

The Signature Of God Revised Edition Conclusive Proof That Every Teaching Every Command Every Promise In The Bible Is True

This commentary, written from a distinctively Pentecostal perspective, is primarily for pastors, lay persons and Bible students. It is based upon the best scholarship, written in popular language, and communicates the meaning of the text with minimal technical distractions. This author offers a running exposition on the text and extended comments on matters of special significance for Pentecostals. He acknowledges and interacts with alternative interpretations of individual passages, and his commentary also provides periodic opportunities for reflection upon and personal response to the biblical text.

Every believer has a need for an understanding of systematic theology, but very few theology books present material in a personal, devotional format that appeals to the most popular level of believers. Dr. Thrasher manages to communicate the most academic biblical truth with the heart and personal connection of a pastor, achieving a depth of knowledge at an extremely approachable level. It's the astute wisdom of a professor packaged in the comfortable relatability of a friend.

The most incisive indictment against Christianity resides in the notion of a God who created a world in which there is untold suffering and death. Is this the best God could do? In response, most Christians will mutter something about free will or the necessity of evil to bring about God's plan for humanity. Theologians often reply by challenging the very legitimacy of the question; God only requires that we persevere. Biblical scholars, who might otherwise be expected to offer a scriptural perspective, nervously denounce any suggestion that the presence of evil may have had something to do with a primordial couple and a fruit tree. Is it any wonder that most people believe that evil must surely be an intractable component of human existence introduced, perhaps, by the very God Jews and Christians worship? This book is a response to the problem of evil that unconditionally affirms the goodness and power of God. Based on a new assessment of the Genesis creation story, one of the greatest texts ever to have emerged in human history, the author contends that God never intended for humanity to experience suffering and death.

Grant Jeffrey, one of America's best known writers on Bible prophecy, explores historical, archaeological, and scientific documents to find an overwhelming number of proofs that the Bible is accurate both as history and prophecy.

Startling new evidence from prophecy, archeology and science prove the Bible's inspiration, according to author Grant Jeffrey. Sinai Rock Inscriptions describe the Exodus. Mysterious Hebrew codes reveal Hitler, Sadat and Jesus.

Without question, the Bible has withstood the most intense scrutiny than any other book in existence. Critics have examined every word, letter, line, and precept in the Bible in an exhaustive attempt to cast doubts on its reliability. However, this book was not written to defend the Bible, for it needs no defense. Rather, this book is written for the reader to take into consideration the enumerable reasons the Bible has endured and survived all the critics and their attempts to destroy its credibility. To this day, because of the Bible's reliability and continued survival, it is enjoyed and loved by millions of people around the world. Within the covers of this book, you will discover archaeological, scientific, mathematical, historical, and other information that strongly supports the Bible as God's living word. These impressive contributions could not have been made possible except for the dedicated people, many of whom devoted their entire lives to the task of searching, authenticating, and preserving the information set forth in the Scriptures. They have this author's highest respect and admiration.

„... nun aber war ich Freiwild für jeden, gejagt, obdachlos, ein weithin bekannter Mörder, dem Galgen geweiht.“ Die Schauernovelle des schottischen Schriftstellers Robert Louis Stevenson („Die Schatzinsel“) zählt zu den berühmtesten Adaptionen des Doppelgängermotivs in der Weltliteratur. In ihrer Vielschichtigkeit bis heute faszinierend, wurde sie prägend für das moderne Horrorgenre. Vollständig neu übersetzt von Susanne Mussehl.

With passion and boldness, Manning challenges readers to risk living life as Jesus lived: committed to simplicity, purity of heart, and obedience to the gospel.

Code 19 was hidden in the 74th chapter of the Quran and discovered by the author's colleague, Dr. Rashad Khalifa, an Egyptian-American biochemist, in 1974. The code suggests a "Copernican revolution" in theology of religions. Instead of Krishna-centered, Jesus-centered, or Muhammad-centered religions, people must turn to the original center, to the God-centered model.

