuch – die menschlichen und die technischen Seiten einer Lean-Transformation so umfassend dargestellt. Je öfter Sie dieses Buch lesen, desto mehr Nutzen werden Sie und Ihre Kollegen daraus ziehen. Ich kann Ihnen versichern, dass Sie es nicht nur einmal lesen werden. Sie werden es wieder und wieder lesen, je weiter Ihr Transformationsprozess voranschreitet.“ James P. Womack, President and Founder Lean Enterprise Institute „Dieser fesselnde Begleiter Ihrer Lean-Reise stammt von einem einmaligen Team. Freddy Ballé ist einer der ersten Gaijin, die sich mit dem Toyota-System beschäftigten. Er wurde von Toyota ausgebildet, entwickelte das Valeo-Produktionssystem und hat Dutzende Lean-Restrukturierungen geleitet. Michael Ballé, sein Sohn, ist Erkenntnissoziologe und hat sich mehr als jeder andere damit beschäftigt, wie wir lernen, lean zu denken, und zwar sowohl aus kognitiver als auch aus emotionaler Sicht. Dieses Buch ist das Rezept, das Sie auf Ihrem Weg immer und immer wieder zur Hand nehmen werden.“ Daniel T. Jones, Chairman and Founder Lean Enterprise Academy Unnamed characters--such as Lot's wife, Jephthah's daughter, Pharaoh's baker, and the witch of Endor--are ubiquitous in the Hebrew Bible and appear in a wide variety of roles. Adele Reinhartz here seeks to answer two principal questions: first, is there a "poetics of anonymity," and if so, what are its contours? Second, how does anonymity affect the readers' response to and construction of unnamed biblical characters? The author is especially interested in issues related to gender and class, seeking to

determine whether anonymity is more prominent among mothers, wives, daughters, and servants than among fathers, husbands, sons and kings and whether the anonymity of female characters functions differently from that of male characters.

In stark opposition to the prosperity gospel that seems to permeate every aspect of the media and large-scale outreach programs today, Dr. Warren P. Chavers takes the stand for getting back to the basics of faith and cleaning up The Mess in the Messenger. By turning away from ministries and ministers of the word preaching that prosperity is the way to salvation, The Mess in the Messenger reminds readers of the true love that God provides and the fulfillment that comes through a relationship with him. Applying the word of God in a practical and timely manner, Chavers delivers a message the world needs to hear: Do not buy the hype. Get back on the road of righteousness and humility. Readers will find themselves armed with Scripture and full of the hope of Jesus Christ and the knowledge that they have the power to recognize The Mess in the Messenger and follow the pure path of the everlasting Lord.

Zwei Brüder, ein Kampf Das Leben von Ruben und Cameron hat wenig gemein mit Ayers Rock, Surfbeaches und Koalabären. Sie leben am Rande. Am Rande Sydneys, am Rande des Wohlstands. In einer Welt der Hundekämpfe, der dubiosen Boxmatches, der Armut und der Arbeitslosigkeit. Als die Brüder von einem zwielichtigen Boxpromoter das Angebot bekommen, mit illegalen Kämpfen ein paar Dollar zu verdienen, ergreifen sie es. Und sie kämpfen. Für ihre Identität, ihren Stolz und füreinander. »Vorstadt-Fighter« ist kein Roman über das Boxen. Witzig, authentisch und sensibel geschrieben, geht es um Loyalität, Liebe und Anerkennung. Und den unbedingten Willen, sich herauszukämpfen. Gemeinsam. cbj-Leserstimmen: Mit "Vorstadt-Fighter" habe ich meinen persönlichen Leserekord gebrochen. Dieses Buch ist besser als Kino! Miriam, 16 Ich würde das Buch weiterempfehlen, da es sehr gut den harten Alltag einer Familie beschreibt, wo der Vater arbeitslos ist. Ich denke, dass die Charaktereigenschaften der beiden Protagonisten durchaus realistisch sind und eine solche Familie, wo man alle als "Kämpfer" bezeichnen kann, wahrscheinlich nur allzu häufig existiert... Für Jugendliche, die vielleicht aus einer etwas privilegierteren Familie kommen, ist dieses Buch auf jeden Fall lesenswert und für alle anderen auch, da es ihnen zeigen kann, dass letztendlich jeder es schafft, seinen Weg zu finden und Familienzusammenhalt sehr wichtig dabei ist. Isabel, 15 "Vorstadt - Fighter" war für mich eine Überraschung. Man merkt, dass der einfachste Weg nicht immer der beste ist, und dass wir auf unser Herz hören müssen... Das Buch würde ich eher für Jungs empfehlen, da es die direkte Sicht eines Heranwachsenden ist und ihre Gefühle widerspiegelt. Janina, 15 Die Gefühlswelt der Jungen ist sehr bildlich dargestellt und spiegelt wunderbar ihre seelische Zusammengehörigkeit wieder. Das Buch würde ich jedem empfehlen der gerne kurze, aber spannende Storys liest. Markus, 15

