Leslie Ludy, popular writer and speaker, has a powerful message for today's single adults. Through personal experience and in interaction with thousands of young women over the past fourteen years, she has found that most Christian young women fall into one of two categories: those who are discontent and unfulfilled, constantly searching for the "right one," and those who are consumed by a passionate romance with Jesus Christ and are living joyful, satisfied lives. Her desire is to help readers move toward the totally surrendered and fulfilling experience rather than one of striving and

disappointment. Leslie shares firsthand stories and testimonials of modern-day single women who may sometimes struggle with loneliness and personal desires but who, in following God's plan for them, have discovered a deeper delight, purpose and true joy in their lives. Sacred Singleness gives every single woman the inspiration to live counter to the culture and find amazing opportunity in this sacred season.

The Glass Castle meets Educated When Alice Greczyn's parents felt called by God to exchange worldly employment for heavenly provision, they followed their faith into homelessness with five children and a cat in tow. Homeschooled and avowed never to kiss a man until her wedding day, Alice had plans to escape the instability by becoming a missionary nurse—plans that were put on hold with the opening of an unexpected door: the opportunity to be an actress in Hollywood. What followed was a test of faith unlike any she had prepared for, an arranged betrothal she never saw coming, and a psychological shattering that forced her to learn how to survive without the only framework for life she had ever known. This unique coming-of-age story takes place within a Christian subculture that teaches children to be martyrs and women to be silent. Revelatory, vulnerable, and offering catharsis for your own journey through faith and doubt, *Wayward* is a deeply intelligent memoir of soul-searching—and finding the courage to live in your own truth.

When God Writes Your Love Story challenges singles to take a fresh approach to relationships in a culture where love has been replaced by cheap and diluted sensual passion. This book shows that God's way to true love is not some dull and lifeless formula, but brings fulfillment and romance in its purest, richest, and most satisfying form.

Have you ever wondered how it would look to live out a Christian sexual ethic amid the varied and confusing sexual messages that are part of modern culture? Does the Christian tradition provide us with a way to think about and act on our natural, God-given sexual desires? *Honoring God with Body and Mind* invites readers to consider these questions--and some ways of answering them--by guiding them into a conversational style of moral reflection. Unlike many books about Christians and sex, this one doesn't simply tell you what to do (or not to do). Instead, you will be led to think about how the meaning of sex can provide sexual boundaries, but also how the relational dimension of sex and the virtue of sexual integrity can provide a context for sexual decision-making. Informed by many years of conversations with college students, the author also invites you to think about practical questions such as these: Can men and women be friends without the complications of sexual attraction? If I

haven't always included Christian values in my sexual practices and carry some painful memories and regrets, is there any hope of healing? What is lust? Is masturbation sinful? Can virginity be reclaimed?

This provocative follow-up to *God Is Not . . .* challenges popular misconceptions of how God works.

Challenges Christian singles to take a fresh approach to relationships by recognizing that true love brings more satisfaction than sex.

Eric Ludy calls believers to put a stop to an alarming trend in today's church. Contemporary culture has accused Christians of being politically incorrect, unloving, and narrow-minded in their devotion to God and His Word. And the church has unwittingly played right along: It has grown to have more in common with the world than with Christ. It seems more concerned about pleasing men than God. It sets aside the pursuit of eternal truth for the pursuit of temporal pleasures. How serious is the problem, and what are the solutions? What does a bravehearted kind of Christianity look like? Eric presents the Christianity of the Bible as the most explosive, most vibrant, most extraordinary force on Earth—a force meant to bring glory to the Most High God and turn people's hearts in His direction. After reading *The Bravehearted Gospel*, no Christian will ever want to go back to "Christianity as usual"!

Now, women who first met Leslie Ludy in *When God Writes Your Love Story* and *Authentic Beauty* can continue journeying with her through the realities of motherhood. Written from the perspective of a mom who is currently "in the trenches" with several young children at home, Leslie will help guide readers to become mothers who are set apart for God's purposes.

My name is Katie, and I'm twenty-two years old and single. Some people might say, "What's the big deal? You're only twenty-two." I wish I could confidently reply, "It's not a big deal. I'm completely content and loving the single life. But I can't." This past year, ten of my friends got married. It was awesome to see them with the person God had so clearly planned for them, but it was also hard not to envy their fairytale love stories. Did God forget about me? *22 & Single* is simply a collection of journal entries as well as reflective commentary throughout my quest to live a God-honoring life in a time of discontentment.

No parent wants to admit that their child-even their well-educated, well-grounded, Christian child-could be having consensual sex before graduating middle school. Promise rings, parental contracts and disease warnings provide but meager defense against a culture overrun with weapons of mass seduction. Eric and Leslie Ludy, authors of the bestselling *When God Writes Your Love Story*, present the shocking, unvarnished realities of today's sexual climate but they balance the bitter pill with a large dose of hopeful, practical advice for parents.

In *Wrestling Prayer*, readers who hunger for this pattern of living will see that a great prayer life is more than a nice-sounding concept—it's down-to-earth and attainable. Eric and Leslie urge transformation— from doubting God's power to expecting His supernatural intervention from distance from God to connection

with Him from the sense of falling short to the strength of victory from "bless this food" prayers to world-changing intercession from feeling defeated to setting people free Readers whose concept of prayer has fallen into disrepair will newly desire to pray and bring God's purposes to bear on earth. Wrestling Prayer will light a soul-fire that can burn bright and hot for years to come.

Sensuality equals beauty—that's what today's young women are learning from our sex-obsessed society. Bestselling author and speaker Leslie Ludy (*Set-Apart Femininity and Authentic Beauty*) shares a different vision for feminine loveliness as God intended it to be—the breathtaking radiance of a young woman who has been transformed by Christ from the inside out. With candid personal stories, practical advice, and inspiration, Leslie leads young women on a life-changing journey to become women of feminine grace, beauty, and enduring style. Leslie inspires girls toward inner changes but also talks about practical social grace and manners, how to dress beautifully, and even how to create a warm and lovely environment in the home. Clearly, true beauty is more than skin deep.