Writer Dauson Lovi tackles the hard issues regarding Christianity in *Holy Shit: A Brief Look at Christianity's Problem*. This no-nonsense, no holds barred narration is a collection of thoughts, points and counterpoints to illustrate the problems facing Christianity ideology and how those views are distorted by the very book leaders and believers hold sacred. Lovi delves into the fallacies contained in the scriptures and brings to light the truth about following the Golden Rule and the misconstrued metaphors that are scattered throughout its teachings. Lovi's controversial book takes a realistic view of how the writings of the Bible are filled with mythology blended with historical events containing a tainted religious undertone. Three billion people believe and follow the truth contained in the Bible-do you want to explore another truth? Do you want common sense research that explicitly shows such teachings as intolerance, the creation of evil, and using that same evil to gain adulation? You've come to the right place! Not for the faint of heart, *Holy Shit: A Brief Look at Christianity's Problem* bravely presents the other side of Christianity in a brand new light.

In this book Bernard Tutu communicates on the struggles of everyday Christians and God provided means to overcome and seek His purpose. This book is an insight into the journey of any Christian. Why This Book is For You? You are at a crossroads or a major decision. How do I find meaning and direction? I don't understand the will of God. You are searching for your reason to be. You have missed your calling in life. You have enough outer success, but want to find inner peace, purpose and reverence with God. This book is to help Christians get focused and identify their life gifts and live a fearless life for Christ. It is also intended to help all who are searching for a purpose in their life.

Contributions by Alice Knox Eaton, Mar Gallego, Maxine Lavon Montgomery, Evelyn Jaffe Schreiber, Shirley A. Stave, Justine Tally, Susana Vega-González, and Anissa Wardi In her eleventh novel, *God Help the Child*, Toni Morrison returned to several of the signature themes explored in her previous work: pernicious beauty standards for women, particularly African American women; mother-child relationships; racism and colorism; and child sexual abuse. *God Help the Child*, published in 2015, is set in the contemporary period, unlike all of her previous novels. The contemporary setting is ultimately incidental to the project of the novel, however; as with Morrison's other work, the story takes on mythic qualities, and the larger-than-life themes lend themselves to allegorical and symbolic readings that resonate in light of both contemporary and historical issues. *New Critical Essays on Toni Morrison's "God Help the Child": Race,*

Culture, and History, a collection of eight essays by both seasoned Morrison scholars as well as new and rising scholars, takes on the novel in a nuanced and insightful analysis, interpreting it in relation to Morrison's earlier work as well as locating it within ongoing debates in literary and other academic disciplines engaged with African American literature. The volume is divided into three sections. The first focuses on trauma—both the pain and suffering caused by neglect and abuse, as well as healing and understanding. The second section considers narrative choices, concentrating on experimentation and reader engagement. The third section turns a comparative eye to Morrison's fictional canon, from her debut work of fiction, *The Bluest Eye*, until the present. These essays build on previous studies of Morrison's novels and deepen readers' understanding of both her last novel and her larger literary output.

Take advantage of the wisdom and power of intimacy from *Catching God's Heart* as you read decades' worth of combined experience from well-known and respected Christians: Ché Ahn, Sam Hinn, Christy Wimber, S.J. Hill, Ed Piorek, Stephanus W. Vosloo, Gary Wiens, Marc A. Dupont, Peter Fitch, Steve Long, David Ravenhill All you do as a Christian springs forth from an intimate relationship with God, and it's in His presence that you receive His love and His direction for your life and ministry. The main objective of a Christian's life is to love God with all of your heart, soul, mind, and strength. *Catching God's Heart* tells you how to accomplish that objective. As you become the Bride of Christ, you must leave your old ways and your old loves behind, and cleave to your Bridegroom—Jesus Christ. This thought-provoking compilation of messages about intimacy with God instructs and encourages you to catch God's heart and become an heir to the unfathomable riches that accompany a lifestyle of such delectable intimacy.

