As a distant howl echoes through the forest, animals quickly stop what they're doing and run for home. Look out—Wolf's coming! As the shadowy figure gets closer and closer and the day draws to a close, the animals shut the door, pull the shades, and turn out the lights. Soon the wolf's glowing eyes appear at the window and the front door opens . . . But things are not as they seem in this suspenseful, clever story, and it's the reader who's in for the biggest surprise of all!

Little Wolf has been behaving too courteously, so his parents send him to his uncle's Big Bad Wolf school to learn to be a proper wolf.

Ernest's crocodile does not bite! It's very well trained. But when Ernest brings the crocodile to the school's pet show, his rival Cindy Lou gets very rude. Cindy Lou is sure her poodle Fifi will win best in show. She doesn't think Ernest's croc should be allowed to compete. But Ernest and his friend have some tricks prepared. They're going to prove that when a crocodile's not busy biting, it can really put on a show!

### ANIMALES DEPREDADORES (ANIMAL PREDATORS) TEACHING GUIDE

Ein kleines Mädchen verfolgt ihren riesen Kürbis mit ein wenig Hilfe durch die ganze Stadt. Die perfekte Gute Nacht Geschichte für Ihren kleinen Liebling.

The authors recount how they raised a wolf cub as part of a television documentary, clear up misconceptions about wolves, and discuss the concerns of ranchers about the reintroduction of wolves

Animals can be sneaky. But do you know who is especially sneaky? Undercover ostriches! They're everywhere, and they're masters at going undetected. You've probably seen one and just assumed it was another woodpecker or owl. The narrator of this book is on the case, following a single ostrich on his many adventures. Not until the final twist does author and illustrator Joe Kulka let the readers in on the narrator's true motivation: a peanut collection mission involving undercover elephants.

Judy Freeman has developed a comprehensive handbook with thoroughly annotated lists of the 2008's best children's books, lesson plans, teacher's guides, stories, songs, and Internet resources. Grades K-6. The WINNERS! Handbook starts with an extensive booklist of Judy's 100 best books of 2008, including many of the big award winners. (If you own Judy's Books Kids Will Sit Still For 3, it follows the same format. Indeed, you can consider the new The WINNERS! Handbook the first update to that book.) Each entry includes a meaty and thoughtful annotation, a germ (a series of practical, do-able, useful, pithy ideas for reading, writing, and illustrating prompts and other activities across the curriculum); a useful list of exemplary related titles; and subject designations for each title to ascertain where the book might fit thematically into your curricular plan or program. There's also a title, author, and subject index for easy access. You find scores of useful and fun ideas, activities, lessons, and ways you can incorporate literature into every aspect of your day and your life. From story hour to school curriculum tie-ins, the many connections include strategies for comprehension, critical thinking skills, research, and problem-solving; games, crafts, songs, plenty of great across-the-curriculum poetry, creative drama and Reader's Theater, storytelling, booktalking, and book discussion. Most of the books included are fabulous read-alouds, read-alones, and natural choices for Guided Reading, Literature Circles, or Book Clubs. Grades K-6.

Du gehörst mir, ganz und gar mir ... Traumstimmen, Visionen – Alan und Aimee verbindet ein dunkles Geheimnis. Vom ersten Tag ihrer Begegnung an fühlen sie sich zueinander hingezogen. Und vom ersten Tag an kommt es zu mysteriösen Vorfällen. Als ob ihnen etwas Böses auf den Fersen wäre. Doch dann machen sie eine schockierende Entdeckung: Nicht sie werden verfolgt, sondern Courtney, Aimees beste Freundin. Und es gibt nur eine Möglichkeit, sie zu retten: Sie müssen den Dämon, der von ihr Besitz ergriffen hat, austreiben ...

From the villainous beast of “Little Red Riding Hood” and “The Three Little Pigs,” to the nurturing wolves of Romulus and Remus and Rudyard Kipling’s *The Jungle Book*, the wolf has long been a part of the landscape of children’s literature. Meanwhile, since the 1960s and the popularization of scientific research on these animals, children’s books have begun to feature more nuanced views. In *Picturing the Wolf in Children’s Literature*, Mitts-Smith analyzes visual images of the wolf in children’s books published in Western Europe and North America from 1500 to the present. In particular, she considers how wolves are depicted in

and across particular works, the values and attitudes that inform these depictions, and how the concept of the wolf has changed over time. What she discovers is that illustrations and photos in works for children impart social, cultural, and scientific information not only about wolves, but also about humans and human behavior. First encountered in childhood, picture books act as a training ground where the young learn both how to decode the “symbolic” wolf across various contexts and how to make sense of “real” wolves. Mitts-Smith studies sources including myths, legends, fables, folk and fairy tales, fractured tales, fictional stories, and nonfiction, highlighting those instances in which images play a major role, including illustrated anthologies, chapbooks, picture books, and informational books. This book will be of interest to children’s literature scholars, as well as those interested in the figure of the wolf and how it has been informed over time.