In diesem dringenden, maßgeblichen Buch legt Bill Gates einen weitreichenden, praktischen - und zugänglichen - Plan dafür vor, wie die Welt die Treibhausgasemissionen rechtzeitig auf Null senken kann, um eine Klimakatastrophe zu verhindern. Seit einem Jahrzehnt untersucht Bill Gates die Ursachen und Auswirkungen des Klimawandels. Mithilfe von Experten aus Physik, Chemie, Biologie, Ingenieurwesen, Politikwissenschaft und Finanzwesen hat er sich auf das konzentriert, was getan werden muss, um die unserem Planeten bevorstehende Umweltkatastrophe zu verhindern. In diesem Buch erklärt er nicht nur, warum wir auf eine Netto-Null-Emission der Treibhausgase hinarbeiten müssen, sondern erläutert auch, was wir konkret tun müssen, um dieses überaus wichtige Ziel zu erreichen. Mit klarem Blick beschreibt er die Herausforderungen, vor denen wir stehen. Ausgehend von seinem Verständnis von Innovation und dem, was nötig ist, um neue Ideen auf den Markt zu bringen, beschreibt er die Bereiche, in denen die Technologie bereits zur Emissionsreduzierung beiträgt, wo und wie die aktuelle Technologie effektiver gestaltet werden kann, wo bahnbrechende Technologien benötigt werden und wer an diesen wesentlichen Innovationen arbeitet. Abschließend legt er einen konkreten, praktischen Plan zur Erreichung des Ziels vor, hinsichtlich der Emissionen auf Null zu kommen. Er schlägt nicht nur politische Maßnahmen vor, die Regierungen ergreifen sollten, sondern auch, was wir als Einzelne tun können, um unsere Regierung, unsere Arbeitgeber und uns selbst in diesem entscheidenden Unterfangen zur Verantwortung zu ziehen. Wie Bill Gates deutlich macht, wird das Ziel von null Emissionen nicht einfach oder leicht zu erreichen sein, aber wenn wir den von ihm hier dargelegten Plan befolgen, ist es ein Ziel, das durchaus in unserer Reichweite liegt.

Underscoring the historical importance and meaning of Muhammad, 'The Messenger' addresses the significance of the Prophet for some of today's most controversial issues, such as the treatment of the poor, the role of women, Islamic criminal punishments, war, racism, and relations with other religions.

This book narrates the life of Prophet Muhammad, peace be upon him, shedding light upon segments of his life that are either neglected or glossed over in conflict-focused biographies. The narrations in this book revolve around the Prophet's various strategies of diplomacy and reconciliation to avoid conflicts. In narrating these events, the book helps the readers broaden their perspective on the life of the Messenger of God and better capture the ethos of his life. Indeed, both Muslims and non-Muslims may benefit from this understanding at a time when violent extremist groups such as ISIS are causing carnage with their brutality while dressing their totalitarian ideologies in Muslim garb. The book exposes the hypocritical and willful deception of these radical groups which cherry-pick incidents and sayings from the Prophet's life, decontextualize them, and abuse them to serve their perverted ideologies. The extensive evidence presented in this book will not only dispel many myths about the life and message of the Noble Prophet, but also show how through compassionate efforts he conquered the hearts of people around him and turned them from die-hard enemies to devoted faithful friends.

Watchman Nee's thesis in this book is that Christ came to mankind by way of the cross, and only by this same way can we know Him. At the source of all spiritual things, he says, stands the cross.

Im Grunde wissen wir, dass Probleme, Traumata oder Angstzustände durch Meditation gelöst werden können. Aber das macht es nicht einfacher, sich hinzusetzen und sich den sich wiederholenden Gedanken zu stellen, um die wir uns immer wieder kreisen - scheinbar sinnlos, manchmal verletzend, fast immer schwer zu kontrollieren. Anstatt die Meditation aufzugeben, schlägt Ralph De La Rosa vor, sich eine Frage zu stellen: Wenn du aufhören würdest, deinen "Affenverstand" zu verteufeln, würde er dir etwas beibringen können?

Speaking of Speaking aims to enrich the reading of the biblical text by offering a coordinated analysis of direct discourse markers, not only in order to consolidate a considerable body of work that is often overlooked by scholars, but also to move further toward a synthesis that can permit informed generalizations not possible at the present time.

The Christian world is awaiting the Second Coming of Christ to take the Bride of Christ with him in glory, which we call Rapture. There are many explanations from various quarters. The First Coming of Christ is past. The Third Coming will take place when Christ, the son of David comes down on the Mount of Olives to rule the earth for a millennium. The Second Coming is on. The author Bro. Deva Evu Lawrie had had an experience of peace with God early in life at the age of eight. He had been a keen observer in the ministry of his father. He was a student of the famous Madras Christian College, Tambaram, Chennai. He became a full-time minister of religion when he was eighteen. He had been working with his dad since then. There was a great turning point when his dad, Bro. Paulaseer Lawrie, was preaching at Chicago, USA. He had a great experience of God coming down into him when man first landed on the moon on July 20, 1969. The sky opened, and he could see and feel a great and terrific power enter into his life (Luke 3: 2122). In these pages, Bro. Deva Evu Lawrie, the author, shows that most of the prophecies and things concerning the Second Coming have been fulfilled in the ministry of Bro. Paulaseer Lawrie of India. He cites mostly from the Holy Scriptures. He wants the readers to go through the book carefully so that they do not miss the glory that God had foreordained for us in this generation. "In the age of fake news, understanding who we trust and why is essential in explaining everything from leadership to power to our daily relationships." -Sinan Aral We live in a world where proven facts and verifiable data are freely and widely available. Why, then, are self-confident ignoramus so often believed over thoughtful experts? And why do seemingly irrelevant details such as a person's appearance or financial status influence whether or not we trust what they are saying, regardless of their wisdom or foolishness? Stephen Martin and Joseph Marks compellingly explain how in our uncertain and ambiguous world, the messenger is increasingly the message. We frequently fail, they argue, to separate the idea being communicated from the person conveying it, explaining why the status or connectedness of the messenger has become more important than the message itself. Messengers influence business, politics, local communities, and our broader society. And Martin and Marks reveal the forces behind the most infuriating phenomena of our modern era, such as belief in fake news and how presidents can hawk misinformation and flagrant lies yet remain.