In this substantial volume, Thomas Schreiner takes up the study of New Testament theology, looking for the themes that emerge from a detailed reading of the whole rather than considering the individual writings separately. Two themes in particular emerge. The first concerns redemptive history and the kingdom of God. The New Testament writers adopt the Old Testament vision of God's reign and affirm that it has come in Jesus Christ, although final fulfillment is yet to come. Second, the ultimate goal of the kingdom is God's glory. Schreiner goes on to relate these themes to the life of the believer and the community of faith. Pastors and students will find this a comprehensive and illuminating survey of the unifying themes found throughout the New Testament.

As a Bible researcher and teacher of over forty years, I have noticed that there are certain topics in the Bible that most Christians know little, if anything, about. For instance, do you think heaven will be a boring place? Many Christians do, so why would they be looking forward to going there? Learn the real facts. Do you know the next prophecy to be fulfilled will be the Rapture, when Christ will return to take the believers home to heaven. Many Biblical scholars believe this will happen soon. You need to be ready. Are you aware that there is an unbelievable amount of evidence that proves that Jesus lived, was crucified, and rose again. The Bible contains information that could not have been written without divine inspiration, including advanced knowledge about nature, prophecy, medicine, sanitation and science; knowledge that was thousands of years ahead of its time. Fulfilled prophecy and archaeology discoveries are proving the scriptures to be true. The effects of Satan and his demons are all around us—broken marriages, depression, private doubts about God, divided churches. You need to be aware of his tactics. Are angels involved in our everyday lives? Do you have your own guardian angel? These questions and many, many more are answered in this book. Many years ago I asked God to give me a hunger for His word. He honored that request far more than I anticipated. I truly enjoy studying, researching, and sharing the scriptures. God has blessed my wife and myself in so many ways. We live in a beautiful part of the country, Michigan's Upper Peninsula. God has also blessed us with a great son and daughter, their spouses and the four greatest granddaughters ever. I am a blessed man!

In the new mega-anthology from best-selling editor Russ Kick, more than fifty writers, reporters, and researchers invade the inner sanctum for an unrestrained look at the wild and woolly world of organized belief. Richard Dawkins shows us the strange, scary properties of religion; Neil Gaiman turns a biblical atrocity story into a comic (that almost sent a publisher to prison); Erik Davis looks at what happens when religion and California collide; Mike Dash eyes stigmatics; Douglas Rushkoff exposes the trouble with Judaism; Paul Krassner reveals his "Confessions of an Atheist"; and best-selling lexicographer Jonathon Green interprets the language of religious prejudice. Among the dozens of other articles and essays, you'll find: a sweeping look at classical composers and Great American Songbook writers who were unbelievers, such as Irving Berlin, creator of "God Bless America"; the definitive explanation of why America is not a Christian nation; the bizarre, Catholic-fundamentalist books by Mel Gibson's father; eye-popping photos of bizarre religious objects and ceremonies, including snake-handlers and pot-smoking children; the thinly veiled anti-Semitism in the *Left Behind* novels; an extract from the rare, suppressed book *The Sex Life of Brigham Young*; and rarely seen anti-religious writings from Mark Twain and H.G. Wells. Further topics include exorcisms, religious curses, Wicca, the Church of John Coltrane, crimes by clergy, death without God, Christian sex manuals, the "ex-gay" movement, failed prophecies, bizarre theology, religious bowling, atheist rock and roll, "how to be a good Christian," an entertaining look at the best (and worst) books on religion, and much more.

The secret things belong unto the Lord our God: but those things which are revealed belong unto us and to our children for ever, that we may do all the words of this law. —Deuteronomy 29:29 This new, expanded and completely documented edition of *The Signature of God* contains additional research and compelling documentation proving the Bible is inspired by God. Remarkable new computer discoveries from the Bible Codes reveal astonishing details about the September 11 Islamic terrorist attack on America that were encoded in Hebrew text thousands of years ago. Key topics include: ·New Bible Codes reveal the details of September 11, 2001 terror attacks on the World Trade Center and Pentagon ·Historical documents confirm the supernatural darkness when Jesus was crucified ·Advanced scientific statements provide compelling evidence the Bible was inspired ·Incredibly modern medical statements prove that God inspired the Scriptures ·Hundreds of accurate prophecies demonstrate the Bible is supernatural

About two decades in the making, the mission of this book- **GODS NEW PLAN FOR THE HOLY NATION AND THE PAST** is to PROVE that KING David is The PAST, the PRESENT & the FUTURE, and that he KNOWS the FUTURE. **GODS NEW PLAN PROVES** that KING David is KING OF KINGS AND LORD OF LORDS. This book also PROVES that Time Travel is possible, but NOT in the way people might THINK. **GODS NEW PLAN** is an entirely NEW government built from scratch with the help of GOD. This book PROVES that several Laws of the Universe are TRUE and this book is part of the

apocalypse. GODS NEW PLAN features over 400 pages and over 50 pages of Laws. This book contains the three parts of KING Davids mission. This book gives readers Spiritual Enlightenment and provides the Mission of the Beast and the False Profit and what they will do. GODS NEW PLAN PROVES that Divine Intervention and Spiritual Hearing & Seeing are REAL and NOT a figment of the imagination. This book provides KING Davids fantastic predictions, some of which may have ALREADY come TRUE. GODS NEW PLAN also explains some of mankind's most common questions, such as: the origin of man and the meaning of life. THE PAST features over 25 stories and contains many original characters. This book utilizes humor, action and adventure to make certain points regarding good verses- evil. Lucky and his friends are unique Problem Solvers and succeed with great solutions when problems arise. THE PAST would also make a great movie or a few movies. This Classic Literary Masterpiece combines love, faith and teamwork into a collection of stories, children of all ages may enjoy. Please tell your friends and neighbors.

We must follow the direction of Jesus Christ who said, "Search the Scriptures, for in them ye think ye have eternal life, for they are they which testify of me," (John 5:39). Jesus knew the Scriptures must be searched in order to find the hidden things of God. The writings of Moses and other prophets came together in 1611 A.D. in the center of the world, in London, England under the guidance of King James 1st. The words of the New Testament were also directed by the Lord God, and the OLD and the NEW Testaments together would become 1 Bible with 66 books. The most mysterious verse of Scripture in the entire Bible is found in Revelation 13:18, where mankind has sought out its meaning since 1611 A.D. This verse of Scripture has been a mystery to every Biblical student since it was first written in 96 A.D. Its meaning is now explained in the book, "Letters From God," and it will bring the truth of this Scripture to the minds of Spiritual men. Soon the antichrist will appear on the earth, where he will fight with the saints of God and prevail against them, (Daniel 7:25). He will have 42 months in which to do this. He will change laws and times, and will force everyone in the world to receive the Mark Of The Beast, and he will sit on a throne in Jerusalem, claiming that he is God. Satan has taken many secret steps to arrange for himself to be recognized as an equal to Jesus Christ, which is something he can never be. The secret things Satan has done to prepare for his entry into the world as the antichrist are listed in this book, and will astound those who have been watching for his emergence. He will come from the most unexpected place, carrying out the most secret underhanded plot ever in the history of the world. The antichrist is the Great Deceiver and he will deceive many in the span of 42 months before he is defeated by Jesus Christ.

p"Ein auch heute noch bedeutsamer Klassiker" Daily Express Sind wir Marionetten unserer Gene? Nach Richard Dawkins ? vor über 30 Jahren entworfen und heute noch immer provozierender These steuern und dirigieren unsere von Generation zu Generation weitergegebenen Gene uns, um sich selbst zu erhalten. Alle biologischen Organismen dienen somit vor allem dem Überleben und der Unsterblichkeit der Erbanlagen und sind letztlich nur die "Einweg-Behälter" der "egoistischen" Gene. Sind wir Menschen also unserem Gen-Schicksal hilflos ausgeliefert? Dawkins bestreitet dies und macht uns Hoffnung: Seiner Meinung nach sind wir nämlich die einzige Spezies mit der Chance, gegen ihr genetisches Schicksal anzukämpfen.

How do we know the Bible is true? Why did God create the universe? How will we spend eternity? Neglecting and rejecting God's Word has its consequences: abortion, AIDS, troubled relationships, crime, immorality, personal freedoms - the Bible is vital in solving (and preventing) the very real problems facing people today. • Will all men eventually be saved? • How can I know God's will? • Is a Christian supposed to obey the government? • Why did God create Satan? Is the end of the world near? There are many questions today that demand answers in our daily lives; we can't avoid them. After reading this book, you'll clearly see answers to questions such as these, and others that affect our Christian walk.

YOU CAN BELIEVE THE BIBLE. WITHOUT ANY DOUBT. As American society becomes more secularized, Christians need to know all the facts about the Bible. Dr. Grant R. Jeffrey has spent decades researching history, science, archaeology, medicine, and prophecy--finding that each discipline confirms the truth of Scripture. This revised and updated edition of The Signature of God proves that the Bible is not only accurate in its spiritual claims, but is completely reliable as well on matters of origins, medicine, history, and science. Historians of the ancient world--as well as recent archaeological finds--confirm the names of kings and kingdoms, and the dates of wars and mass migrations mentioned in the Bible. Recent breakthroughs in astronomy, physics, and medical science have shown that God's Word accurately described the universe and the processes of human life before scientific research caught up. And hundreds of fulfilled prophecies show that God revealed the future to his prophets in order to undergird the faith of his people. No matter how loudly the skeptics argue against Christian faith, only one conclusion makes sense: the Bible is God-breathed. You can believe every word, every claim, every prophecy, and every miracle. With no doubts.

A comprehensive guide to the cosmic influences that underlie health and how to apply them for profound health and healing • Examines how ancient and modern traditions of healing interconnect through the doctrine of signatures, "As above, so below" • Reveals how one's astrological chart has implications for personal health and healing • Explains how each sign of the zodiac corresponds not only to parts of the body and its chakras but also to specific plants, herbs, colors, and emotions • Explores how to use sound healing to harmonize astrological imbalances When we look at the vast and intricate cosmos--galaxies, planets, organisms, organs, cells, molecules, atoms--there is a fundamental order, a music or harmony of the spheres. Our cells reflect the images of galaxies seen through our telescopes. We are the microcosm, reflecting the macrocosm of the heavens. Our ancestors understood these patterns and connections between humanity and the universe and developed spiritual and healing traditions in line with these cosmic truths. Yet in the 19th century, knowledge of these connections was set aside as medical science sought to create the "one size fits all" approaches to healing that dominate modern medicine today. In this comprehensive exploration of the celestial influences that underlie health and healing, Jennifer Gehl, with Marc Micozzi, examines how ancient and modern traditions of healing interconnect through the doctrine of signatures, "As above, so below". She reveals how one's celestial nature--the arrangement of the cosmos at the moment of birth--has implications for personal health and how each sign of the zodiac corresponds to parts of the body, the chakras, and specific plants, herbs, colors, and emotions. She explains how sound re-arranges forms according to the principles of harmony, leveraging not only the human self-regulating capacity to restore health but also that of the Earth to restore balance and harmony. Also explored are the recurrence of geometric forms in nature and how to apply this knowledge in sound healing and medical astrology. Weaving together the threads of ancient science and spirit that formed the original tapestry of medicine, Gehl explains how to restore the cosmic foundations of healing for personal, planetary, and universal health and wellbeing. In the past twenty years, many traditionally white campus religious groups have become Asian American. Today there are more than fifty evangelical Christian groups at UC Berkeley and UCLA alone, and 80% of their members are Asian American. At Harvard, Asian Americans constitute 70% of the Harvard Radcliffe Christian Fellowship, while at Yale, Campus Crusade for Christ is now 90% Asian. Stanford's Intersvarsity Christian Fellowship has become almost entirely Asian. There has been little research, or even acknowledgment, of this striking

development. God's New Whiz Kids? focuses on second-generation Korean Americans, who make up the majority of Asian American evangelicals, and explores the factors that lead college-bound Korean American evangelicals—from integrated, mixed race neighborhoods—to create racially segregated religious communities on campus. Kim illuminates an emergent “made in the U.S.A.” ethnicity to help explain this trend, and to shed light on a group that may be changing the face of American evangelicalism.

Allan Thompson was a self-destructive alcoholic who had lost everything but his devoted family when he finally hit rock bottom and heard the still, small voice of God beckoning him to a life of hope, joy, and the ministry of God's Word. Thompson grew up in Arkansas, Tennessee, and Oklahoma and graduated from the University of Oklahoma with a journalism degree. His desire to become an advertising copywriter led him to New York, where he found a position in broadcast sales. He followed this career to Philadelphia, Pittsburgh, St. Louis, and Springfield, Missouri. Along the way, alcohol, “cunning, baffling, and powerful,” took hold of his life and was progressively destroying him, his career, and his family. God miraculously intervened, saved him, and instantly relieved him of his reliance on alcohol. Through the marvelous work of the Holy Spirit, God then set out to break Thompson of his dependency on his own self and to bring him to reliance on Jesus alone. Thompson candidly tells of his struggles with insecurity (which led to his alcoholism), and his continuing struggles with poor self-esteem and other issues even after his conversion. Christians should be able to identify with Thompson's trials and joys, as he indeed has worked out his salvation “with fear and trembling.” He has experienced what Paul wrote in Philippians 2:12–13: God has worked in him “to will and to act according to his good purpose.” Thompson goes from a man who used the name of Jesus in vain to a man who passionately loves Jesus. Thompson believes God yearns to redeem every person so the love of Jesus may shine from each.

Vier Frauen, die unterschiedlicher nicht sein könnten, begegnen sich bei einem wöchentlichen Kurs, der eine Einführung in geistliche Übungen bietet: Hannah, eine engagierte Pastorin, die von ihrer Gemeindeleitung zu einer unfreiwilligen Auszeit verdonnert wird. Meg, verwitwet und nach dem Auszug ihrer erwachsenen Tochter einsam und richtungslos. Mara, die mit sich selbst und ihrer Ehe zu kämpfen hat. Und Charissa, die talentierte, aber von ihrem eigenen Perfektionismus völlig gelähmte Schönheit ... Unter der behutsamen Anleitung der Kursleiterin begeben die vier Frauen sich auf eine geistliche Pilgerreise, in deren Verlauf sie sich gegenseitig näherkommen und jede auf ihre Art Heilungsschritte und neue Hoffnung erleben. Ganz nebenbei erfährt man als Leser viel über Sinn und Zweck der geistlichen Übungen und erhält neue Impulse für den persönlichen Weg mit Gott.

Dieser Band berichtet - für das Fach Englisch - über die Methoden und Ergebnisse der Evaluierung eines Schulversuchs zur Begabtenförderung nach dem Prinzip der Akzeleration des gymnasialen Bildungsganges (sogenannte «Expressklassen»). Die deskriptive Studie zeichnet nicht nur ein detailliertes Bild der Sprachfähigkeit von Gymnasialschülern der ausgehenden Sekundarstufe I, sondern beschreibt darüber hinaus den Unterricht in diesen Klassen und die Sicht der Beteiligten (Schüler, Eltern und Lehrer). Sie zieht ferner Konsequenzen für dringend notwendige Veränderungen des weiterführenden und fortgeschrittenen Englischunterrichts. Das Fach Englisch braucht eine funktionale Rede-, Gesprächs- und Schreibschulung, die im Sinne eines positiven Rückkopplungseffekts auf den Unterricht von validen und zuverlässigen Verfahren der Leistungskontrolle und -messung begleitet wird.

Entdecken Sie, wie Gott Sie in Ihrer ganz persönlichen Liebessprache anspricht. Um es Menschen leichter zu machen, seine Nähe wahrzunehmen, auf ihn zu hören, bedient sich Gott meist einer persönlichen Sprache der Liebe, die direkt ins Herz der Angesprochenen führt. So erfahren viele Menschen seine Gegenwart besonders im Gottesdienst, andere bei praktischen Taten der Nächstenliebe, wieder andere, indem sie in der Stille ein Wort der Bibel auf sich wirken lassen. Das Buch "Die fünf Sprachen der Liebe Gottes" von Gary Chapman ist eine persönliche Einladung an Sie, Gottes Stimme in Ihrem Leben wahrzunehmen und sich von ihm leiten zu lassen.

All of us want to believe in an afterlife. If it's true, then we must have a soul or spirit. We question this, however, because we are taught science has all the answers. It is science vs. the bible. Physical vs. supernatural. To believe in the afterlife is to believe in God. One area of research that has not been thoroughly examined in relationship to Christianity is the supernatural. This book explores how archaeology, scientific studies, and personal stories reveal the accuracy of the bible. Discover how we know we have a spirit, why select people encounter angels, and why some prayers are answered. It will show you that there is an afterlife, there is hope, and that there is a God! The stories of today resemble the stories of the bible. The mystical events that happened then are similar in almost all aspects to what the bible tells us will happen. Prophecies are continuing to be fulfilled. The foreknowledge He gave his chosen people are still applicable today. Angels are still sent to serve and protect us. Our spirit will rejoin with God as told by near-death experiencers. God does exist and millions of people (maybe even yourself) have witnessed Him through the supernatural. This leads to the conclusion- God, the bible, and the supernatural are relevant today.

This book is a compendium of insights from sermons and books of great preachers of the Word of God. It illuminates how God created the world in six days following His blueprint. It reveals that man is created in the image of God. It explains the significance of the nation of Israel in God's divine program. It discloses the origin and effect of sin on all of humanity. It disputes the atheistic opinions of the existence of God. It concludes with the fulfillments of God's plan as the King of kings of the combined heaven and earth in the New Jerusalem.

About the book: Do you ever look at people who call themselves Christians, and wonder about the lack of Christlikeness in them? Have you ever looked into your own life and questioned where you really stood with God? Do you ever entertain the inner suspicion that your relationship with God is pretense, a charade, the mere repeating of the words and feelings of others without internal conviction and change? Have churches today misunderstood the Gospel, what it really means to be a follower of Christ? In this deeply thought-provoking book, Getting Into Jesus' Life, John Vosnos addresses these questions and more in profound and practical ways, exploring what it means to be a genuine follower of Christ and offers identity with Christ and participation in Jesus' life as the key to living as a Christ-centered follower of Jesus—and the extraordinary difference this makes! About the author: John G. Vosnos has earned both the Master of Divinity and Doctor of Ministry degrees from Trinity Evangelical Divinity School, Trinity International University. After a short career in corporate business, he entered pastoral ministry where he has served for forty years. He and His wife, Gayle, have three grown children and reside in Barrington, Illinois where John serves as a pastor in the Village Church of Barrington.

Jakob Böhme: Aurora oder Morgenröte im Aufgang »Was das Auge nicht gesehen und das Ohr nicht gehört hat, was in des Menschen Herz nicht eingetreten ist, das hat uns Gott offenbart durch den Geist, denn der Geist erforscht alles, auch die Tiefen Gottes« Der Mystiker Jakob Böhme - ein Schumacher, der nie studiert hat - versinnlicht das Übersinnliche in einer Sprache, die in ihrer Plastizität noch zweihundert Jahre später unerhörten Einfluss auf die Romantik und den Deutschen Idealismus hat.
